Making democracy work Robert PUTNAM, 1992      **Reseña de "Making Democracy Work. Civic Traditions in Modern Italy" de Robert Putnam** Claudia Maldonado Trujillo, 2000      **Family Background Influence on Romanian's [sic] Youth Voting Behaviour** Corina Moruțan, 2009      Making Social Capital Work Carles Boix, Daniel N. Posner, 1996      Lost in Translation Kateryna Pishchikova, 2006      State Building and Development Arta Ante, 2010 In the case of Kosovo in addition to the examination of the structures this study examines the role of actors participating in these processes local and international actors and their potential alliances coalitions and conflicts Beyond these concerns the aspect of security especially the rule of law is to be considered as the main precondition for undertaking any action in the aforementioned domains From the theoretical methodical perspective this work falls under the category of Policy Analysis

Civil Society and the Search for Justice in Russia Christopher Marsh, Nikolas K. Gvosdev, 2002-01-01 More than a decade has passed since path breaking policies aimed at liberalizing post Soviet society were first introduced in Russia Today these promises of freedom equality and justice remain largely unfulfilled and Russia's political system continues to exhibit signs of the deep rooted problems that may well retard if not completely derail any possibility of future reform Against this stark background Civil Society and the Search for Justice in Russia explores the various dimensions of Russia's civil society the meaning of and search for justice the role of the Orthodox church as a principal unifier in civil society the need for new

freedoms for women and ethnic minorities and the role of mass education and the free press in inculcating and articulating new civic values Expertly blending the historical with the theoretical the recent with the empirical this work offers new insight and analysis into the ability of a nascent Russian civil society to engage effectively with the twenty first century Russian state to ensure social religious and political justice

**How Did Britain Come to This?** Gwyn Bevan,2023-10-23 If every system is perfectly designed to get the results it gets what is wrong with the design of the systems that govern Britain And how have they resulted in failures in housing privatisation outsourcing education and healthcare In *How Did Britain Come to This* Gwyn Bevan examines a century of varieties of systemic failures in the British state The book begins and ends by showing how systems of governance explain scandals in NHS hospitals and the failures and successes of the UK and Germany in responding to Covid 19 before and after vaccines became available The book compares geographical fault lines and inequalities in Britain with those that have developed in other European countries and argues that the causes of Britain s entrenched inequalities are consequences of shifts in systems of governance over the past century Clement Attlee s postwar government aimed to remedy the failings of the prewar minimal state while Margaret Thatcher s governments in the 1980s in turn sought to remedy the failings of Attlee s planned state by developing the marketised state which morphed into the financialised state we see today This analysis highlights the urgent need for a new political settlement of an enabling state that tackles current systemic weaknesses from market failures and over centralisation This book offers an accessible analytic account of government failures of the past century and is essential reading for anyone who wants to make an informed contribution to what an innovative capable state might look like in a post pandemic world

*Worlds Apart* Cynthia M. Duncan,2015-01-13 First published in 1999 *Worlds Apart* examined the nature of poverty through the stories of real people in three remote rural areas of the United States New England Appalachia and the Mississippi Delta In this new edition Duncan returns to her original research interviewing some of the same people as well as some new key informants Duncan provides

powerful new insights into the dynamics of poverty politics and community change Duncan through in depth investigation and interviews concludes that only a strong civic culture a sense among citizens of community and the need to serve that community can truly address poverty Moving and troubling Duncan has created a remarkable study of the persistent patterns of poverty and power Kirkus Reviews The descriptions of rural poverty in Worlds Apart are interesting and read almost like a novel Choice

**A Century in Books** Princeton University Press Staff,2021-10-12 It all began atop a drugstore in Princeton New Jersey in November 1905 From its modest beginnings Princeton University Press was to become one of the world s most important scholarly publishers embracing a wealth of disciplines that have enriched our cultural academic and scientific landscape Both as a tribute to our authors and to celebrate our centenary Princeton University Press here presents A Century in Books This beautifully designed volume highlights 100 of the nearly 8 000 books we have published Necessarily winnowed from a much larger list these books best typify what has been most lasting most defining and most distinctive about our publishing history from Einstein s The Meaning of Relativity 1922 to the numerous mathematical and other works that marked the Press s watershed decade of the 1940s including von Neumann and Morgenstern s Theory of Games and Economic Behavior from milestones of literary criticism by Erich Auerbach and Northrop Frye to George Kennan s Pulitzer Prize winning book on Soviet American relations from Milton Friedman and Anna Jacobson Schwartz s A Monetary History of the United States 1867 1960 to more recent landmarks such as L Luca Cavalli Sforza Paolo Menozzi and Alberto Piazza s The History and Geography of Human Genes and Robert Shiller s Irrational Exuberance In addition to succinct descriptions of the 100 titles and a short introduction on the history of the Press the book features five essays by prominent scholars and writers Michael Wood discusses the impact on Princeton University Press of intellectuals who fled Nazi Germany and authored many influential books Anthony Grafton recounts our rich publishing tradition in history politics and culture Sylvia Nasar traces our evolution into a leading voice in economics publishing Daniel Kevles reflects on Einstein a figure of special importance to Princeton And Lord Robert May writes on our long standing tradition of publishing in mathematics and science A Century in Books is more than a celebration of 100 years of publishing at Princeton University Press it is a treasure trove of 100 years of books that have added to the richness of twentieth century intellectual life

