

A portrait of Martyn Lloyd-Jones, an elderly man with white hair, wearing a dark clerical robe over a white shirt and a patterned tie. He is seated and looking directly at the camera with a serious expression. The background is dark and out of focus, showing what appears to be a bookshelf with several books.

Lawson, 2016 From the pulpit at Westminster Chapel in London Dr Martyn Lloyd Jones set a new standard for faithful and passionate preaching a standard that continues to be relevant today Lloyd Jones was a physician by training and had begun a promising career in medicine before sensing an irresistible call to preach Surrounded by theological liberalism he began a pulpit ministry that would exert profound influence on both sides of the Atlantic *Martyn Lloyd-Jones, Preacher* John Peters, 1986 *Preaching and Preachers* D. Martin Lloyd-Jones, 1972-03-03 In *Preaching and Preachers* the author states unapologetically his attitudes about his role in the church and explains his methodology all the while addressing various problems and questions that have been put to him [Engaging with Martyn Lloyd-Jones](#) Andrew Atherstone and David Ceri Jones, 2011 The figure of D Martyn Lloyd Jones 1899-1981 dominates the history of British evangelicalism in the twentieth century As perhaps the greatest non-conformist statesman of his generation the Doctor is best known as a preacher and mentor of young preachers From the pulpit of Westminster Chapel in London and other platforms he called the evangelical movement back to a robust reformed Christianity with a passion for biblical conviction and Spirit-empowered revival His impact upon evangelicalism was immense and his legacy remains deeply influential By building on and engaging with the work of earlier biographers and theologians this valuable collection of new studies seeks to advance our understanding of Lloyd Jones' life and legacy in a number of fresh directions The topics covered are the interwar Calvinist resurgence Wales revival the charismatic controversy ministerial education fundamentalism Barth Rome the Anglican secession crisis and the
