Marriage Money The Social Shaping Of Money In Marriage And Banking:

Marriage Money Supriya Singh, 1997 Most of us think of money in the abstract as money operating in the financial market Singh approaches money as a social phenomenon arguing that it is qualitatively different in marriage family businesses and banking *Money in a Human Economy* Keith Hart's, 2017-06-01 A human economy puts people first in emergent world society Money is a human universal and now takes the divisive form of capitalism This book addresses how to think about money from Aristotle to the daily news and the sexual economy of luxury goods its contemporary evolution banking the unbanked and remittances in the South cross border investment in China the payments industry and the politics of bitcoin and cases from 19th century India and Southern Africa to contemporary Haiti and Argentina Money is one idea with diverse forms As national monopoly currencies give way to regional and global federalism money is a key to achieving economic democracy Modern Couples Sharing Money, Sharing Life Janet Stocks, Björn Halleröd, 2007-07-12 This collection is the result of a five year long collaboration of sociologists in Sweden Spain and the United States In depth extended interviews with couples explore their daily lives and provide insights into the impact of modernity gender roles and expectations of the meaning of money and the complex financial reality of households **Globalization and Money** Supriya Singh, 2013-10-03 Globalization and Money explores how men and women particularly the poor and the unbanked in the global South use money in ways that empower themselves and their families Supriya Singh argues that money as a medium of relationships across cultures is a central component of globalization She deftly weaves theory and individual stories to show how money is emblematic of interconnected markets the half of the world that is unbanked and gender disparities She shows how men's and women's banking patterns are tied to their management of money in the household Migrants send money home to show they care for their families and communities left behind Yet these remittances are far from symbolic instead they represent more than three times the total amount of official development assistance This book illustrates how many of the most exciting changes in harnessing people's savings widening credit and insurance and lowering the cost of technologies payments and money transfers are taking place in Africa Asia and Latin America Singh demonstrates how strategies to help the poor and marginalized have gone global in South South conversations making us rethink the contours of globalization and money **Money, Migration, and Family** Supriya Singh, 2016-09-23 This book tells the story of nearly five decades of Indian migration to Australia from the late 1960s to 2015 through the eyes of migrants and their families Firstly there is the marked increase of Indian migrants shifting from the earlier professionals to a dominance of student migrants The India born in Australia are the fourth largest overseas born group Secondly remittances flow two ways in families between Australia and India Thirdly family communication across borders has become instantaneous and frequent changing the experience of migration family and money Fourthly mobility replaces the earlier assumption of settlement Recent migrants hope to settle but the large group who have come to study face a long period of precarious mobility Lastly

recent migrants re imagine the joint family in Australia buying homes to accommodate siblings and parents This is changing the contours of some major cities in Australia
