## **Luther On Conversion The Early Years:**

Luther on Conversion Marilyn J. Harran, 1983      *Luther on Conversion* Marilyn Harran, 2019-06-30 What is conversion How does it come about What preparations must a person make Harran traces the evolution of Luther's views on these questions treating his early years as an Augustinian monk the beginnings of his work as a reformer and his final evangelical breakthrough during which he realized the full theological implications of his religious stance Harran studies Luther's changing interpretations of conversion in his exegetical writings on the Psalms Romans Hebrews and Galatians in sermons and letters and in early reform writings and she considers the relation of conversion to faith justification and grace concepts traditionally viewed as the cornerstones of Luther's mature theology Introducing new and compelling evidence to the heated debate about Luther's own conversion she analyzes the accuracy of his later recollections of his Tower Experience and its dating Insightful and innovative *Luther on Conversion* will be welcomed by anyone interested in Luther and in the revolution in faith that he brought about

**Luther on Conversion** Marilyn J. Harran,      Dictionary of Luther and the Lutheran Traditions ,2017-08-22 In the five hundred years since the publication of Martin Luther's Ninety Five Theses a rich set of traditions have grown up around that action and the subsequent events of the Reformation This up to date dictionary by leading theologians and church historians covers Luther's life and thought key figures of his time and the various traditions he continues to influence Prominent scholars of the history of Lutheran traditions have brought together experts in church history representing a variety of Christian perspectives to offer a major cutting edge reference work Containing nearly six hundred articles this dictionary provides a comprehensive overview of Luther's life and work and the traditions emanating from the Wittenberg Reformation It traces the history theology and practices of the global Lutheran movement covering significant figures events theological writings and ideas denominational subgroups and congregational practices that have constituted the Lutheran tradition from the Reformation to the present day

**Gender and Conversion Narratives in the Nineteenth Century** Kirsten Rüther, Angelika Schaser, 2016-03-03 Addressing an important social and political issue which is still much debated today this volume explores the connections between religious conversions and gendered identity against the backdrop of a world undergoing significant social transformations Adopting a collaborative approach to their research the authors explore the connections and differences in conversion experiences tracing the local and regional rootedness of individual conversions as reflected in conversion narratives in three different locations Germany and German missions in South Africa and colonial Australia at a time of massive social changes in the 1860s Beginning with the representation of religious experiences in so called conversion narratives the authors explore the social embeddedness of religious conversions and inquire how people related to their social surroundings and in particular to gender order and gender practices before during and after their conversion With a concluding reflective essay on comparative methods of history writing and transnational perspectives on conversion this book offers a fresh perspective on historical debates about religious change

gender and social relations      **A History of Christian Conversion** David W. Kling, 2020-05-05 Conversion has played a central role in the history of Christianity In this first in depth and wide ranging narrative history David Kling examines the dynamic of turning to the Christian faith by individuals families and people groups Global in reach the narrative progresses from early Christian beginnings in the Roman world to Christianity s expansion into Europe the Americas China India and Africa Conversion is often associated with a particular strand of modern Christianity evangelical and a particular type of experience sudden overwhelming However when examined over two millennia it emerges as a phenomenon far more complex than any one dimensional profile would suggest No single unitary paradigm defines conversion and no easily explicable process accounts for why people convert to Christianity Rather a multiplicity of factors historical personal social geographical theological psychological and cultural shape the converting process A History of Christian Conversion not only narrates the conversions of select individuals and peoples it also engages current theories and models to explain conversion and examines recurring themes in the conversion process divine presence gender and the body agency and motivation testimony and memory group and self identity authentic and nominal conversion and modes of communication Accessible to scholars students and those with a general interest in conversion Kling s book is the most satisfying and comprehensive account of conversion in Christian history to date this major work will become a standard must read in conversion studies

**Luther's First Front** Robert C. Croken, 1990 Since the Reformation in the sixteenth century one of the basic divisions between Catholics and Protestants has been the concept of the mystery of the Eucharist and its meaning to modern Man In this new study Robert C Croken tries to explain why Luther s view of the Eucharist is pivotal to ecumenical dialogue among Christians The sacrificial dimension of the Eucharist is one of the tenets Luther opposed although this basic theme has often been neglected in recent research This study focuses on Luther s rejection of the Eucharist as a sacrifice and a good work a major doctrinal shift from previous Catholic belief Explaining the historical origins of the debate Robert Croken shows the reader where the Roman Catholic and Lutheran churches have grown apart and where they have found agreement This book is a systematic study of Martin Luther s writings in the context of his break with Rome and will be of value to scholars and theologians of modern Christianity searching for common ground in ecumenical discussions      **Baptism in the Theology**

