Children's Literature for Health Awareness Anthony L. Manna, Cynthia Wolford Symons, 1992 Provides direction for educators health professionals librarians and parents in search of children's literature that addresses the health concerns needs and problems of children in kindergarten through 8th grade

Perils of Protection Susan Honeyman, 2018-12-18 Winner of the Children's Literature Association's 2020 Honor Book Award Unrecognized in the United States and resisted in many wealthy industrialized nations children's rights to participation and self determination are easily disregarded in the name of protection In literature the needs of children are often obscured by protectionist narratives which redirect attention to parents by mythologizing the supposed innocence victimization and vulnerability of children rather than potential agency In *Perils of Protection Shipwrecks Orphans and Children's Rights* author Susan Honeyman traces how the best of intentions to protect children can nonetheless hurt them when leaving them unprepared to act on their own behalf Honeyman utilizes literary parallels and discursive analysis to highlight the unchecked protectionism that has left minors

increasingly isolated in dwindling social units and vulnerable to multiple injustices made possible by eroded or unrecognized participatory rights Each chapter centers on a perilous pattern in a different context women and children first rescue hierarchies geographic restriction abandonment censorship and illness Analysis from adventures real and fictionalized will offer the reader high jinx and heroism at sea the rush of risk finding new families resisting censorship through discovering shared political identity and breaking the pretenses of sentimentality

Hope and Suffering Gretchen Krueger,2020-03-03 Gretchen Krueger's poignant narrative explores how doctors families and the public interpreted the experience of childhood cancer from the 1930s through the 1970s Pairing the transformation of childhood cancer from killer to curable disease with the personal experiences of young patients and their families Krueger illuminates the twin realities of hope and suffering In this social history each decade follows a family whose experience touches on key themes possible causes means and timing of detection the search for curative treatment the merit of alternative treatments the decisions to pursue or halt therapy the side effects of treatment death and dying and cure Recounting the complex and sometimes contentious interactions among the families of children with cancer medical researchers physicians advocacy organizations the media and policy makers Krueger reveals that personal odyssey and clinical challenge are the simultaneous realities of childhood cancer This engaging study will be of interest to historians medical practitioners and researchers and people whose lives have been altered by cancer

With Hope in My Heart Francois Mai,2022-11-07 Rarely do we see inside the life and mind of a psychiatrist but that's exactly what we get in With Hope in My Heart Musings of a Spirited Psychiatrist With candor and openness author Francois Mai shares how and why he ventured into psychiatry the lure of academia and his professional triumphs and troubles along the way Educated in Apartheid era South Africa Mai takes his clinical practice across five countries South Africa the United Kingdom Australia the US and Canada Inspired by his time and adventures in these places as well as his greatest influences psychiatrists William Sargant and George Engel this memoir is for a diverse audience Readers eager to learn more about the history of psychiatry and its contemporary problems will enjoy Mai's commentary and professional anecdotes Lovers of religion and spirituality contextualized in a secular society will appreciate the ways these intersect with Mai's professional and personal lives With Hope in My Heart is more than a psychiatrist's memoir It's a deeply intimate look into the life of a man who endures the death of a brother who had life long schizophrenia and himself had two life threatening medical diagnoses With themes of hope Mai navigates readers through tumultuous terrain of spirituality morality politics life and death

The Last Dance Lynne Ann DeSpelder,Albert Lee Strickland,1996 New edition of a basic text surveying attitudes cross cultural and historical perspectives socialization health care systems living with life threatening illness funerals and body disposition the experience of loss death in children's lives medical ethics the law suicide and concepts of i

"Save My Kid" Amanda M. Gengler,2020-01-21 A frank analysis of the medical and emotional inequalities that pervade the healthcare process for critically ill children Families who have a child with a life threatening

