Literary Gazette and Journal of Belles Lettres, Arts, Sciences, &c ,1849 *Ecologies of Inequity* Sancha Doxilly Medwinter,2023-08 With *Ecologies of Inequity* Sancha Doxilly Medwinter tells the story of how the racially and ethnically diverse immigrant and urban poor disaster survivors lose ground to their White middleclass to affluent and Black middle class homeowner neighbors during official disaster response Medwinter presents analyses from 120 conversational and expert interviews with disaster responders and survivors in New York City beginning as early as twelve days after the November 2012 landfall of Superstorm Sandy The settings are Carnarsie Brooklyn and the Rockaway peninsula which experienced six to eight feet of flooding The color and class blind assumptions of disaster responders and the labyrinthine

process of obtaining a FEMA grant combine to exclude and increase the psychological burden of urban poor disaster survivors Similarly the locational decisions and volunteer service perimeters uncritically replicate the segregation logics of urban spaces Part of this story explains how the chronically poor repeatedly get displaced by the machinery of official disaster response One reason is the introduction of a race and class blind disaster logic of response that caters to the needs of the newly created class of disaster victims while displacing the logic of service which typically attempts to address the needs of the chronically poor

Oh, My God! Javier J. Farias, 2016-02-17 This book is a follow up to the author's previous one which revealed the underlying but veiled symbolism in the Wizard of Oz His suggestion regarding the connection between Emerald City and the Catholic Church was not well received Even more objectionable to many was his assertion that the powerless phony wizard that Whiz of a wiz is a direct analogy to the God of the Old Testament These chapters will serve as a guided tour of the spiritual nooks and crannies of Holy Scripture These nooks have been carefully ignored and side stepped by theologians for a very long time Those willing to start from a spiritual blank slate and step forward with an open mind will be shocked to their core by what they discover in the many never discussed nooks While many have claimed to reveal the secrets of the Mother Church you will find here that her biggest secrets have been hidden in plain sight all along Reassessing our most fundamental assumptions about our deepest and longest cherished core beliefs requires real courage and even a willingness to endure ridicule When Dorothy pulled back the green curtain she was changed forever for the better It is the author's sincere belief that everyone who walks the Yellow Brick Road i e the Spiritual Path must eventually summon the courage to look behind the mysterious veil that separates us from our real world wizard Most of what follows is not pleasant or easy reading but all of it comes right out of the pages of Holy Scripture itself [Short Stories by California Authors](#), 1885

With All Might Riaan Engelbrecht, 2023-01-18 Of the greatest commandment we read in Mark 12 NIV 29 The most important one answered Jesus is this Hear O Israel The Lord our God the Lord is one 30 Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength We need to again place a spotlight on the word strength So what does it then mean to serve God with all our strength We can also ask do we really serve and love God with all our strength For if we do then we must make every effort day and night to obey God to follow Him to love Him and to serve Him We must do so with every ounce of our strength with every ounce of conviction and there must be no room none whatsoever for the world to steal our love for God or our devotion loyalty and faithfulness To love God with all our strength might is to constantly all the time seek His will His ways and truth It calls for us to pay attention to God to be serious about Him above everything else and to love Him as our First Love
