

A photograph of a long, straight asphalt road with double yellow lines, stretching from the foreground into the distance. The road is flanked by sandy desert terrain with sparse, low-lying green and brown shrubs. The sky is a clear, pale blue. A large, semi-transparent red rectangular box is overlaid on the upper half of the image, containing white text.

, 2003 **The Publishers Weekly** , 2004 *Twin Populist Reform Warriors 500 Years Apart* Paul F. Swartz, 2023-08-14

Similarities between Playboy Donald Trump and Holy Man Martin Luther Scandalized by such a thought Through the rediscovery of the Gospel the great Reformer realized he was the object of God's love not His anger and wrath Both Luther and Trump understood that God's ways are not always our ways and that God can choose and work through sinners Neither twin understood themselves to be saints but were free to be themselves They are gifted yet flawed human beings driven by

optimistic visions of what the Church and State should be Drawing insights from history Scripture and theology Swartz illustrates numerous similarities in his Twins separated by five centuries The times events and circumstances they encountered exhibit uncanny parallelisms elite establishments social media swamps walls and plagues Even more striking is how their political stance and personal traits mirror each other coarse and filthy speech pugnacious reactions and use of derisive nicknames There s also a resemblance in their spouses as they became the Maligned Housewives of the Black Cloister and the White House

Burning Ambition Elizabeth Cooper,2022-07-19 Burning Ambition explores how young people learn to understand and influence the workings of power and justice in their society Since 2008 hundreds of secondary schools across Kenya have been targeted with fire by their students Through an in depth study of Kenyan secondary students use of arson Elizabeth Cooper asks why With insightful ethnographic analysis she shows that these young students deploy arson as moral punishment for perceived injustices and arson proves an effective tactic in their politics from below Drawing from years of research and a rich array of sources Cooper accounts for how school fires stoke a national conversation about the limited means for ordinary Kenyans and especially youth to peacefully influence the governance of their own lives Further Cooper argues that Kenyan students actions challenge the existing complacency with the globalized agenda of education for all demonstrating that submissive despondency is not the only possible response to the failed promises of education to transform material and social inequalities
