Jesus First for Women BroadStreet Publishing Group LLC, 2022-04-05 When do you find time to connect with God Even if we try to be intentional about it everyday activities and responsibilities often find a way to take priority over our time with Jesus Prayer can happen at any time and of course it does but there is value in setting aside a specific time to communicate with the Lord The notion of getting alone with God to start the day was an example set by Jesus himself He got up before daylight to pray in a solitary place We don't know what about or who for we just know it was his way of connecting with the Father before doing anything else As you quiet yourself before him and meditate on these Scriptures devotions and prayers experience the goodness of his presence and be refreshed with his perfect peace When you prioritize Jesus above everything other concerns fade Hope dawns with the new day Tender mercies fall fresh Boundless joy springs up from a well within And you find the strength to walk through each day with grace for others and for yourself In Spirit and in Truth Jay Thomas Walls, 2012-10-05 What has the church done to worship The modern day worship movement has succeeded in appealing to the masses and has set the standard of defining the worship experience in the church but at what cost In Spirit and In Truth confronts today's church mindset and beckons our hearts to return to the life of genuine worship The church's drive to become more culturally relevant has not been without serious repercussions Somewhere along the way worship has become about the worshiper rather than the One who is to be worshiped The prevailing attitude of serving self has usurped God's intention

for His people to worship the Father in spirit and in truth The fullness of the Christian life can only be experienced when through the life of worship the Lord is given supreme reign over our lives In examining biblical insights as well as gleaning from years of worship ministry experience Jay offers a fresh perspective that challenges the heart to respond to the Fathers call to worship in spirit and in truth and to discover the possibility of intimately knowing God as He desires to be known

Song of the Prophet John Harke, 2016-08-11 In the Song of the Prophet we learn that affection doesn't happen in isolation it happens in relationship with others However the moments when our soul is deeply affected by the Lords divine presence the song of all songs does just that to our spirits God graciously gave the wisest man that ever lived a revelation of love a love that's real and not just a passing lustful thought a love where growth and maturity are free to exist through both pain and promise free from rejection and shame The Songs of Solomon give us a map of what love can become through the eyes of God Each phrase and each verse is the language of what heaven feels about those who are called Language is such a beautiful gift from our Lord that expresses many multifaceted emotions These eight chapters are an invitation to sit at his feet like Mary The Song of the Prophet shows us that the ways of God make abandonment the only way to live Giving our Lord everything isn't weighed because of what we might lose Jesus gave us his all so we give all **Memoirs of the life,**
