## **My Petition For More Space:**

**My Petition For More Space** John Hersey, 2019-09-04 A street in New Haven A line of people blocks long more closely packed than the rush hour subways of the good old times Poynter has been on the line since before dawn as are thousands of others pressed together waiting their turns at the window to present their individual petitions His is for more space a notion so preposterous that when it is discovered it shocks reverberates down the line almost triggering violent reactions In front of Poynter so tightly jammed against him that he can see no more than the side of her face is a girl petitioning to change her job And locked together in this fearful proximity they talk explore their predicaments and perhaps fall in love My Petition for More Space chills by its glimpse of a world grown so crowded that dissent is an inconceivable crime and acquiescence the law of survival Feelings of hope and fear desire anger frustration erupt sporadically sparked by the friction of numbers Call it tonight s disturbing dream or a coldly logical scenario of things to come John Hersey s taut novel stings the mind **My**

**Petition for More Space** John Hersey, 1975 Humanity is confined by extreme overcrowding and ever present bureaucracy

**Track Changes** Matthew G. Kirschenbaum, 2016-05-02 Writing in the digital age has been as messy as the inky rags in Gutenberg s shop or the molten lead of a Linotype machine Matthew Kirschenbaum examines how creative authorship came to coexist with the computer revolution Who were the early adopters and what made others anxious Was word processing just a better typewriter or something more **The ISLE Reader** Michael P. Branch, Scott Slovic, 2003 This volume gathers nineteen of the most representative and defining essays from the journal ISLE Interdisciplinary Studies in Literature and Environment over the course of its first ten years Following an introduction that traces the stages of ecocriticism s development The ISLE Reader is organized into three sections each of which reflects one of the general goals the journal has sought to accomplish The section titled Re evaluations provides new readings of familiar environmental writers and new environmental perspectives on authors or literary traditions not usually considered from a green perspective The writings in Reaching Out to Other Disciplines promote cross pollination among various disciplines and methodologies in the environmental arts and humanities The writings in the final section New Theoretical and Practical Paradigms are especially significant for the conceptual and methodological terrain they map The ISLE Reader documents the state of research in ecocriticism and related interdisciplinary fields provides a survey of the field and points to new methodologies and possibilities for the future **Nature & Science on the Pacific Coast** , 1915 **Page Fright** Harry Bruce, 2009-09-22 A

witty round up of writers habits that includes all the big names such as Dickens Flaubert Tolstoy Hemingway At public events readers always ask writers how they write The process fascinates them Now they have a very witty book that ranges around the world and throughout history to answer their questions All the great writers are here Dickens dashing off his work Henry James dictating it Flaubert shouting each word aloud in the garden Hemingway at work in caf s with his pencil But pencil or pen trusty typewriter or computer they all have their advocates Not to mention the writers who can only keep the words

