## **My Journey The Loss Of A Loved One:**

**Grieving the Loss of a Loved One** Kathe Wunnenberg, 2009-12-22 Death is an inevitable and constant part of life yet those who grieve often feel misunderstood and alone in their journey says Kathe Wunnenberg author of *Grieving the Loss of a Loved One* This compassionate book acts as a daily devotional companion to hurting people Designed for adult readers of all ages and stages in the grieving process it is sensitively written by an author who suffered three miscarriages and the death of an infant son She knows from firsthand experience that there are no easy answers for those who mourn Sixty devotions cover the many stages of grieving including readings for holidays birthdays and special occasions when grief can be particularly painful Readers will walk away from the short thematic devotions and feel validated connected to someone who knows how they truly feel and with renewed hope in God Friends and family members who sincerely want to help the grieving can give this book as a meaningful beneficial expression of their love and concern *My Journey Through Grieving* Walter Joe Wall, 2023-11-17 *My Journey Through Grieving* presents a variety of heartfelt and deeply personal stories by people who have traveled the road of grieving a journey that we all must take at some point in our lifetime Whether one grieves a little or a lot is greatly determined by the nature and closeness of the relationship that one shares with another person and having someone to share the grief struggle with is often very helpful Tragically when one loses their closest companion in life they also lose the one person most equipped to help them through life's hardships and this only serves to multiply their pain Reaching out to others can be difficult but having someone to talk to and share memories with following a loss may prove to be the most beneficial thing of all Sometimes the overwhelming nature of grief is such a heavy burden that professional counseling should be considered Other times a person might work through the process with the assistance of family and friends Either way the process will require time and personal commitment before the fog of grief will begin to dissipate and true healing can be realized How one lives what they believe along with the amount of faith they have in themselves God and humanity can play a large role in moving forward along grief's journey Thankfully God the Father God the Son and God the Holy Spirit will always be there to provide the guidance needed May this book point you in a direction that will help heal your broken heart **My Journey Down the Reincarnation Highway** Frank Mares, 2012-11-17 *My Journey down the Reincarnation Highway* is the first book of the author's four book spiritual memoir series In this personal account Frank Mares details how he discovered the fact of reincarnation and explores what he did in some of his prior lives More people than you would believe have prior life memories This book tells how the author acquired psychic ability in his middle age With this new gift he recovered facts about nine of his prior lives most of which involved violent bloody deaths The most recent life was that of a young German Wehrmacht sergeant who was ambushed and killed by Russians during the night of May 1 1944 in a dark Estonian farmhouse Not being satisfied with just discovering his past lives Mares goes on a spiritual mission to find out why he kept dying violently The answers do not come easily but by using a team of three world

class psychics he eventually tracks down the shocking reason for all his brutal deaths The psychic team finds that within the soul of this normal small businessman resides a brutal stone cold killer from the 1600s who surprisingly was the revered founder of a gentile noble family As part of his souls continuing quest for redemption Mares hopes to salvage the dark time in his soul s past into something that could help others today His experiences show that death is only a transition phase and that it should not be feared His book also reveals that reincarnation is actually a well designed organized system that allows souls to learn personalized life lessons over a surprising number of lives If you read this book you will never look at life and death in the same way again

**My Journey** Swami Vishwakanjalochanananda,2019-12-23 This book is not just another autobiography This is a life journey of an ordinary man Every person is experiencing difficulties in their lives but how much we are learning from those difficulties and obstacles that we find along the way is what the Author is trying to convey in these pages The idea of the book is to select some episodes which moulded and shaped the Author to find the meaning in life and walk the path towards the inner freedom as an inspiration and guidance for all who have been awakened to the idea that there is something more than meets the eye This is a spiritual book in a sense that we are not just a bag of flash and bones and that every person has a spiritual life as well There is an intelligence that guides and regulates our life For a lack of better term we call it Spirit or God And the aim is to connect to that Being or Intelligence and to achieve the full potential that we are all entitled to as human beings We have to live our life so that we can first and foremost realise ourselves as human beings and from there we can contemplate our divine origin and eventually realise that we are divine beings temporarily clothed in human attire with the purpose of realising our soul s position as the eternal servant in our loving relationship with the Divine

**A Journey of Unconditional Love** Michele Bell,2018-03-23 Nicky Bell diagnosed with Ewing s Sarcoma at age thirteen died five years later with his mother and best friend at his side A Journey of Unconditional Love tells Nicky and Michele s story describing the battle with cancer in great detail However this book is about more than cancer and its treatment and the fight to survive It s about more than a mother and her son who had to face his mortality at such a young age and the despair and anguish that comes in losing that fight It s about more than death This book is about life It s about how this mother and son approached the everyday moments of life despite the greater story that was playing out around them and was outside of their control It s about what each had learned from the other and the influential roles played in their life experiences It is about how it still affects the life of the one left behind It s about the depth of human spirit and the soul s ultimate survival along with what the survivor is supposed to do with that energy The connection between this mother and her son has lived on long after his passing and it continues to be a force in this mother s life every day The inspiration in this story comes from the millions of small everyday moments the choices made the words spoken and the unconditional love that makes such a seemingly senseless experience somehow bearable This book gives a voice to parents and loved ones caregivers and patients those who relate to this loss and those who know they feel every heartbeat in this story but who also struggle to come to grips with their own experience
