

The Seven Ages of Man ("All the world's a stage") by William Shakespeare

All the world's a stage,
And all the men and women merely players;
They have their exits and their entrances,
And one man in his time plays many parts,
His acts being seven ages.

Genius Annotation

The world is like the stage of a theatre, and life is like a big drama, in which different men and women enter (through birth), play their individual parts, and exit (death).

In addition to the different roles of the players, each individual also has several parts to play in his lifetime. To convey this idea, Shakespeare has taken a broad view of a man's life, and divided it into seven parts.

Lamborn, George Bagshawe Harrison

Shakespeare The Man His Stage:

Shakespeare the Man and His Stage Edmund Arnold Greening Lamborn, George Bagshawe Harrison, 1923

Shakespeare the Man R. W. Desai, 2014-03-13 While over the past four hundred years numerous opinions have been voiced as to Shakespeare's identity these eleven essays widen the scope of the investigation by regarding Shakespeare his world and his works in their interaction with one another Instead of restricting the search for bits and pieces of evidence from his works that seem to match what he may have experienced these essays focus on the contemporary milieu political developments social and theater history and cultural and religious pressures as well as the domestic conditions within Shakespeare's family that shaped his personality and are featured in his works The authors of these essays employing the tenets of critical theory and practice as well as intuitive and informed insight endeavor to look behind the masks thus challenging the reader to adjudicate among the possible the probable the likely and the unlikely With the exception of the editor's own piece on Hamlet Shakespeare the Man New Decipherings presents previously unpublished essays inviting the reader to embark upon an intellectual adventure into the fascinating terrain of Shakespeare's mind and art

Shakespeare, the man and his stage Edmund A. Lamborn, 1977 *Shakespeare* Edmund Arnold Greening Lamborn, George Bagshawe Harrison, 1947 *Shakespeare The Man and His Stage* E. A. G. Lamborn, 2000 **The Oxford Companion to Shakespeare** Michael Dobson, Stanley Wells, Will Sharpe, Erin Sullivan (Cultural historian), 2015 This is a reference text on Shakespeare's works times life and afterlives It offers stimulating and authoritative coverage of every aspect of Shakespeare and his writings including their reinterpretation in the theatre in criticism and in film

Shakespeare's Big Men Richard van Oort, 2016-06-16 Shakespeare's Big Men examines five Shakespearean tragedies Julius Caesar Hamlet Othello Macbeth and Coriolanus through the lens of generative anthropology and the insights of its founder Eric Gans Generative anthropology's theory of the origins of human society explains the social function of tragedy to defer our resentment against the big men who dominate society by letting us first identify with the tragic protagonist and his resentment then allowing us to repudiate the protagonist's resentful rage and achieve theatrical catharsis Drawing on this hypothesis Richard van Oort offers inspired readings of Shakespeare's plays and their representations of desire resentment guilt and evil His analysis revives the universal spirit in Shakespearean criticism illustrating how the plays can serve as a way to understand the ethical dilemma of resentment and discover within ourselves the nature of the human experience

Shakespeare Edmund Arnold Greening Lamborn, George Bagshawe Harrison, 1928 A Treatise on Man, His Intellectual Faculties and His Education Helvétius, 1777 **The Bookman** , 1913