flowing by writing naked or while walking or listening to music and generally obeying the most bizarre superstitions On Shakespeare s works Fantastic And it was all done with a feather Sam Goldwyn I write nude seated on a thick towel and perhaps with a second towel around me Paul West I ve never heard of anyone getting plumber s block or traffic cop s block Allan Gurganus I m a drinker with a writing problem Brendan Behan      Where the Wild Books Are Jim Dwyer,2010-04-01 As interest in environmental issues grows many writers of fiction have embraced themes that explore the connections between humans and the natural world Ecologically themed fiction ranges from profound philosophical meditations to action packed entertainments Where the Wild Books Are offers an overview of nearly 2 000 works of nature oriented fiction The author includes a discussion of the precursors and history of the genre and of its expansion since the 1970s He also considers its forms and themes as well as the subgenres into which it has evolved such as speculative fiction ecodefense animal stories mysteries ecofeminist novels cautionary tales and others A brief summary and critical commentary of each title is included Dwyer s scope is broad and covers fiction by Native American writers as well as ecofiction from writers around the world Far more than a mere listing of books Where the Wild Books Are is a lively introduction to a vast universe of engaging provocative writing It can be used to develop book collections or curricula It also serves as an introduction to one of the most fertile areas of contemporary fiction presenting books that will offer enjoyable reading and new insights into the vexing environmental questions of our time      *Mr. Straight Arrow* Jeremy Treglown,2019-04-23 A monumental reevaluation of the career of John Hersey the author of Hiroshima Few are the books with as immediate an impact and as enduring a legacy as John Hersey s Hiroshima First published as an entire issue of The New Yorker in 1946 it was serialized in newspapers the world over and has never gone out of print By conveying plainly the experiences of six survivors of the 1945 atomic bombing and its aftermath Hersey brought to light the magnitude of nuclear war And in his adoption of novelistic techniques he prefigured the conventions of New Journalism But how did Hersey who was not Japanese not an eyewitness not a scientist come to be the first person to communicate the experience to a global audience In *Mr Straight Arrow* Jeremy Treglown answers that question and shows that Hiroshima was not an aberration but was emblematic of the author s lifework By the time of Hiroshima s publication Hersey was already a famed war writer and had won a Pulitzer Prize for Fiction He continued to publish journalism of immediate and pressing moral concern his reporting from the Freedom Summer and his expos s of the Detroit riots resonate all too loudly today But his obsessive doubts over the value of his work never ceased *Mr Straight Arrow* is an intimate exacting study of the achievements and contradictions of Hersey s career which reveals the powers of a writer tirelessly committed to truth and social change      **Science Fiction and Fantasy Literature** R. Reginald,Douglas Menville,Mary A. Burgess,2010-09-01 Science Fiction and Fantasy Literature A Checklist 1700 1974 Volume one of Two contains an Author Index Title Index Series Index Awards Index and the Ace and Belmont Doubles Index      **The Continuum Encyclopedia of American Literature** Steven R. Serafin,Alfred Bendixen,2005-09-01 More than ten years in

the making this comprehensive single volume literary survey is for the student scholar and general reader The Continuum Encyclopedia of American Literature represents a collaborative effort involving 300 contributors from across the US and Canada Composed of more than 1 100 signed biographical critical entries this Encyclopedia serves as both guide and companion to the study and appreciation of American literature A special feature is the topical article of which there are 70

*Intended Consequences* Donald T. Critchlow, 2001-05-10 After World War II U S policy experts convinced that unchecked population growth threatened global disaster successfully lobbied bipartisan policy makers in Washington to initiate federally funded family planning In *Intended Consequences* Donald T Critchlow deftly chronicles how the government s involvement in contraception and abortion evolved into one of the most bitter partisan controversies in American political history The growth of the feminist movement in the late 1960s fundamentally altered the debate over the federal family planning movement shifting its focus from population control directed by established interests in the philanthropic community to highly polarized pro abortion and anti abortion groups mobilized at the grass roots level And when the Supreme Court granted women the Constitutional right to legal abortion in 1973 what began as a bi partisan quiet revolution during the administrations of Kennedy and Johnson exploded into a contentious argument over sexuality welfare the role of women and the breakdown of traditional family values *Intended Consequences* encompasses over four decades of political history examining everything from the aftermath of the Republican moral revolution during the Reagan and Bush years to the current culture wars concerning unwed motherhood homosexuality and the further protection of women s abortion rights Critchlow s carefully balanced appraisal of federal birth control and abortion policy reveals that despite the controversy the family planning movement has indeed accomplished much in the way of its intended goal the reduction of population growth in many parts of the world Written with authority fresh insight and impeccable research *Intended Consequences* skillfully unfolds the history of how the federal government found its way into the private bedrooms of the American family [The Cambridge Companion to Utopian Literature](#) Gregory Claeys, 2010-08-05 Since the publication of Thomas More s genre defining work *Utopia* in 1516 the field of utopian literature has evolved into an ever expanding domain This Companion presents an extensive historical survey of the development of utopianism from the publication of *Utopia* to today s dark and despairing tendency towards dystopian pessimism epitomised by works such as George Orwell s *Nineteen Eighty Four* and Margaret Atwood s *The Handmaid s Tale* Chapters address the difficult definition of the concept of utopia and consider its relation to science fiction and other literary genres The volume takes an innovative approach to the major themes predominating within the utopian and dystopian literary tradition including feminism romance and ecology and explores in detail the vexed question of the purportedly western nature of the concept of utopia The reader is provided with a balanced overview of the evolution and current state of a long standing rich tradition of historical political and literary scholarship

