Making It Big With God:

Making it Big with God David Warnke, 1969 **Who Made God?** Larry Libby, 2010-11-23 Remember when you were a child and the things you wondered about God Kids are no different today They have questions about God that seem to have no logical explanation but best selling author Larry Libby offers sensitive biblically based answers to difficult questions Filled with warm heartwarming illustrations that create a comforting atmosphere for talking with children about their deep questions about God Who Made God provides a special time of sharing with your child Help your child discover answers about the One who loves us most of all our Heavenly Father **Making a Good Church Great** Steve Sjogren, 2010-02-25 Bestselling author Steve Sjogren untangles the complex jumble commonly known as greatness in today's megachurch mega everything world As a successful pastor he launched the servant evangelism movement but along the way he discovered that significance was not where or what he thought it would be Now in a very practical book he focuses on genuine greatness Is it the size of the sanctuary The number of new believers baptized each year The youth attendance The quantity of bestselling books the pastor has written The list of television shows radio shows or podcasts the pastors appears on Or is it something more What is the buzz on good churches that become great in God's eyes Sjogren argues that greatness is not a point at which you arrive rather it is an ongoing process of worshipping serving and living in God's presence It not a slick program rather it is a family a hospital an army and a school When God is present his people are empowered When God empowers his people a good church becomes great Big Problems, Bigger God Steve Smothermon, 2015-10-01 Are you or someone you love in a world of hurt right now You may be facing challenging circumstances intense pain crushing disappointment or silent regrets But you don't have to fold You don't have to resign yourself to defeat You can find help and encouragement to get through the tough parts to clarify the truth about your life to replace self sabotaging behaviors to discover areas where you need a change of heart or perspective And here's the promise As you keep moving forward through adversity you'll discover the greatness and the grace of God Because you'll realize how truly great and gracious he is only when you endure hard times and emerge on the other side Big Problems Bigger God is your no holds barred guide to difficult challenges and the hope they can produce as you walk with God through them **Little Strength, Big God** Debbie W. Wilson, 2023-09-05 Discover timeless truths to slay your giants Like the faithful in Hebrews 11 you can become mighty in battle Loss and intimidation are not new to God's people What if you had to choose between Drowning your baby or letting your worst enemy raise him Bowing before an idol or being thrown into a fiery furnace Compromising your convictions or being tossed to the lions Living in fear or leading ill equipped volunteers against an intimidating enemy The believers who faced these decisions felt their limitations Yet they found strength in the Lord You can too Using the men and women highlighted in the last half of Hebrews 11 Little Strength Big God will help you turn your weaknesses into strengths to accomplish God's purpose in your life When trouble attacks you don't need a bigger God you need clearer vision Discover the transforming power of a God

power and goodness of God that leads us to make good decisions and allows us to surrender our lives to him As we strive to mature spiritually and lead lives pleasing to God we all want more faith Hebrews 6 12 says that we are to be imitators of those who through faith and patience inherit the promises One of the best ways to grow in faith is to imitate the lives of people who have shown great faith Hebrews 11 guides us through the lives of men and women like Abel Enoch Noah Abraham Sarah Moses Rahab David and others who have done just that Real people with real lives and real problems who had faith in a great God and trusted him at pivotal moments in their lives By drawing on some of the greatest lives of faith in the Bible readers will come to see that God was worthy of these men s and women s trust and faith during biblical times in the same way that he is worthy of ours today **God Made Me** Zach Alexander,2017-07-12 My oldest child Alex came home from school one day upset that all the children at his school were a different color than him He lay on the floor of our house sad and almost crying I tried to explain to him that there were lots of different colors at his school but he persisted that he was the only one of his color He seemed to be ashamed of himself So I looked to my faith in God and explored the biblical teaching about why we are all different colors **Trusting God's Timing** Steven Stoffelsen,2017-01-17 Many times Christians excitedly receive a promise or vision from God From that moment forward they want to tell the whole world what God is going to do in and through them It s so exciting to have a promise from God The Bible says Where there is no vision the people perish Proverbs 29 18 But when God gives us a promise or vision it takes time to see it fulfilled Rarely is the vision for tomorrow or even the next year It s for a certain time set by God He shows it to you early but He still wants to prepare you for the journey ahead Many Christians get discouraged during this process and walk away from God But so many people in the Bible like Abraham Joseph and David had to go through years of preparation before they saw their visions fulfilled They waited a long time probably longer than most of us Be encouraged and don t let a thing called time destroy you before you even start God is for you and what He s promised He will bring to pass *Making Life-Changing Decisions* Victor Chukwu,2023-04-17 Are you feeling lost amid life s endless distractions and competing voices Do you struggle to make life changing decisions that align with your dreams and values If so you re not alone In today s fast paced world staying true to yourself and following the path that s meant for you can be challenging But fear not this inspiring and compelling book is a beacon of hope and guidance In *Making Life Changing Decisions* the author takes you on a transformative journey to help you discover your purpose and seek God s will for your life Through personal stories and practical advice this book offers a roadmap to navigate the twists and turns of daily living and decision making It shares valuable insights on dreaming big pursuing excellence waiting on God s timing and maintaining faith in uncertainty You will discover the power of making firm decisions and staying focused on your goals even when the road ahead seems daunting Whether you re standing at a crossroads in your career relationships or personal life this book s timeless wisdom can help you make confident choices take bold steps toward your dreams unlock your true potential and live a life that honors God **Following King Jesus** Scot

against competing theological and philosophical perspectives As a result very little constructive work has been done on the interconnections between Open Theism and the natural sciences Given the central place of sciences in today s world any perspective that hopes to have a broad impact must necessarily address such disciplines in a sustained and constructive manner To date such engagements from the Openness perspective have been rare God in an Open Universe addresses this deficiency This book demonstrates that Open Theism makes a distinctive and highly fruitful contribution to the conversation and constructive work occurring between philosophy theology and the sciences The various essays explore subjects ranging from physics to prayer from special relativity to divine providence from metaphysics to evolution and from space time to God All who work at the intersection of theology and the sciences will benefit greatly from these essays that break new ground in this important conversation
