

The book cover features an abstract painting with a grid-like structure. The top section is divided into three horizontal bands: a green band on the left, a light blue band in the center containing the title, and another green band on the right. Below this, the main cover area is divided into four large rectangular sections. The top-left section is green, the top-right is a mix of green and yellow, the bottom-left is a large red shape, and the bottom-right is a large white shape. The bottom of the cover is a solid dark blue band containing the authors' names and edition information.

Upsetting Composition Commonplaces Ian Barnard, 2014-10-15 In Upsetting Composition Commonplaces Ian Barnard argues that composition still retains the bulk of instructional practices that were used in the decades before poststructuralist theory discredited them While acknowledging that some of the foundational insights of poststructuralist theory can be difficult to translate to the classroom Barnard upends several especially intransigent tenets that continue to influence the teaching of writing and how students are encouraged to understand writing Using six major principles of writing classrooms and textbooks clarity intent voice ethnography audience and objectivity Barnard looks at the implications of poststructuralist theory for pedagogy While suggesting some evocative poststructuralist pedagogical practices the author focuses on diagnosing the fault lines of composition s refusal of poststructuralism rather than on providing solutions in the form of teaching templates Upsetting Composition Commonplaces addresses the need to more effectively engage in poststructuralist concepts in composition in an accessible and engaging voice that will advance the conversation about relations between the theory and teaching of writing
