MY GRANDDAUGHTERS ARE COMBING  
OUT THEIR LONG HAIR

my granddaughters are combing out their long hair sitting  
at night on the rocks in Venezuela they have watched  
their babes falling like white birds from the last of the  
treetop cradles they have buried them in their hearts  
where they will never forget to keep on singing them  
the old songs.

brought down to earth they use twigs, flint scrapers;  
acadian their laughter underground makes the thyme  
flower in darkness,

my granddaughters are thin as fishbones & hornfooted, but  
they are always beautiful under the stars: like little  
asian paperthings they seem to open outwards into their  
own waterbowl.

mornings they waken to light's chink ricocheting off an old  
Black's Harbour sardinecan.

reduce them the last evangelines make them part of the stars.

my granddaughters are coming out at night, combing their  
burr-colored hair, by the rocks & streamtrickle in  
Venezuela, they are burnt out as falling stars but they  
laugh and keep on singing them the old songs.

Magical Clockwork reveals the subtle mechanisms that make a poem tick **Grandchildren, Our Hopes and Dreams**

Sally Kabak,2012-01-24 Today's grandparents have many roles with their grandchildren. Some grandparents provide care on a regular basis when the child's parents aren't available; others are great playmates with their grandchildren or what many may think of as traditional grandparents. An emerging role that some grandparents find themselves in is raising their grandchildren. **Grandchildren, Our Hopes and Dreams** provides practical help, encouragement, and a wealth of knowledge and understanding to grandparents who are raising their grandchildren. **The Grandchildren of the Ghetto** Israel

Zangwill,2022-09-15 In *The Grandchildren of the Ghetto* Israel Zangwill intricately weaves a tapestry of Jewish identity and cultural assimilation in early 20th century London. Through a series of interlinked stories, the novel captures the lives of Jewish immigrants and their descendants as they navigate the tensions between tradition and modernity. Zangwill's use of vivid characterizations and sharp dialogue reflects the struggles of a community grappling with its place in a rapidly changing society while also shedding light on broader themes of belonging, dislocation, and resilience during a time of considerable societal upheaval. Israel Zangwill, a prominent figure in the early Zionist movement and an outspoken advocate for Jewish issues, drew heavily from his own experiences as a child of Eastern European immigrants. His background imbued him with a deep understanding of the complexities surrounding Jewish life and identity in the diaspora. A social activist and playwright, Zangwill's literary works often serve as both a reflection and critique of the socio-political realities of his time, making his narratives resonate with authenticity and urgency. Readers seeking a profound exploration of cultural heritage, immigration, and the multifaceted nature of identity will find *The Grandchildren of the Ghetto* to be an insightful and compelling read. Zangwill's poignant storytelling not only entertains but also challenges the reader to reflect on the timeless questions of belonging and the immigrant experience, making this work an essential addition to the canon of Jewish literature.

Sehnsucht: The Story of Grisch. Lorraine Loewen Isaak,2022-05-26 In my early years I felt sadness in my Grandpa Grisch it seemed to cling to him What feelings could not do however was give me greater understanding into his inner world Unknown to me family had stored close to one hundred letters for over thirty years and these would pass into my hands the summer of 2019 Once transcribed from German into English these letters exposed the truth of what Grisch had carried over his lifetime and confirm what I felt but did not know The reader will bear witness as Grisch did of his family's disorientation trauma and loss that would take them to Kazakhstan and Paraguay while he lived a simple life on a small farm in Steinbach Manitoba Canada Despite their separation whether in years or experience Grisch would never shake off a longing for what had been familiar a place to call home

EXPERIENCE OF ELDERLY PEOPLE IN NEPAL Purna Bahadur Thapa,2020-10-01 Living longer is regarded as a triumph of human development Progress in health services has brought noticeable increase in life expectancy and a reduction in mortality and fertility rate In general wrinkled faces and sags weak bones and changes in appearances manifest old age In Nepal by and large old age has been understood largely from the physical dimension thus there is wider belief that in old age people are frail and weak The main purpose of this research is to explore perceptions and practices on old age To explore this I have employed an interpretative research paradigm and qualitative approach with purposive sampling method The major findings of the study show that security concerns of old age have yet to get adequate attention from family members society and government The elderly people have mixed opinions on their age few consider that old age has brought lots of

knowledge experience and skills so they are resourceful whereas others assert themselves as utterly dependent on family and helpless Interestingly it also reveals that longevity has provided an opportunity to ponder upon life and death and they tend to chase more spiritual gatherings and functions This study also reveals the mounting generational gaps emerging in the families

