Shakespeare The Histories:

Shakespeare's Histories George Joseph Becker, 1977 Genealogical charts and a discussion of Shakespeare's art and time precede summaries of ten plays treated in historical sequence Shakespeare's Histories: Volume Three William Shakespeare, 2014-05-31 List of Histories Volume Three by William Shakespeare 1 King Richard II 2 King Richard III In the First Folio the plays of William Shakespeare were grouped into three categories comedies histories and tragedies The histories might be more accurately called the English history plays and include the outliers King John and Henry VIII as well as a continuous sequence of eight plays covering the Wars of the Roses These last are considered to have been composed in two cycles The so called first tetralogy apparently written in the early 1590s deals with the later part of the struggle and includes Henry VI parts one two three and Richard III The second tetralogy finished in 1599 and including Richard II Henry IV Part 1 Henry IV Part 2 and Henry V is frequently called the Henriad after its protagonist Prince Hal the future Henry V The folio's classifications are not unproblematic Besides proposing other categories such as romances and problem plays many modern studies treat the histories together with those tragedies that feature historical characters These include Macbeth set in the mid 11th century during the reigns of Duncan I of Scotland and Edward the Confessor and also the Roman plays Coriolanus Julius Caesar Antony and Cleopatra and the legendary King Lear Sources The source for most of the English history plays as well as for Macbeth and King Lear is the well known Raphael Holinshed's Chronicle of English history The source for the Roman history plays is Plutarch's Lives of the Noble Grecians and Romans Compared Together in the translation made by Sir Thomas North in 1579 Shakespeare's history plays focus on only a small part of the characters' lives and also frequently omit significant events for dramatic purposes *Shakespeare's Histories* William Shakespeare, 2016-03-11 Shakespeare's Histories Volume Three William Shakespeare 1554 1616 King Richard II King Richard the Second is a history play by William Shakespeare believed to have been written in approximately 1595 It is based on the life of King Richard II of England ruled 1377 1399 and is the first part of a tetralogy referred to by some scholars as the Henriad followed by three plays concerning Richard's successors Henry IV Part 1 Henry IV Part 2 and Henry V It may not have been written as a stand alone work Although the First Folio 1623 edition of Shakespeare's works lists the play as a history play the earlier Quarto edition of 1597 calls it The tragedie of King Richard the second King Richard III Richard III is an historical play by William Shakespeare believed to have been written in approximately 1592 It depicts the Machiavellian rise to power and subsequent short reign of King Richard III of England The play is grouped among the histories in the First Folio and is most often classified as such Occasionally however as in the quarto edition it is termed a tragedy Richard III concludes Shakespeare's first tetralogy also containing Henry VI parts 1 3 It is the second longest play in the canon after Hamlet and is the longest of the First Folio whose version of Hamlet is shorter than its Quarto counterpart The play is rarely performed unabridged often certain peripheral characters are removed entirely In such instances extra lines are often

invented or added from elsewhere in the sequence to establish the nature of characters relationships A further reason for abridgment is that Shakespeare assumed that his audiences would be familiar with the Henry VI plays and frequently made indirect references to events in them such as Richard's murder of Henry VI or the defeat of Henry's queen Margaret
