## **My Last Chance To Be A Boy Theodore Roosevelt's South American Expedition Of 1913 1914:**

My Last Chance to Be a Boy Joseph R. Ornig, 1998-04-01

### **Theodore Roosevelt and the Art of American Power**

William R. Nester, 2019-02-28 Theodore Roosevelt is an American icon his face carved in granite alongside those of Washington Jefferson and Lincoln on Mt Rushmore He is the only American awarded both the Medal of Honor and Nobel Peace Prize As president he pushed through a stubborn Congress to breakup corporate monopolies strangling the economy impose health standards on the food and drug industries and conserve America's natural heritage including the Grand Canyon and Redwood forest He was a brilliant diplomat who ended a war between Japan and Russia and prevented a war between Germany and France He engineered independence for the province of Panama from Columbia then signed a treaty with the new country that entitled the United States to build run and defend a Panama canal He crusaded for progressive reforms as a New York assemblyman U S civil service commissioner New York City police commissioner and New York governor He led scientific expeditions across East Africa's savanna and Brazil's rainforest During the war with Spain he raised a cavalry regiment and led his Rough Riders to a decisive victory at San Juan Heights As a Dakota rancher during the frontier's twilight he squared off with outlaws and renegade Indians He was a prolific writer authoring 38 books and hundreds of essays Roosevelt was among the most charismatic presidents Yet although most Americans adored him most Wall Street moguls and political bosses hated him for his reforms He was complex simultaneously peacemaker and warmonger progressive and conservative Machiavellian and Kantian avid hunter and nature lover Roosevelt accomplished all that he did because he mastered the art of American power His motto speak softly and carry a big stick exemplified how he asserted power to defend or enhance American interests Time after time he bested such titans as J P Morgan or Kaiser Wilhelm at the game of power Although he is the subject of dozens of books this is the first to comprehensively explore just how Roosevelt understood massed and wielded power to pursue his vision for an America as the world's most prosperous just and influential nation

*Death on the River of Doubt: Theodore Roosevelt's Amazon Adventure* Samantha Seiple, 2017-01-03

The action packed true story of President Theodore Roosevelt's dangerous adventure down one of the most treacherous rivers on Earth *Death on the River of Doubt* takes readers inside the thrilling journey that unfolds as Theodore Roosevelt and his companions navigate the Amazonian River of Doubt through an unforgiving and unpredictable jungle With new threats at every turn from blood thirsty piranhas and raging rapids to starvation disease and a traitor in their own ranks it seems that not everyone will make it out alive Through it all the indomitable Teddy Roosevelt remained determined to complete their mission and rewrite the map of the world Or die trying With letters diary entries maps photos and more *Death on the River of Doubt* is a comprehensive narrative nonfiction thriller and the first young adult book to tell this unbelievable tale

**Into the Amazon: The Life of Cândido Rondon, Trailblazing Explorer, Scientist, Statesman, and Conservationist** Larry

Rohter, 2023-05-30 Rohter's crisp biography is a welcome addition to the new more inclusive canon Rachel Slade New York

Times Book Review A thrilling biography of the Indigenous Brazilian explorer scientist statesman and conservationist who guided Theodore Roosevelt on his journey down the River of Doubt C ndido Rondon is by any measure the greatest tropical explorer in history Between 1890 and 1930 he navigated scores of previously unmapped rivers traversed untrodden mountain ranges and hacked his way through jungles so inhospitable that even native peoples had avoided them and led Theodore Roosevelt and his son Kermit on their celebrated River of Doubt journey in 1913 14 Upon leaving the Brazilian Army in 1930 with the rank of a two star general Rondon himself of indigenous descent devoted the remainder of his life to not only writing about the region s flora and fauna but also advocating for the peoples who inhabited the rainforest and lobbying for the creation of a system of national parks Despite his many achievements which include laying down a 1 200 mile telegraph line through the heart of the Amazon and three nominations for the Nobel Peace Prize Rondon has never received his due Originally published in Brazil Into the Amazon is the first comprehensive biography of his life and remarkable career

**Theodore Roosevelt** Thomas Bailey,Katherine Joslin,2018-04-03 Understanding Theodore Roosevelt through his writings *A Companion to First Ladies* Katherine A.S. Sibley,2016-03-02 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama providing the first historiographical overview of these important women in U S history Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century Explores the impact of these women not only on White House responsibilities but on elections presidential policies social causes and in shaping their husbands legacies Brings the First Ladies into crisp historiographical focus assessing how these women and their contributions have been perceived both in popular literature and scholarly debate Provides concise biographical treatments for each First Lady **A Companion to Theodore**

