They watch for control for survival for pleasure. We watch for survival for fear for love. A contemporary thriller of rebellion and surrender, love and war. The pressure of my blood, the beat of my heart is a message to you. You read each second of my body's life. It is the present day. The foggy northern city of Port Angelsund is under occupation by the soldiers of Garrison. Sylvie is a young woman just trying to survive. When she is singled out for punishment at a Garrison checkpoint a young lieutenant rescues her from torture. Though she knows the terrible risks of collaboration she cannot stop herself from falling in love. Watched by Garrison's vast machinery of surveillance Sylvie discovers she is also under the protective and suspicious gaze of her lover. When her older brother returns on a terrorist mission that will throw the city into chaos Sylvie's loyalties are tested beyond breaking point. Her deep bond with her brother and her illicit passion for her Garrison officer are loves that cannot coexist. Whatever she does is betrayal. In the spirit of Hiroshima Mon Amour and Suite Française this sensual and heart-breaking novel brings the classic conflicts of war and occupation, devotion and treachery up to the present minute. While the unimaginable power of modern warfare advances Watch Over Me reminds us that the things at stake, survival, refuge and love remain the things worth fighting for. This gem of a novel ticks all the boxes: a book of flaming affections and indefatigable loves, dystopian and convincing, a tale of pilgrimages and adventures, all beautifully textured and lovingly narrated. TOM KENEALLY Booker Prize winning author of Schindler's Ark Corbett's atmospheric landscape with its eerie glacial light, its drifts of fog and explosives, wild geese and Sequestered Forest is so vividly realised and starkly described the cold and fog seem to creep beyond the page. For the struggling residents under military occupation death comes delivered from the sky. Yet for Sylvie and her family love persists in all its forms. MIREILLE JUCHAU author of The World Without Us. **The Christmas Carol Songbook** Allan Small, A fantastic compilation of 52 carols arranged in rich, full versions that are highly pianistic yet playable by the intermediate pianist. Includes all verses. *Christmas Delights, Book 1* Martha Mier, The beautiful sounds of Christmas music delight us each year anew as we celebrate the Season with time-honored Christmas carols and songs. The eight early elementary to elementary arrangements in this compilation will both please and motivate younger piano students who always love to play.
