My Friendly Contemporaries A Literary Log:

My friendly contemporaries : a literary log Hamlin Garland, 1971 **The Chicago Literary Experience** Frederik Byrn Køhlert, 2011 The Chicago Literary Experience is a concise literary history of the city of Chicago Taking as its thematic starting point the city's famous World's Columbian Exposition of 1893 the book provides an account of the city's rapid and in many ways unprecedented development from trading post to metropolis and examines the many literary responses to this new urban environment By contextualizing literature written about the city in these formative years the book shows not only how the city influenced its writers but also how these writers struggled to transform their urban environment into literary forms Covering such aspect as the emergence of the novel of the businessman as cultural hero the humorous newspaper columns of the late nineteenth century and the Depression era revitalization of Chicago literature from its ethnic neighborhoods the book moves beyond the obvious classics and rediscovers a vibrant literary tradition that restores almost forgotten writers such as Eugene Field and Floyd Dell to their place in American literary history Given the historical approach and the breadth of material covered the book will be valuable to anyone wanting to understand how American literature in this defining period moved from the farm to the city and what happened to it once it had arrived Authors discussed include Jane Addams George Ade Nelson Algren Sherwood Anderson Saul Bellow Gwendolyn Brooks Willa Cather Floyd Dell Theodore Dreiser James T Farrell Eugene Field Henry B Fuller Hamlin Garland Robert Herrick Jack London Frank Norris Carl Sandburg Upton Sinclair and Richard Wright Frederik Byrn Køhlert is a doctoral student at the University of Montreal He has an MA in English from the University of Oregon and an MA in English and Scandinavian Literature from the University of Aarhus Denmark **American Book Publishing Record Cumulative, 1876-1949** R.R. Great Writers Student Library: American literature to 1900 ,1979 When Canadian Literature Moved to New York Nicholas James Mount,Nick Mount,2005-01-01 Canadian literature was born in New York City It began not in the backwoods of Ontario or the salt flats of New Brunswick but in the caf s publishing offices and boarding houses of late nineteenth century New York where writing developed as a profession and where the groundwork for the Canadian canon was laid So argues Nick Mount in When Canadian Literature Moved to New York The last decades of the nineteenth century saw an extraordinary exodus from English Canada draining the country of half its writers and all but a few of its contemporary and future literary celebrities Motivated by powerful obstacles to a domestic literature most of these migrants landed in New York by the 1890s the centre of the continental literary market and found for the first time a large receptive literary market and recognition from non Canadian publishers and reviewers While the expatriates of the 1880s and 1890s including Bliss Carman Ernest Thompson Seton and Palmer Cox were recognized for their achievements in Canada the domestic literature they themselves spurred into existence rekindled a nationalist imperative to distinguish Canadian writing from other literatures especially American and this slowly eliminated most of their work from the emerging English Canadian canon When Canadian Literature Moved to New York is the story of these expatriate writers who they were why they left what they achieved and how they changed Canadian literary history

The American Play Marc Robinson,2009-05-26 In this brilliant study Marc Robinson explores more than two hundred years of plays styles and stagings of American theater Mapping the changing cultural landscape from the late eighteenth century to the start of the twenty first he explores how theater has and has not changed and offers close readings of plays by O Neill Stein Wilder Miller and Albee as well as by important but perhaps lesser known dramatists such as Wallace Stevens Jean Toomer Djuna Barnes and many others Robinson reads each work in an ambitiously interdisciplinary context linking advances in theater to developments in

American literature dance and visual art The author is particularly attentive to the continuities in American drama and expertly teases out recurring themes such as the significance of visuality He avoids neatly categorizing nineteenth and twentieth century plays and depicts a theater more restive and mercurial than has been recognized before Robinson proves both a fascinating and thought provoking critic and a spirited guide to the history of American drama **Reference Guide to American Literature** D. L. Kirkpatrick,1987 *The Several Lives of Joseph Conrad* John Stape,2011-05-25 Please note The eBook version of this title is slightly different from the paperback version While the textual content remains the same the illustrations photographs were removed from the eBook version because of permissions issues The Several Lives of Joseph Conrad is the first new biography in more than a decade of one of modern literature s most important writers whose work remains widely read and acutely relevant eighty years after his death In this authoritative insightful book we see Joseph Conrad as a man who consistently reinvented himself Born in 1857 in Berdichev Ukraine he left home early and worked as a sailor out of Marseilles traveled to the Far East and Africa with the British merchant navy and finally in 1891 settled in England beginning a precarious existence as an novelist and family man Here is a Conrad for our moment a man with a deep sense of otherness a writer with multiple cultural identities who wrote in his third language and whose fiction became the cornerstone of literary Modernism With his exceptional knowledge and understanding of Conrad and drawing on unpublished letters and documents John Stape succeeds in casting an illuminating new light on the life of a willfully enigmatic man who remains one of the greatest writers of his and our time **The Cliff-Dwellers** Henry Fuller,2010-05-07 The Cliff Dwellers was the first American realist novel to use the rapidly developing city of Chicago as its setting Henry Blake Fuller s depiction of social climbing and human depravity among the cliff dwelling residents and workers in the new Chicago skyscrapers shocked readers of the time and influenced many American writers that followed With its frenetic pace and many interrelated stories it remains a compelling document of Chicago s social history as well as a searing indictment of modern American life at the close of the nineteenth century The extensive appendices to this edition include Fuller s literary criticism and his correspondence about the novel reviews and visual and historical materials on turn of the century Chicago and literary realism *The Book of the American Indian* Hamlin Garland,2005-01-01 In these and other stories written from 1890 1905 Hamlin Garland sought to capture his vision of the spirit of the Native American Indian in transition Based on ten years of visits to reservations in the American West these stories are of interest for readers today in part because they illustrate a sincere and well intentioned white reformer coming to understand a culture radically at odds with his own and discovering in the process that his own culture is less advanced than he had supposed This edition reprints the text and illustrations from the 1923 printing as well as two of Garland s essays indicting the treatment of Indians An introduction places the stories in the historical context of Garland s life and times **BOOK JACKET** [Chronicle of the Pulitzer Prizes for Biography](#) Heinz-D. Fischer,2011-11-30 Volume 20 of the series describes the development of the award for Biographies and Autobiographies

from 1917 through 2006 In addition the complete jury reports from this period are reprinted by facsimile So it can be documented how the annual deliberations went until a winner was selected Among the prize winners were John F Kennedy before his presidency the diplomat George F Kennan or the aviator Charles Lindbergh **Catalog of Copyright Entries.**
