## **Making Classroom Assessment Work:**

*Making Classroom Assessment Work* Anne Davies, 2000      *Everyday Assessment in the Science Classroom* National Science Teachers Association, 2003 The second in NSTA's Science Educators' Essay Collection *Everyday Assessment* is designed to build confidence and enhance every teacher's ability to embed assessment into daily classwork The book's insights will help make assessment a dynamic classroom process of fine tuning how and what you teach      Leading the Way to Making Classroom Assessment Work Anne Davies, Sandra Herbst-Luedtke, Beth Parrott Reynolds, 2008      Intelligent Leadership John M. Burger, Charles F. Webber, Patricia Klinck, 2007-08-16 Effective educational leadership while highly contextualized is more and more recognized as a crucial input and process variable that determines to a very large extent the outcomes for educational organizations This book pulls together the thinking of 16 educators with diverse backgrounds and experiences all of whom hold keen interests in harnessing the forces that can improve educational opportunity for students Becoming an effective education leader requires more than a passing knowledge of leadership theory it also requires knowledge of what works in education and an on going commitment to thinking about how leadership dynamics and pedagogical theory intersect within contextual realities *Intelligent Leadership* Constructs for Thinking Education Leaders is intended to stimulate the thinking of every educator who aspires to influence decision making and to provide direction to their school district or institution      Susan Udelhofen, 2014-04-25 Discover your road map for creating a curriculum based on the Common Core State Standards Explore various stages of curriculum development from the preliminary work of building academic support to creating Common Core curriculum maps and tracking school improvement goals Learn to effectively share information during the curriculum building process and engage in significant collaborative conversations around the curriculum      Ahead of the Curve Douglas B. Reeves, 2009-11-01 This anthology brings the ideas and recommendations of many of the world's education leaders into one resource that illustrates the many perspectives on effective assessment design and implementation From involving students in the assessment process to ensuring accuracy and applying assessments to English learners and students with special needs you will find compelling insights and proven strategies      **Taking the PYP Forward** Simon Davidson, Steven Carber, 2020-08-03 The International Baccalaureate Primary Years Programme stands in a proud tradition of reflective educators incorporating best practice into international schools For the PYP to maintain relevance in education today inquiry has to be rethought refreshed and reapplied *Taking the PYP Forward* does exactly that Raising many questions and recognising the new challenges facing educators this collaborative work brings together voices from both within and outside of the PYP      **Ethics for School Leaders** Dan Mahoney, 2022-09-14 *Ethics for School Leaders* The Human Condition and Organizational Dynamics is about the complex role of formal and informal leaders in schools It presents multiple perspectives to enhance comprehension of the organizational and psychological dynamics that come into play when school leaders those with authority and those without authority are

faced with ethically challenging situations In addition to a tour of leadership theories organizational dynamics psychological dynamics and ethical perspectives the case studies in this book weave together aspects of people s emotional make up cognitive framework and past experiences to illustrate how school leaders use reason and emotion to make complex connections between their inner lives and the demands of their profession This book identifies specific examples of ways school leaders can enhance ethical practice at the organizational level as well as how to focus on the things they can do personally and interpersonally to improve their work as school leaders in order to make lives better for all of the people they serve By integrating various approaches to the study of the leadership process this book makes an important contribution to fields of leadership studies and professional ethics
