## **Making Marriage Meaningful Insights And Secrets From A Forty Year Marriage:**

*Making Marriage Meaningful* Robert Samms Ph D,2005-08 Have you ever pondered why some troubled marriages succeed while other seemingly fairytale marriages flounder and fail According to Dr Robert O A Samms the key to a successful marriage is not the absence of conflicts or problems but rather the presence of the appropriate strategies to resolve them In *Making Marriage Meaningful* Dr Samms examines the dynamic inner workings of a modern family to determine its strengths and weaknesses as well as its successes and failures All of these elements must be analyzed in order to improve a marriage The real life situations described in the book also give those couples contemplating marriage some very sound principles to ponder *Making Marriage Meaningful* suggests practical workable strategies for couples in troubled marriages and for happily married couples seeking a greater understanding of the marital relationship The book is also helpful for single separated and divorced people who want to avoid problems in their present or future relationships and who desire to tweak their passion for success Dr Samms includes his personal public and private views on topics such as Commitment Compromise Children Communication Sex Spirituality and much more Based on Dr Samms s own forty year marriage and his comprehensive research *Making Marriage Meaningful* provides realistic strategies for making your marriage successful

**Family Worship** John D. Garr,2013-12-04 *Family Worship* offers solid solutions to the increasingly dysfunctional family in today s secularized society and it provides constructive suggestions to those who want to reestablish their homes on biblical foundations The Hebraic foundations fo the Christain faith establish the home as a small temple This insight dramatically changes the dynamics of the home for those who believe in the God of the Bible and in his will for their lives The Christian family was always designed by God to be the center for social educational and spiritual growth and maturity a place of fellowshwip study and prayer Now you too can experience these same powerful dynamics that made the home the center of sanctity and security that it was for the biblical peoples *Family Worship* presents these vivid images of a rich biblically Hebraic tradition for Christians today *The Domestic Temple A Temple of Blessing The Family Altar A House of Prayer A House of Study Temples in Time The Domestic Priesthood and The Domestic Church* As you read this book you ll be amazed at how your own family life will be revolutionized and enriched simply by restoring biblically Hebraic dynamics to your home

*Coequal aand Counterbalanced* John D. Garr,2013-01-16 God created woman and man so that they would be consubstantial and coequal and that they would manifest perfectly

counterbalanced complementarity The relationship of the two halves of humanity was to be one of love mutuality and fulfillment By recovering the Hebraic understanding of God s blueprint for them both women and men can finally experience the relationship that God designed to be heaven on earth The God Designed Two in One Coequal Counterbalanced Partnership Designer Fashioned Woman Gender Self Identity and Self Fulfillment Spare Ribs and Afterthoughts Marriage as Heaven on Earth Whatever your race ethnicity gender faith or social status this book and the other volumes in this series will literally set you free from misconceptions that have long perverted relationships between women and men As you reconnect with the Hebraic foundations of your faith you will rediscover God s original design for humanity and you will come to understand respect and honor the different God designed distinctives preferences and roles for women and men that counterbalance and complement each other in mutuality and love **God, Humanity, and History** Robert

Chazan,2000-08-09 Although closely focused on the remarkable Hebrew First Crusade narratives Robert Chazan s new interpretation of these texts is anything but narrow as his title God Humanity and History strongly suggests The three surviving Hebrew accounts of the crusaders devastating assaults on Rhineland Jewish communities during the spring of 1096 have been examined at length but only now can we appreciate the extent to which they represent their turbulent times After a close analysis of the texts themselves Chazan addresses the objectives of the three narratives He compares these accounts with earlier Jewish history writing and with contemporary crusade historiography It is in their disjuncture with past forms of Jewish historical narration and their amazing parallels with Latin crusade narratives that the Hebrew narratives are most revealing We see how they reflect the embeddedness of early Ashkenazic Jewry in the vibrant atmosphere of late eleventh and early twelfth century northern Europe **New York Magazine** ,1986-05-12 New York magazine was born in 1968 after
