Spiritual Gardening Caroline A. Baez, 2017-03-15 What do we all seek We seek happiness Many believe that happiness eludes them and this is the cause of much suffering What if you were to discover that the key to happiness resides within you where it has always been What if youve been seeking in the opposite direction for a key that has always been in your possession a key that will release you from a prison of shadows and suffering allowing you to finally bask in the light of inner wisdom and freedom The solution lies in returning to the root of oneself by rediscovering the inner wisdom that abides in each of us Our society our culture and the frenzied world in which we live confront us with daily stimuli and external signals of who we are or should be of what we should prioritize or value and of what our aspirations and successes should model or resemble Hypnotized by a world of illusions we live a reality of half truth an ephemeral world of impermanent pleasures that disintegrate like the ethereal beauty of delicate snowflakes cascading onto the sea Guiding our focus inwardly to our silent inner space we reconnect with the inner master residing in the blooming garden of our True Self Embarking on this intimate journey and cultivating this inner path daily we find refuge in our expansive inner space where we discover the gateway to freedom from suffering and the light of true happiness The intention of this work is to guide

D. S. Punk* St. Peter Davila,2013-09 Punk rock ethics and philosophy are to question everything do not except things just because you are told to do so but instead learn about them yourself so that YOU can make your own decisions And contrary to popular belief Punk is not about being lazy it s about D I Y Do It Yourself It s about not conforming to the norm Punk rock also has a very freestyle spirit it s about being different distinct not like everybody else This is what originally attracted me to Punk rock and later the Gothic rock movement Being L D S Latter day Saint is also about questioning everything up to and including our eternal heavenly father It s about not being what the world expects you to be But instead standing up for what is right and not ignoring what is wrong And through the course of this being different and distinct is a way of life in the church of Jesus Christ of Latter Day Saints If this is not Punk Rock I don t know what is This is my story that has taken me from Catholicism to Mormonism from Paganism to Buddhism and from crazy punk rock insanity to dark morbid gothic rock death gloom Then on to Pentecostal Evangelical Christianity and finally back to just me and my personal relationship with Jesus Christ It s a story about searching for answers especially the age old questions of who are we Where do we come from And where do we go after we die It s about trusting our heavenly father and realizing that Jesus Christ really loves us and deeply cares about our well being both temporal and spiritual Most importantly it s about developing a personal relationship with Jesus Christ he is here for us no matter what we do and wants us to be happy and for this reason died for us so that we could be set free To
