Reece, 2007-08-20 Lines laid across the plain near the Peruvian site of Nazca have been explained as ancient roads or features of a long forgotten religious calendar So why did Erich von Daniken interpret these markings as the contours of a huge galactic spaceport In his assessment of the uncanny and frequently eerie world of UFOlogy Gregory L Reece travels deep into a mindset which believes that the gods of mythology were really visitors from the stars Venturing

into the Mojave Desert to watch the night skies for flying saucers exploring Nevada's top secret installation Area 51 and visiting Roswell famous site of a supposed saucer crash in 1947 the author's quest for the truth brings him more than he bargained for He has his atomic structure recharged in a machine supposedly designed by extraterrestrial technology encounters a whole galaxy of alien life forms and meets those who claim themselves to have been abducted by UFOs Along the way he tries to make sense both of the sinister Men in Black and of lethal Tall Whites deadly aliens who liquidate human beings without mercy What is it about flying saucer culture that speaks to people with an apparently religious intensity and fervour For those looking for the answers UFO Religion is the definitive guide and handbook to one of the most extraordinary and compelling cults of our times

Weeping Willow Darla Lynn Morris,2007-02 Often we have wondered in time when things remained the same how life never changed until the venom of life took a turn for those that we had endured The weeping willow tree comes to mind in those times As the trunk of the tree is strong as can be and the branch can hang heavy with venom sagging till the end However the weeping willow tree has sparked my poetry for good and for bad The branches of the weeping willow can also be there for you to protect and cover you Have you ever wondered what it would be like to have A jamboree under the weeping willow tree As you read this very explicit piece of poetry know that the Weeping Willow Tree is heaven's jamboree