**of Martin Luther** Jonathan D. Trigg, 2021-12-06 Baptism in the Theology of Martin Luther satisfies the need for a comprehensive survey in English of Martin Luther on baptism The mature Luther was unstinting in praise of baptism How does his vigorously expressed sacramental understanding sit with his earlier reformation insights What is its impact upon justification faith conversion the Church The tensions and paradoxes are examined Analysis of formal doctrine is complemented by a picture of baptism in action culled mainly from the Lectures on Genesis Central is baptism s present tense its abiding force in the Christian s life ever available for an encounter with God His insistence that Christian progress is not onwards from baptism but a repeated return to it emerges from the heart of Luther s thought It is one of his most

distinctive and important bequests to the Church

**Conversions** Craig Harline, 2011-09-15 The experiences of two families one in seventeenth century Holland the other in America today and how they coped when a family member changed religions This powerful and innovative work by a gifted cultural historian explores the effects of religious conversion on family relationships showing how the challenges of the Reformation can offer insight to families facing similarly divisive situations today Craig Harline begins with the story of young Jacob Rolandus the son of a Dutch Reformed preacher who converted to Catholicism in 1654 and ran away from home causing his family to disown him In the companion story Michael Sunbloom a young American leaves his family's religion in 1973 to convert to Mormonism similarly upsetting his distraught parents The modern twist to Michael's story is his realization that he is gay causing him to leave his new church and upsetting his parents again but this time the family reconciles Recounting these stories in short alternating chapters Harline underscores the parallel aspects of the two far flung families Despite different outcomes and forms their situations involve nearly identical dynamics and heart wrenching choices Through the author's deeply informed imagination the experiences of a seventeenth century European family are transformed into immediately recognizable terms A beautiful and moving book Harline is a master at narrative and at making the most painstaking research look effortless Carlos Eire Yale University An absorbing creative book it will definitely become a go to book for readers interested in the history and psychology of conversion Lauren Winner author of *Girl Meets God: A Memoir* An unexpected joy A compelling insightful examination *Conversions* is a journey well worth taking Gerald S Argetsinger Affirmation.org

*A Companion to German Pietism, 1660-1800* Douglas Shantz, 2014-11-06 *A Companion to German Pietism* offers an introduction to recent Pietism scholarship on both sides of the Atlantic in German Dutch and English The focus is upon early modern German Pietism a movement that arose in the late 17th century German Empire within both Reformed and Lutheran traditions It introduced a new paradigm to German Protestantism that included personal renewal new birth women dominated conventicles and millennialism The Introduction offers a concise overview of modern research into German Pietism The Companion is then organized according to the different worlds of Pietist existence intellectual devotional literary cultural and social political

**Beginning Well** Gordon T. Smith, 2001-08-17 Gordon T. Smith contends that a chief cause of spiritual immaturity in the evangelical church is an inadequate theology of conversion Surveying Scripture spiritual autobiographies and a broad range of theologies of conversion he seeks to foster in the Christian community a dynamic language of conversion that leads to spiritual transformation and mature Christian living

*Conversion and the Politics of Religion in Early Modern Germany* German Studies Association. Conference, 2012 The Protestant and Catholic Reformations thrust the nature of conversion into the center of debate and politicking over religion as authorities and subjects imbued religious confession with novel meanings during the early modern era The volume offers insights into the historicity of the very concept of conversion One widely accepted modern notion of the phenomenon simply expresses denominational change Yet this concept had no bearing at the

outset of the Reformation Instead a variety of processes such as the consolidation of territories along confessional lines attempts to ensure civic concord and diplomatic quarrels helped to usher in new ideas about the nature of religious boundaries and therefore conversion However conceptualized religious change conversion had deep social and political implications for early modern German states and societies *Systematic Theology, Volume 2, Second Edition* James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary **Reading Shakespeare's Will** Lisa Freinkel, 2002 The most influential treatments of Shakespeare's Sonnets have ignored the impact of theology on his poetics examining instead the poet's secular emphasis on psychology and subjectivity Reading Shakespeare's Will offers the first systematic account of the theology behind the poetry Investigating the poetic stakes of Christianity's efforts to assimilate Jewish scripture the book reads Shakespeare through the history of Christian allegory To read Shakespeare's will Freinkel argues is to read his bequest to and from a literary history saturated by religious doctrine Freinkel thus challenges the common equation of subjectivity with secularity and defines Shakespeare's poetic voice in theological rather than psychoanalytic terms Tracing from Augustine to Luther the religious legacy that informs Shakespeare's work Freinkel suggests that we cannot properly understand his poetry without recognizing it as a response to Luther's Reformation Delving into the valences and repercussions of this response Reading Shakespeare's Will charts the notion of a theology of figure that helped to shape the themes tropes and formal structures of Renaissance literature and thought Systematic Theology

