My Friend John:

The Story of Don Miff As Told by his Friend John Bouche Whacker: A Symphony of Life Virginius Dabney, 2011-01-01 It is pretty well understood I presume that while books are written for the entertainment of the public a preface has fulfilled its mission if it prove a solace to the author and an edification to the proof reader thereof Yet however it may be with an author an editor must it seems write one Most mysteriously then and I knew not whence or from whom the manuscript of this work found itself in my study some time since accompanied by the request that I should stand sponsor for it I shall do nothing of the kind True the grammar of it will pass muster I think and its morals are above reproach but the way our author has of sailing into everything and everybody quite takes my breath away Lawyers military men professors and students parsons agnostics statesmen billiard players novelists poetesses saints and sinners he girds at them all I should not have a friend left in the world were it to go abroad that this Mr J B Whacker s opinions were also mine If but to enter this disclaimer therefore I must needs write a preface This author of ours then is as you shall find an actor in the scenes he describes and is quite welcome to any sentiments he may see fit to put into his own mouth He entertains I am free to admit an unusual number of opinions more than one man s share perhaps but not one of them is either reader or editor called upon to adopt It seems fair too to warn the eccentric person who shall read this preface against putting too much faith in the account Mr Whacker gives of himself The astounding pedigree to which he lays claim in Chapter I may be satire for aught I know but when he poses as a lawyer a bachelor and a ton of a man weighing though he does not give the exact figures not much less than three hundred pounds he is counting too much on the simplicity of his editor For the internal evidence of the work itself makes it clear that he is a physician ever so much married and nestling amid a very grove of olive branches He assures us too for example he is never tired of assuring us of something that he is entirely ignorant of music yet divides his work not into books as a Christian should but into movements indicating presumably the spirit and predominant feeling of each by the opening page of the orchestral score of one of the four numbers of a famous symphony **Our Friend John Burroughs** Clara Barrus, 2022

Westmoreland County William Armstrong Crozier, 1971 In 1905 Crozier launched an ambitious series entitled Virginia County Records This final volume published by Crozier is devoted exclusively to Westmoreland County Virginia and contains will abstracts 1654 1794 and land grants 1653 1793 The will abstracts typically furnish the name of the testator the date of death and the date of probate and the name and relationship to the deceased of all persons identified in the will The index to land grants gives the name of the grantee date and size of the grant and source of the original record in Westmoreland County The index refers to about 2 000 persons who resided in Westmoreland County in the 17th and 18th centuries

Collections New-York Historical Society, 1902 Leaves from the History of Welsh Nonconformity in the Seventeenth Century Richard Davies, 1899 *I Knew Your Friend John* Mark Montagne, 2019-04-01 John is not a hero He is just one of many young Australian men who simply decided to join the war effort in 1916 as a civilian soldier He was put into the 3rd

Division of the Australian Imperial Force He never had any ambitions or defined ideas about the volatile and violent campaign for which he had selflessly volunteered He is a young man from one of many families from urban post Edwardian Melbourne who is taken to the Western Front in Europe He became a man in 1916 and the story he tells of his life regarding his family and friends and his life in the war is his own Every human life is uncertain and unique and whether you think John's is one of bravery or sorrow will be entirely your own judgement Memorial Services Held in the House of Representatives and Senate of the United States, Together with Tributes Presented in Eulogy of John C.
