which for the purposes of this book is its formation in 1959 through to its sale in 1988 it was constantly trying other musical genres looking to grab hits out of jazz country pop rock middle of the road and whatever else might be happening at the time Of course it wasn't particularly successful at some of the other genres although those who claim Motown never did much in the rock market conveniently overlook the healthy sales figures achieved by Rare Earth the group and focus instead on the total sales achieved on Rare Earth the label This book therefore contains biographies of all 684 artists who had releases on Motown and their various imprints as well as biographies of 16 musicians 23 producers 19 writers and 13 executives There are also details of the 50 or so labels that Motown owned licensed to or licensed from All nine films and the 17 soundtracks are also featured Every Motown single and album and EP that made the Top Ten of the pop charts in either the US or UK also have their own entries with 222 singles 84 albums and five EPs being featured Finally there are 36 other entries covering such topics as the Hollywood Walk of Fame the Motortown Revues Grammy Awards and the most played Motown songs on radio The 1 178 entries cover every aspect of Motown and more of the link between Granny in The Beverly Hillbillies and Wonder Woman of the artists from Abbey Tavern Singers to Zulema and the hits from ABC to You Really Got A Hold On Me The Motown Encyclopedia is the story of Motown Records Yesterday Today Forever **The Closest Thing to Crazy** Mike Batt,2024-09-26 Fabulously readable STEPHEN FRY Wildly entertaining DAILY EXPRESS Rollicking ebullient Christmas present problems are instantly solved MAIL ON SUNDAY Nominated for the 2025 Association for Recorded Sound Collections Awards for Excellence in Historical Recorded Sound Research Described variously as a polymath a renaissance man and one of the most colourful characters in the music business Mike Batt has led an extraordinarily vibrant and challenging life that has been full of both glorious victories and bitter failures For better or for worse he is a man who has always lived life on his own terms Idiosyncratic but mainstream complicated but compassionate steadfastly maverick in spirit but avowedly commercial in outlook He is a man of great contradictions but even greater talent After starting out in the music business as a teenager Batt shot to fame in the early 1970s for his part in the creation of the Wombles pop group But this success proved to be just the beginning as he then went on to work with various artists as a songwriter composer and producer including Art Garfunkel George Harrison Cliff Richard Andrew Lloyd Webber and Katie Melua Featuring cameos from some of the biggest stars in the business from Paul McCartney to Prince The Closest Thing to Crazy takes us not only on the rocky and classical journey of Mike Batt's life but also on a tour around the inside of his mind Billboard ,1985-10-05 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Italian Gothic Horror Films, 1970-1979 Roberto Curti,2017-09-11 Italian Gothic horror films of the 1970s were influenced by the violent giallo movies and adults only comics of the era resulting in a graphic approach to the genre Stories often featured over the top violence and nudity and pushed the