Volume 2, Second Edition James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

**Trinitarian Grace in Martin Luther's the Bondage of the Will** Miikka Ruokanen, 2021 Miikka Ruokanen is Professor Emeritus of Dogmatics at the University of Helsinki Finland and Professor of Systematic Theology at Nanjing Union Theological Seminary China He is also Guest Professor at the Renmin University of China Beijing and Advisory Professor at Fudan University Shanghai His publications include The Catholic Doctrine of Non Christian Religions According to the Second Vatican Council Brill 1992 Theology of Social Life in Augustine's De civitate Dei Vandenhoeck et Ruprecht 1993 and Christianity and Chinese Culture co edited with Paulos Huang Eerdmans 2010

**Evangelism in an Age of Despair** Andrew Root, 2025-03-11 Evangelism is a contested even conflicted word But churches are declining in numbers and resources What if we aren't thinking about evangelism in the right way culturally or theologically This book contextualizes evangelism in our late modern times and reimagines what the call to outreach means in today's world Our sad times are made sadder by the realization that our all out pursuit of happiness has made us stressed anxious lonely and depressed says leading practical theologian Andrew Root The French thinker Michel de Montaigne taught us to focus on making ourselves happy but Blaise Pascal pointed out that we are creatures of soul as much as self so happiness does not satisfy Root offers a vision for how a theology of consolation can shape a hopeful approach to evangelism We all need consolation others to care for us in our sadness if we can find such a minister and lean into our sorrow we will find the presence of Jesus Christ Root

uses a fictional church to show rather than tell us how consolation evangelism works For support he looks to the ministries of Gregory of Nyssa and his sister Macrina Jean Gerson Johann von Staupitz and Martin Luther who all contend that consolation is central to our transformation into the life of God     The European Reformation Euan Cameron,2012-03 A fully revised and updated version of this authoritative account of the birth of the Protestant traditions in sixteenth century Europe providing a clear and comprehensive narrative of these complex and many stranded events     *Tolstoy and the Religious Culture of His Time* Inessa Medzhibovskaya,2009-07-15 The first book length study on the subject in any language Tolstoy and the Religious Culture of His Time treats Tolstoy s experience as a massive philosophical and religious project rather than a crisis laden tragedy Inessa Medzhibovskaya explains the evolution of Tolstoy s religious outlook based on his ongoing dialogue with the tradition of conversion in Europe and Russia as well as on the demands of his own heart mind and spirit The author contextualizes Tolstoy s conversion comparing his pattern of religious conversion with that of other notable religious converts Saint Paul Saint Augustine Luther Pascal Rousseau as well with that of Tolstoy s countrymen Pushkin Gogol Chaadaev Stankevich Belinsky Herzen and Dostoevsky Stressing the importance of the religious culture of his time for Tolstoy this study investigates the nineteenth century debates that inspired and repelled Tolstoy as he weighed arguments for or against faith in his dialogues with the culture of his time covering widely differing fields and disciplines of experimental knowledge The author considers German Romantic philosophy the natural sciences pragmatist religious solutions theories of social progress and evolution and the historical school of Christianity Medzhibovskaya stresses the fact that influential intellectual currents were as important to Tolstoy as believers and nonbelievers were from and beyond his immediate environment The author argues that in this sense Tolstoy s conversion emerges as deeply intertextual and this surprising discovery should not diminish our trust in Tolstoy s sincerity during his religious evolution which occurred both spontaneously as well as deliberately The polyphony of discreet spiritual moments that Tolstoy created by fusing in his narratives of conversion religious and artistic realms is arguably his greatest contribution to spiritual autobiography

**Historical Dictionary of the Reformation and Counter-Reformation** Michael Mullett,2010-04-30 The Protestant Reformation of the 16th century has traditionally been viewed as marking the onset of modernity in Europe It finally broke up the federal Christendom of the middle ages under the leadership of the papacy and substituted for it a continent of autonomous and national states independent of Rome The Historical Dictionary of the Reformation and Counter Reformation provides a comprehensive account of two chains of events the Protestant Reformation and the Catholic Counter Reformation that have left an enduring imprint on Europe America and the world at large This is done through a chronology an introductory essay a bibliography and over 300 cross referenced dictionary entries on persons places countries institutions doctrines ideas and events