illness face a daunting road ahead of them one that not only upends their everyday lives but also strikes at the very heart of parenthood In *Save My Kid* Amanda M Gengler traces the emotional difficulties these families navigate as they confront a fundamentally unequal healthcare system in the United States Gengler reveals the unrecognized everyday inequalities tangled up in the process of seeking medical care showing how different families manage their children s critical illnesses She also uncovers the role that emotional goals deeply rooted in the culture of illness and medicine play in medical decision making healthcare interactions and the end of children s lives A deeply compassionate read *Save My Kid* is an inside look at inequality in healthcare among those with the most at stake [Cheering for the Children: Creating Pathways to HOPE for Children Exposed to Trauma](#) Casey Gwinn,2015-04-06 If we as a nation invested the money and time necessary to give every trauma exposed child a cheerleader we would empty our prisons and mental health facilities within two generations We would dramatically reduce intimate partner violence and see stunning drops in crime rates across all categories We have the resources and we know what to do It is only a question of our priorities and commitment *Cheering for the Children* is a clarion call to all caring people to become cheerleaders for children exposed to trauma and abuse Author Casey Gwinn former elected San Diego city attorney and a leading domestic violence professional explains why childhood trauma should be the preeminent public health issue in America today and how we can all help change the lives of children for the better In this compelling and well documented book Gwinn maps out the massive costs and lifelong consequences of unaddressed childhood trauma through the internationally recognized Adverse Childhood Experiences ACE Study and other critical research Then using his own personal journey through trauma lessons learned from leading experts across the country and poignant real life anecdotes from survivors he provides the big strategies and small practical steps that every parent grandparent mentor caring community member and policymaker can take to make a difference in the lives of their own children and the hurting children of America **Chronic Hope** Bonnie O'Neil,2021-01-12 *Chronic Hope* helps parents of children living with chronic disease gain practical wisdom for managing the emotional stress of raising a chronically ill child so they can navigate these challenges with grace courage and love *The Essential Guide to Children's Books and Their Creators* , Upon publication Anita Silvey s comprehensive survey of contemporary children s literature *Children s Books and Their Creators* garnered unanimous praise from librarians educators and specialists interested in the world of writing for children Now *The Essential Guide to Children s Books and Their Creators* assembles the best of that volume in one handy affordable reference geared specifically to parents educators and students This new volume introduces readers to the wealth of children s literature by focusing on the essentials the best books for children the ones that inform impress and most important excite young readers Updated to include newcomers such as J K Rowling and Lemony Snicket and to cover the very latest on publishing and educational trends this edition features more than 475 entries on the best loved children s authors and illustrators numerous essays on social and historical issues thirty personal glimpses into craft by well known

writers illustrators and critics and invaluable reading lists by category The Essential Guide to Children's Books and Their Creators summarizes the canon of contemporary children's literature in a practical guide essential for anyone choosing a book for or working with children

Hara's Hope Ms. Racquel O'Hara Odale Nembhard, 2014-04-04 Creation stood still for this solemn assembly The Great Meeting to unfold Heaven's redemption was about to begin My People Christ The King spoke You are about to enter the unfamiliar a world of hindrances darkness oppression and seemingly constant warfare Some will become lost and disheartened as you habitate this realm with The My ABC Book of Cancer, 1991-02 Ten year old Shannon Chamberlain describes in ABC format her bout with cancer Concludes with a discussion of childhood cancer suggested reading list glossary and resource guide

The Palgrave Handbook of Disabled Children's Childhood Studies Katherine Runswick-Cole, Tillie Curran, Kirsty Liddiard, 2017-11-05 Disabled children's lives have often been discussed through medical concepts of disability rather than concepts of childhood Western understandings of childhood have defined disabled children against child development norms and have provided the rationale for segregated or special welfare and education provision In contrast disabled children's childhood studies begins with the view that studies of children's impairment are not studies of their childhoods Disabled children's childhood studies demands ethical research practices that position disabled children and young people at the centre of the inquiry outside of the shadow of perceived norms The Palgrave Handbook of Disabled Children's Childhood Studies will be of interest to students and scholars across a range of disciplines as well as practitioners in health education social work and youth work

The Book of My Son Reuben David Cohen, 2023-06-23 I wish I had not had to write this book because then my lovely son Reuben would still be alive says David Cohen He was adorable formidably intelligent a loving son a loving brother He died far too young He had the bad luck to have two grandparents who had addictive personalities His efforts to resist the lure of drugs failed And so did I The Book of My Son Reuben is a personal account of how psychologist David Cohen coped and did not cope with the death of his son Reuben Offering a unique perspective on the experience of parental loss it offers a personal and analytical exploration of sorrow and guilt and of what research tells us about trauma and grief Illustrated throughout with David Cohen's personal insight into how he continues to navigate his loss this honest book provides a deeper understanding of loss for parents who have experienced it as well as those who support them The book remembers the many parents who have lost children throughout history and chapters weave personal perspectives with the latest research It examines the experience of sudden deaths the failures of society in preventing children from dying the role of social media how the loss of a child impacts fathers siblings and relationships and the usefulness or otherwise of bereavement therapies A tribute to Reuben's life this sensitive volume is for those who have experienced loss and want to gain better understanding of their experience as well as psychologists psychotherapists and counsellors working with families

200 Women Geoff Blackwell, Ruth Hobday, 2017-10-31 200 incredible women 126 hours of interviews 16 000 photographs 5 questions A snapshot of female life