**Roosevelt** Serge Ricard,2011-08-26 A Companion to Theodore Roosevelt is the first comprehensive anthology to encompass Roosevelt as whole highlighting both his personality and his skilled diplomacy Revitalizes and internationalizes scholarship on this most popular and highly rated American president Covers many aspects of Roosevelt s personality and his policies domestic and foreign to create a complete picture of the man Provides scholarship from both sides of the Atlantic from established Roosevelt specialists respected scholars and a new generation of historians A new and fresh historiographical exploration of Roosevelt s life and ideas political career and achievements and his legacies **T.R.** H. W. Brands,2019-07-23 From the New York Times bestselling author an acclaimed biography of President Teddy Roosevelt Lauded as a rip roaring life Wall Street Journal TR is a magisterial biography of Theodore Roosevelt by bestselling author H W Brands In his time there was no more popular national figure than Roosevelt It was not just the energy he brought to every political office he held or his unshakable moral convictions that made him so popular or even his status as a bonafide war hero Most important Theodore Roosevelt was loved by the people because this scion of a privileged New York family loved America and Americans And yet according to Brands if we look at the private Roosevelt without blinders we see a man whose great public strengths

hid enormous personal deficiencies he was uncompromising self involved and a highly imperfect brother husband and father Beautifully written and powerfully moved by its subject TR is the classic biography of one of America s greatest and most complex leaders      **Roosevelt the Explorer** H. Paul Jeffers,2002-11-04 Jeffers book chronicles Theodore Roosevelt s lifelong quests and expeditions thrilling and often dangerous journeys that produced much important scientific research and took him across North America South America and Africa      **Never Call Retreat** J. Thompson,2014-01-15 The first modern account of Theodore Roosevelt and the First World War this is a tale of war and politics as well as the private story of true love and family devotion a story as multi faceted as TR s own personality      **River Without a Cause** Sam Moses,2024-03-05 A riveting journey down Theodore Roosevelt s river of doubt with a diverse crew of adventurers scientists and Indigenous leaders who shine light on the past present and future of a natural wonder Sam Moses took part in the adventure of a lifetime when he along with seventeen men and two women embarked on the Rio Roosevelt Expedition They would follow the former president s wake down five hundred miles of extreme whitewater into the dark heart of the Amazon The party was guided by two chiefs from the Cinta Larga tribe the same tribe that stalked Roosevelt s expedition in 1914 who between rapids tell the story of the tribe s own Trail of Tears After the wildest whitewater is past Moses travels with the chiefs to their village to witness the massive illegal mahogany logging from their forest the Roosevelt Indigenous Territory River Without a Cause puts us in the raft during those heart pounding rapid descents as we experience the drama dynamics and disputes between the Bull Moose and his co leader Brazil s most famous explorer the rigid Colonel Candido Rondon As the Amazon stands on the precipice of hope with the election of a new Brazillian president River Without a Cause is a moving and galvanizing tale of adventure that is a fitting tribute to this world wonder      **The Roosevelt Women** Betty Boyd Caroli,2018-02-27 The Roosevelt name conjures up images of powerful Presidents and dashing men of high society But few people know much about the extraordinary network of women that held the Roosevelt clan together through war scandal and disease In The Roosevelt Women Betty Boyd Caroli weaves together stories culled from a rich store of letters memoirs and interviews to chronicle nine extraordinary Roosevelt women across a century and a half of turbulent history She examines the Roosevelt women as mothers daughters wives and beyond that as world travelers authors campaigners and socialites in short as themselves She reveals how they demonstrated the energy and intellectual curiosity that defined their famous family as well as the roles they played in the intrigues scandals and accomplishments that were hallmarks of the Roosevelt clan From the much maligned Sara Delano who sired Franklin and by turns terrified and supported Eleanor to Theodore s irrepressible daughter Alice I can either rule the country or control Alice Teddy once said to the beloved Bamie who was the only mother Alice ever knew and the model of everything she never was in life to the exceptionally beautiful but ultimately overwhelmed Mittie Theodore s mother The Roosevelt Women is an intricate portrait of bold and talented women a grand tale of both unbearable tragedies and triumphant achievements      **Global West, American Frontier** David M. Wrobel,2013-10-15 This thoughtful

