My Guardian Angel:

My Guardian Angel, My Best Friend Lorna Byrne, 2020-11-05 A collection of children's stories by international bestselling author Lorna Byrne. Lorna Byrne says we all see angels when we are young children but are gradually conditioned to screen them out. Here for the first time she has written stories inspired by the real life of seven children whose lives were transformed and made better by their interaction with their guardian angels. Among these there is a story of a little girl called Suzy paralysed from birth and unable to play with other children. Angels play with her and bring her great happiness. In another story a little girl called Emma is mean to her classmates and gets her little brothers into trouble at home. Her guardian angel gradually prompts her towards a more harmonious and happy life. Tommy feels he is an outsider because he is no good at football. Then with his guardian angel's loving help and attention Tommy scores a brilliant goal. Lorna began telling stories to her daughter Aideen at an age when like all children she was beginning to focus far more on the material world and less on spiritual influences. These stories are written to show children the ways in which they can ask for help from their guardian angels and perhaps even to catch a glimpse of them.
