My Once Upon A Time:

Once Upon a Time in New York... How I Painted My Masterpiece , **Once Upon a Time** ,1879 *Booked for Murder* R.J. Blain,2020-08-18 Life as a bodyguard and driver for the rich famous and powerful is dangerous on a good day and after sustaining a crippling injury while on duty Janette s left with few options Having signed a for life contract but unable to work she uses her skills to disappear Her new life as a librarian suits her Nobody cares she limps and sometimes requires a cane to walk She s wanted for her knowledge not her lethal magic She s surrounded by books a woman s best friend But when her former employer s best friend is murdered on the steps of her library old loyalties and secrets might destroy her or set her free Teaming up with her co workers to find the killer might keep her from being booked for murder but unless she s careful she ll find out exactly how far her ex boss will go to reclaim what is rightfully his Her For life Once Upon a Time and other child-verses Mary E. My Own Florence Falk,2008-03-25 At some point over the course of the average American woman s life she will find herself alone whether she is divorced widowed single or in a loveless isolating relationship And when that time comes it is likely that she will be at a loss as to how to handle it As a society we have an unspoken but omnipresent belief that a woman alone is an outcast inherently flawed in some way In this invigorating supportive book psychotherapist Florence Falk aims to take the fear doubt confusion and helplessness out of being a woman alone Falk invites all women to find their own paths toward an

authentic selfhood to discover the pleasures and riches of solitude and to reconnect with others through a newfound sense of self confidence Like so many women before her Florence Falk found herself divorced alone and unsure of herself Soon she realized that by embracing her solitude for what it was a potentially enriching and life altering experience she could turn what once would have felt like loneliness into a far more positive and empowered aloneness Falk notes that each of us has two opposing drives one causes us to yearn to make close connections with others and the other pulls us back into ourselves into the need for selfhood and certainty that can only be shaped through solitude In order to be whole she says we must heed both of those impulses But in our modern culture the former is stressed while the latter is neglected even vilified On My Own boldly shifts that paradigm With inspiring intimate stories of women from all backgrounds Falk illuminates the essential role that being alone plays in women s lives Whether she is in a stable relationship or on her own every woman must learn to be by herself for if she can be fully free unfettered by society s stigmas about being alone life and all its possibilities will open up for her And as Falk demonstrates once a woman has discovered the richness of solitude she is not likely to give it up so easily

Playing with Fire R.J. Blain,2017-01-30 Warning This novel contains excessive humor a fire breathing unicorn on a mission of destruction magic romance and bodies Proceed with caution Catering to the magical is a tough gig on a good day but Bailey has few other options Spiking drinks with pixie dust keeps the locals happy and beats cleaning up the world s nastiest magical substances She could live without serving Police Chief Samuel Quinn most days of the week especially after destroying his marriage But when she s targeted with a cell phone bomb containing gorgon dust capable of transforming her beloved home into a stone tomb she s tossed head first into a mess with her sexiest enemy Add in his ex wife angling for revenge and Bailey must use every trick up her sleeve to survive The last thing she needs is to fall in love with Manhattan s Most Wanted Bachelor Saving Manhattan will be tough enough *Muse in the Gothic Tower* Angelica Hancock,2013-05 We glorify our good experiences but we learn and grow most from our heartache and mistakes This compilation is one person s twenty year journey through the emotional hardships and joys of being human Our past is light and dark as are we and to be truly whole is to embrace both Now upon this time I struggle to find meaning Now upon this time the day ends with no accomplishment Now upon this time my joy of work is absent Now upon this time I am defined by my role alone Thence upon a time will this pattern be broken Thence upon a time my satisfaction will be returned Thence upon a time a decision made will I present Thence upon a time will earned respect remain paid Indeed my once upon a time will end with happily ever after Indeed my once upon a time will become the tale of my present Indeed my once upon a time will no longer be the precursor By my honor by my deed by my vow thus made to me *Sakshi* Abhishek Tundurwar,2020-07-26 Sakshi is a reflection of the words and feelings which invariably encrypt from the soul It is a combination of beliefs and emotions with the aura of unique terminology that always tries to depict from the articulation of phrases As an introvert mind words always want to underwrite their terms and messages radically And with this every time words always visualize the fact and

contentions which uphold idioms to decrypt all those notions of the soul and prevail the encrypted feelings The book is all about the feelings and assumptions of beliefs that the author has been through **Once Upon a Monk** T. C. Abel,2011 You are about to embark into a book that has taken four years in the making Once Upon a Monk will hopefully support all readers in better understanding life woven into a fabric of monklоре over the centuries This living story of one monastic man who continues an ongoing discovery of his real self will help to turn the pages of your life if you so desire In experiencing his personal process of Individuation time never stops but takes him through many reincarnations These pages tell his story of his twenty year monastic lifestyle that enriched his ongoing growth on the trellis Much of this transformation is available to everyone As John Henry Newman wrote over a century ago In a higher world it might be otherwise but here below to live is to change and to be perfect is to change often Nearly Nostalgia Wayne Slingluff,2024-02-16 Wayne Slingluff is a retired software engineer who has lived on Long Island NY for over 40 years His wife Joan has put up with him even longer He comments on memories of a computer career art family and life in general _ not so long ago but gone forever As great events roiled the world from 1990 to 2010 normal busy lives continued He writes of theirs fondly chaotically nostalgically and with a patina of current philosophic comments None involve famous events or people He claims Perhaps this is a little like Boethius Consolations of Philosophy I too will be executed by fate sometime in the not so distant future Meanwhile writing can be good for mind and soul Work without stress There is advice but no get rich quick schemes No cosmic revelations We made our way and fulfilled modest ambitions We were and continue to be happy appreciative and thankful for all those recent times gone by The theme is that one need not conquer the world nor win battles against great odds to have a satisfying personal professional and family existence *Entrapped Emotions ...and the Wisdom Behind Them* J. J. Pires,2012-03 Entrapped Emotions You feel like you don t belong You feel no matter what you do it feels wrong It s too good to leave and too bad to stay Yet too many will be hurt if you run away So you endure bury yourself deep in thought Your sanity has been your only escape port As you dive deep into your inner emotion The pain sticks like sand washing up from the ocean With an intensity that won t let you break free So come look inside the book and you will see A stealth modern day warfare hidden well But is it Matrimonial bliss or one living hell **Once Upon A Wish** Alethea Kontis,Colleen Gleason,C.