examination of a century of travel writing about the American West overturns a variety of popular and academic stereotypes. Looking at both European and American travelers' accounts of the West from de Tocqueville's *Democracy in America* to William Least Heat Moon's *Blue Highways*, David Wrobel offers a counter narrative to the nation's romantic entanglement with its western past and suggests the importance of some long overlooked authors: lively and perceptive witnesses to our history who deserve new attention. Prior to the professionalization of academic disciplines, the reading public gained much of its knowledge about the world from travel writing. Travel writers found a wide and respectful audience for their reports on history, geography, and the natural world in addition to reporting on aboriginal cultures before the advent of anthropology as a discipline. Although in recent decades western historians have paid little attention to travel writing, Wrobel demonstrates that this genre in fact offers an important and rich understanding of the American West, one that extends and complicates a simple reading of the West that promotes the notions of Manifest Destiny or American exceptionalism. Wrobel finds counterpoints to the mythic West of the nineteenth century in such varied accounts as George Catlin's *Adventures of the Ojibbeway and Ioway Indians in England, France, and Belgium* (1852), Richard Francis Burton's *The City of the Saints* (1861), and Mark Twain's *Following the Equator* (1897), reminders of the messy and contradictory world that people navigated in the past much as they do in the present. His book is a testament to the instructive ways in which the best travel writers have represented the West.

**The Games Presidents Play** John Sayle Watterson, 2021-04-27 This look at the connections between sportsmanship and statesmanship introduces an intriguing way of evaluating presidential fitness for office. *Richmond Times Dispatch*: Whether throwing out the first pitch of the baseball season, fishing for trout, or cheating at golf, American presidents through history have had connections to the world of sports in many ways. This book explores how various commanders in chief worked and played, and how their athletic activities reflected their political identities. The author considers George Washington, whose athleticism contributed to his success on the battlefield and perhaps to the birth of the republic. He moves into the nineteenth century when frontier sports were part of the formative years of Jackson, Lincoln, and Cleveland. With twentieth-century presidents, most notably the hyperactive headline-grabbing Teddy Roosevelt, he shows how the growth of mass media and transportation transformed presidential sports into both a form of recreation and a means of establishing a positive image. Exploring everything from FDR's fight to restore his polio-ravaged body to Eisenhower's obsessive love affair with golf to Nixon's enthusiasm for football, this book uses sports to open a window onto the presidency and the nation's culture, as well as the strengths, weaknesses, and personalities of America's leaders. Watterson's history rises above trivia in its attention to the political ramifications of presidents' sports, while also being a consistently entertaining trove of lore. And as the author puts it, just weird stuff, such as John Q. Adams granting an interview while skinny dipping. A witty and perceptive work. *Booklist*: An enjoyable study of politics and culture. *Publishers Weekly*: Will appeal to history buffs and sports fans alike. *Library Journal*.

[Joe Louis](#) Randy Roberts, 2019-06-18 A humbling, inspiring, deeply emotional biography of

the boxing legend who held the heavyweight world championship for more than eleven years Kirkus Reviews starred review Known as the Brown Bomber Joe Louis defended his heavyweight title an astonishing twenty five times Through the 1930s he got more column inches of newspaper coverage than President Roosevelt At a time when the boxing ring was the only venue where black and white could meet on equal terms Louis embodied Black America's hope for dignity and equality And in 1938 his politically charged defeat of German boxer Max Schmeling made Louis a national hero on the world stage Through meticulous research and first hand interviews acclaimed biographer Randy Roberts presents a complete portrait of Louis and his outsized impact on sport and country Digging beneath the simplistic narratives of heroism and victimization Roberts reveals an athlete who carefully managed his public image and whose relationships with both the black and white communities including his relationships with mobsters were deeply complex Roberts is a fine match with his subject He supports with powerful evidence his contention that Louis's impact was enormous and profound The Boston Globe

*Our Frontier Is the World* Mischa Honeck, 2018-05-15 Mischa Honeck's *Our Frontier Is the World* is a provocative account of how the Boy Scouts echoed and enabled American global expansion in the twentieth century The Boy Scouts of America BSA has long been a standard bearer for national identity The core values of the organization have since its founding in 1910 shaped what it means to be an American boy and man As Honeck shows those masculine values had implications that extended far beyond the borders of the United States Writing the global back into the history of one of the country's largest youth organizations *Our Frontier Is the World* details how the BSA operated as a vehicle of empire from the Progressive Era up to the countercultural moment of the 1960s American boys and men wearing the Scout uniform never simply hiked local trails to citizenship they forged ties with their international peers camped in foreign lands and started troops on overseas military bases Scouts traveled to Africa and even sailed to icy Antarctica hoisting the American flag and standing as models of loyalty obedience and bravery Through scouting America's complex engagements with the world were presented as honorable and playful masculine adventures abroad Innocent fun and earnest commitment to doing a good turn of course were not the whole story Honeck argues that the good natured Boy Scout was a ready means for soft power abroad and gentle influence where American values and democratic capitalism were at stake In other instances the BSA provided a pleasant cover for imperial interventions that required coercion and violence At Scouting's global frontiers the stern expression of empire often lurked behind the smile of a boy

