Marriage Of Heaven And Hell A Facsimile In Full Color:

The Marriage of Heaven and Hell William Blake, 1994-01-01 This vivid facsimile of Blake's romantic and revolutionary publication offers a concise expression of his essential wisdom and philosophy. His distinctive hand lettered text is accompanied by 27 color plates of his stirring illustrations. *A Blake Bibliography* Gerald Eades Bentley, Martin K. Nurmi, 1964-01-01 A Blake Bibliography was first published in 1964. Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions. The aim of this book is to list every reference to William Blake published between 1757 and 1863 and every criticism and edition of his works from the beginning to the present. Partly because of the deluge of scholarship in the last forty years it includes perhaps twice as many titles as Sir Geoffrey Keynes's great bibliography of 1921. An introductory essay on the history of Blake scholarship puts the most significant works into perspective, indicates the best work that has been done and points to some neglected areas. In addition, all the most important references and many of the less significant ones are briefly annotated as to subject and value. Because many of the works are difficult to locate, specimen copies of all works published before 1831 have been traced to specific libraries. Each of Blake's manuscripts is also traced to its present owner. Two areas which have received relatively novel attention are early references to Blake before 1863 and important sale and exhibition catalogues of his works. In both areas there are significant numbers of important entries which have not been noticed before by Blake scholars. The section on Blake's engravings for commercial works receives especially detailed treatment. A few of the titles listed here have not been described previously in connection with Blake. *Blake's Illustrations for the Book of Job* William Blake, 1995-01-01 21 watercolors interpreting the great biblical book and its theme of unmerited suffering. Also presented here are 11 additional watercolors plus 28 black and white illustrations including 21 extraordinary engravings based on the watercolors. *Great Woodcuts of Albrecht Dürer* Albrecht Dürer, 2013-01-18 Comprising images both sacred and secular, this modestly priced collection of works by the master of woodcut designs features 94 black and white illustrations with brief captions that include titles and dates. **The Spirit Transcendent** Mark F. Yama, 2020-04-10 What are we to make of direct spiritual experience? Of accounts of going to heaven or meeting angels? Traditional science would call these hallucinations or delusions. Clinical psychologist Dr Mark Yama argues the opposite. Through interviews with his patients he shows that underneath the visions and experiences there is a unifying spiritual reality apart from the material world. One of the stories recounted in this book is the experience of a woman who could see the future. In a spiritual transport she was taken to heaven where truths were revealed to her that she later discovered were already written in Gnostic scripture. Another woman lived a life marked by a spiritual sensitivity that defied materialist explanation. After she passed away of cancer she came to inhabit the consciousness of another of Dr Yama's patients in the form of a benign possession. These stories and many others argue for a deeper reality that places spirituality on an equal footing with the material world.