**Generating Social Capital** M. Hooghe,D. Stolle,2003-05-15 Social capital networks of civic engagements norms of reciprocity and attitudes of trust is widely seen as playing a key role for the health of democracy While many authors have examined the consequences of social capital there is a pressing need to explore its sources This collection brings together leading American and European scholars in the first comparative analysis of how social trust and other civic attitudes are generated The contributors to this volume examine the generation of social capital from two directions society based approaches that emphasize voluntary associations and institutional approaches that emphasize policy

**Comparative Politics** Daniele Caramani,2008 Comparative Politics provides a comprehensive introduction to political systems around the world It covers methods and theories the nation state

institutions actors and processes policies and recent changes      *Democratization in the Third World* Lars Rudebeck, Olle Törnquist, Virgilio Rojas, 2016-07-27 Democratization in the Third World addresses many current issues of development democratization and civil society in countries in Asia Africa and Latin America against the background of theoretical introductions and comparisons with the Swedish historical experience of democratisations The authors from seven different continents examine civil society and its relation to the state throughout the world and assess prospects for sustainable democratization

**Principles of Comparative Politics** William Roberts Clark, Matt Golder, Sona Nadenichek Golder, 2017-02-23 Principles of Comparative Politics offers the most comprehensive and up to date introduction to comparative inquiry research and scholarship In this thoroughly revised Third Edition students now have an even better guide to cross national comparison and why it matters The new edition retains a focus on the enduring questions with which scholars grapple the issues about which consensus has started to emerge and the tools comparativists use to get at the complex problems in the field Among other things the updates to this edition include a thoroughly revised chapter on dictatorships that incorporates a discussion of the two fundamental problems of authoritarian rule authoritarian power sharing and authoritarian control a revised chapter on culture and democracy that includes a more extensive examination of cultural modernization theory and a new overview of survey methods for addressing sensitive topics a new section on issues related to electoral integrity an expanded assessment of different forms of representation and a new intuitive take on statistical analyses that provides a clearer explanation of how to interpret regression results Examples from the gender and politics literature have been incorporated into various chapters the Problems sections at the end of each chapter have been expanded and the empirical examples and data on various types of institutions have been updated Online videos and tutorials are available to address some of the more methodological components discussed in the book The authors have thoughtfully streamlined chapters to better focus attention on key topics

**Russia Reverts to Muscovy** Stefan Hedlund, 2025-02-03 Russia Reverts to Muscovy explores the implications of removing the notion of Russia from political and scholarly discourse The book posits the following questions Should the state ruled from Moscow be termed Russia Might not Muscovy be more appropriate It reflects on how academia has conceptualized developments among the Eastern Slavs over the centuries from the early days of Muscovy up until the present day Russian Federation with the result that by consistently viewing events through a Moscow lens the West has been instrumental in supporting Muscovite claims to hegemony and thus in allowing Moscow to play an outsized role not only in the region but also in global geopolitics This book highlights the more recent developments of the Muscovite state and the increasingly hollow nature of the claims of the Russian Federation to represent all of Russia Exploring how the Eastern Slav world could be conceptualized differently and how this world might develop in reality this book will be of interest to researchers in International Relations Ethnic Studies Political Science and Central Asian Russian and Soviet Politics

**Elgar Encyclopedia of Political Sociology** Maria Grasso, Marco

Giugni,2023-12-11 This comprehensive and authoritative Encyclopedia featuring entries written by academic experts in the field explores the diverse topics within the discipline of political sociology By looking at both macro and micro components questions relating to nation states political institutions and their development and the sources of social and political change such as social movements and other forms of contentious politics are raised and critically analysed      **Social Capital and Participation in Everyday Life** Paul Dekker, Eric M. Uslaner, 2003-12-16 This timely volume puts emphasis on the effect of social capital on everyday life how the routines of daily life lead people to get involved in their communities Focussing on its micro level causes and consequences the book's international contributors argue that social capital is fundamentally concerned with the value of social networks and about how people interact with each other The book suggests that different modes of participation have different consequences for creating or destroying a sense of community or participation The diversity of countries institutions and groups dealt with from Indian castes to Dutch churches from highly competent everyday makers in Scandinavia to politics avoiding Belgian women and Irish villagers offers fascinating case studies and theoretical reflections for the present debates about civil society and democracy