**The Naturalist** Darrin Lunde, 2017-04-11 Winner of the inaugural Theodore Roosevelt Association Book Prize A captivating account of how Theodore Roosevelt's lifelong passion for the natural world set the stage for America's wildlife conservation movement and determined his legacy as a founding father of today's museum naturalism No U S president is more popularly associated with nature and wildlife than is Theodore Roosevelt prodigious hunter tireless adventurer and ardent conservationist We think of him as a larger than life original yet in *The Naturalist* Darrin Lunde has firmly situated Roosevelt's indomitable curiosity about the natural world in the tradition of museum naturalism As a child

Roosevelt actively modeled himself on the men including John James Audubon and Spencer F Baird who pioneered this key branch of biology by developing a taxonomy of the natural world basing their work on the experiential study of nature The impact that these scientists and their trailblazing methods had on Roosevelt shaped not only his audacious personality but his entire career informing his work as a statesman and ultimately affecting generations of Americans relationship to this country s wilderness Drawing on Roosevelt s diaries and travel journals as well as Lunde s own role as a leading figure in museum naturalism today The Naturalist reads Roosevelt through the lens of his love for nature From his teenage collections of birds and small mammals to his time at Harvard and political rise Roosevelt s fascination with wildlife and exploration culminated in his triumphant expedition to Africa a trip which he himself considered to be the apex of his varied life With narrative verve Lunde brings his singular experience to bear on our twenty sixth president s life and constructs a perceptively researched and insightful history that tracks Roosevelt s maturation from exuberant boyhood hunter to vital champion of serious scientific inquiry *Antitrust Law Journal* ,1986

### **Bibliography of Natural History Travel**

**Narratives** Anne S. Troelstra,2017-06-01 Anne Troelstra s fine bibliography is an outstanding and ground breaking work He has provided the academic world with a long needed bibliographical record of human endeavour in the field of the natural sciences The travel narratives listed here encompass all aspects of the natural world in every part of the globe but are especially concerned with its fauna flora and fossil remains Such eyewitness accounts have always fascinated their readers but they were never written solely for entertainment fragmentary though they often are these narratives of travel and exploration are of immense importance for our scientific understanding of life on earth providing us with a window on an ever changing and often vanishing natural world Without such records of the past we could not track document or understand the significance of changes that are so important for the study of zoogeography With this book Troelstra gives us a superb overview of natural history travel narratives The well over four thousand detailed entries ranging over four centuries and all major western European languages are drawn from a wide range of sources and include both printed books and periodical contributions While no subject bibliography by a single author can attain absolute completeness Troelstra s work is comprehensive to a truly remarkable degree The entries are arranged alphabetically by author and chronologically by the year of first publication under the author s name A brief biography with the scope and range of their work is given for each author every title is set in context the contents including illustrations are described and all known editions and translations are cited In addition there is a geographical index that cross refers between authors and the regions visited and a full list of the bibliographical and biographical sources used in compiling the bibliography [With Pythons & Head-Hunters in Borneo](#) Brian Row McNamee,2008-05-28 Award Winner in the Travel Cultural category of the National Best Books 2008 Awards sponsored by USA Book News With Pythons Head Hunters in Borneo The Quest For Mount Tiban is a riveting piece of adventure writing This is the thrilling narrative of the 2003 2006 journeys deep into the heart of Borneo

made by the author and his remarkable indigenous guides This is a classic travel narrative long river voyages and foot trekking expeditions with the ultimate goal of scaling the mysterious allegedly haunted Mount Tiban located near the jungly border between Malaysia and Indonesia Following in the footsteps of comedy adventure writer Redmond O Hanlon s 1983 expedition the author braves dangerous rivers deadly disease pestiferous insects leeches wild animals venomous snakes pythons in an attempt to become the first Westerner to scale Mount Tiban since naturalist explorer Eric Mjoberg in 1925 Brilliantly tying together his own intrepid expeditions with fascinating quotes from famous historic predecessors to include White Rajahs District Officers naturalist scientists military soldiers writers missionaries and explorers the author takes the reader on a rollercoaster ride of emotions while putting together a uniquely complete history of Sarawak Borneo This title is a finalist in the Travel Category of the 2009 National Indie Excellence Awards This book has just won the 2008 USBOOKNEWS COM national award in the Travel Cultural category For more information please visit <http://www.usabooknews.com/bestbooksawards2008.html>