**The Barber's Granddaughter, and a Preacher's Kid** Carolyn O'Neal Douglas, 2012-11-30 In the early eighties fed up with ten years of infidelity from an abusive husband Cece and her five children left Arkansas running for their lives They would soon find that the fast paced California life of drugs gangs ghetto living and prison would be equally as painful as what they left behind Her story is one of survival choices and consequences and finally finding redemption after years of making the wrong choices the only way of life but not a good way and not a good life This is a demonstration that an about face turnaround can be made but only if the desire is sincere The journey of this family witnesses the Amazing Grace saga of generational curses that are bound on earth as they are bound in Heaven Become a part of a mother's conscious desire and need to change the course and quality of her life by aligning her choices with the will of God This is a must read book Va Ya Con Dios! Go Pal, 2011 This book is about my life but honestly that is not what the reader cares about The main interest would depend upon what one gets out of it Therefore I am writing some wise words of great masters which actually played vital rolls in my checkered life I hope my grandkids and or readers would learn from my knocks in life and how I overcame my nerve wrecking and dilapidating days of my scuffle with Lady death on more than two occasions I am thankful to Lady Luck plus my attitude and character built at childhood Remember we have two ears and one mouth use them as such Guard your tongue for it is highly dangerous Unguarded words can cause terrible distress A wound caused by fire can eventually heal but scar caused by tongue never does I must neither take failures to my heart or successes to my head Other ideas you can take away from this little book can be Slow and Steady is won the race Overconfidence leads to inaction and defeat Don't postpone to tomorrow what you can do today and do today's chores NOW Do not gamble under the influence of greed nor fall for tips TIPS ARE FOR THE WAITERS Double up the discipline of Perseverance Persistence and Professional Patience We must refuse to be lifted off our feet A drowning man cannot save another What lies before us or behind us is small compared to what lies inside us I wish to live because life has within it that which is good beautiful and that is LOVE IT TAKES A VILLAGE TO RAISE A CHILD

**The Plague Doctor** E. Joan Sims, 2005-10-01 Mystery novelist Paisley Sterling is happier than she ever dreamed As successful writer she is free to return to her mother's farm in Kentucky where she trades in her panty hose and high heeled shoes for jeans and loafers Her only problem is the pen name of Leonard Paisley that her agent encourages her to assume because a detective novel will sell better if it's written by a man Unfortunately Paisley finds out that every paradise has its snake when her beautiful daughter Cassie falls in love with a young epidemiologist from the Centers for Disease Control Dr Ethan McEnery has come to Rowan Springs to investigate a medical mystery When he is unexpectedly arrested for rape and murder Ethan turns to Paisley and Leonard for help What follows is a roller coaster ride

of slapstick comedy and nail biting suspense as Paisley her daughter and her mother Anna search for clues to the crime and the mysterious deaths that brought the CDC to Rowan Springs in the first place During their investigations they discover a man who in his insane desire to become the ultimate judge of who will live and who will die has unleashed a dangerous and deadly pathogen that may prove impossible for even the most advanced medical science to contain *Modern Azerbaijani Prose* Vagif Sultanly,Iraj Ismaely,2019-02-26 The book comprises of the best samples of Azerbaijani literature of the last 40 years The Anthology includes more than sixty short stories and novels of Ismayil Shikhli Isi Melikzade Isa Mughanna Yusif Samadoghlu Aziza Jafarzade Sabir Ahmedli Chingiz Huseynov Gholam Hussein Saedi Anar Elchin Movlud Suleymanli Sara Oghuz Rustam Ibrahimbeyov Mammad Oruj Seyran Sakhavet Chingiz Abdullayev Rafiq Taghi Orkhan Fikratoghlu Elchin Huseynbeyli and etc Azerbaijani prose was first published about half a century ago during the Soviet period in Moscow The world readers have since then lacked the opportunity to know about success of the Azerbaijani literature Therefore this Anthology presented with annexes in new edition and design is of great importance

**Human Rights and the Arts in Global Asia** Theodore W. Goossen,Anindo Hazra,2014-10-23 This anthology of literary and dramatic works introduces writers from across Asia and the Asian diaspora The landscapes and time periods it describes are rich and varied a fishing village on the Padma River in Bangladesh in the early twentieth century the slums of prewar Tokyo Indonesia during the anti leftist purge of the 1960s and contemporary Tibet Even more varied are the voices these works bring to life which serve as testimony to the lives of those adversely impacted by poverty rapid social change political suppression and armed conflict In the end the works in this anthology convey an attitude of spiritual and communal survival and even of hope This anthology presents the complex dynamic between a diversity of Asian lives and the universalized concept of the individual human entitled to clearly specified rights It also asks us to think about what standards of analysis we should employ when considering a historical period in which universal human rights and civil liberties are considered secondary to the collective good as has so often been the case when nation states are undergoing revolutionary change waging war or championing so called Asian values This book s use of the term Global Asia reflects an interest in rethinking Asia as more than an area determined by national borders and geography Rather this book portrays it as a space of movement and fluidity where societies and individuals respond not only to their local frames of reference but also to broader ideas and ideals Many of the works anthologized here are the subject of scholarly analysis in the companion volume Human Rights and the Arts Perspectives on Global Asia also published by Lexington Books