**A Study Guide for John Hersey's "A Bell For Adano"** Gale, Cengage Learning, 2015-09-15 A Study Guide for John

Hersey's *A Bell for Adano* excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Novels for Students* for all of your research needs. **Hiroshima** John Hersey, 2019-06-05 Pulitzer Prize-winning journalist and bestselling author John Hersey's seminal work of narrative nonfiction, which has defined the way we think about nuclear warfare. One of the great classics of the war. *The New Republic* that tells what happened in Hiroshima during World War II through the memories of the survivors of the first atomic bomb ever dropped on a city. The perspective *Hiroshima* offers from the bomb's actual victims is the mandatory counterpart to any Oppenheimer viewing *GQ Magazine*. Nothing can be said about this book that can equal what the book has to say. It speaks for itself and in an unforgettable way for humanity. *The New York Times* *Hiroshima* is the story of six human beings who lived through the greatest single manmade disaster in history. John Hersey tells what these six—a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest—were doing at 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city. Then he follows the course of their lives hour by hour, day by day. *The New Yorker* of August 31, 1946, devoted all its space to this story. The immediate repercussions were vast; newspapers here and abroad reprinted it during evening half hours; it was read over the network of the American Broadcasting Company; leading editorials were devoted to it in uncounted newspapers. Almost four decades after the original publication of this celebrated book, John Hersey went back to Hiroshima in search of the people whose stories he had told. His account of what he discovered about them, the variety of ways in which they responded to the past and went on with their lives, is now the eloquent and moving final chapter of *Hiroshima*. **A Single Pebble** John Hersey, 2019-06-26 A young American engineer sent to China to inspect the unruly Yangtze River travels up through the river's gorges searching for dam sites. Pulled on a junk hauled by forty odd trackers, he is carried too into the settled ancient way of life of the people of the Yangtze until the interplay of his life with theirs comes to a dramatic climax. **Holocaust Literature: Agosin to Lentin** S. Lillian Kremer, 2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences. The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first, second, and third generation survivors or important thinkers and spokespersons on the Holocaust. An essential literary reference work, this publication is an important addition to the genre and a solid value for public and academic libraries. *The Top 20 Reference Titles of the Year* American Libraries May 2004 *Encyclopedia of Twentieth Century Journalists* William H. Taft, 2015-07-16 Originally published in 1986, this book is a unique compilation of biographical sketches which covers editors, publishers, photographers, bureau chiefs, columnists, commentators, cartoonists, and artists. Alphabetical entries provide overviews of the lives and personalities of a good cross section of important people. There is also a short essay on awards and prize winners. Everything is efficiently indexed. This is a

supremely useful reference tool for those in mass media and popular culture fields

### **Fling and Other Stories** John

Hersey, 2019-09-04 Writing in a new and different mode John Hersey who has enriched us with such memorable novels as *A Bell for Adano* and *The Wall* now gives us his first collection of short stories A superb and witty storyteller he invents a variety of voices A boy remembers his childhood summer on the North China sea and the typhoon that punished the fire and brimstone preacher for the sin of pride A scullery maid tells of the time she took her master's prize catch with her on a blind date An apprentice on a lobster trawler is an uncomfortable witness to the humiliation of his captain known to be the best lobstering skipper out of either Menemsha or New Bedford In the title story *Venus* an insouciant septuagenarian recaptures in a dazzling tone perfect recitation the world of the rich and spoiled Lost Generation as she and her Michelangelic husband are adventuring in Willa Cather land and indulge in what turns out to be their last fling In these beautifully crafted stories Hersey proves himself to be a master of the form and his eleven tales will delight all who love a good short story

### **Too Far**

**to Walk** John Hersey, 2020-06-23 John Fist is a talented overachiever who has become restless and bored in his second year at Sheldon an elite New England college He is losing motivation increasingly finding it too far to walk to his philosophy class across campus So when the devil in sophomore's clothing a fellow student named Chum Breed offers him all the most intense experiences of the modern world in exchange for a twenty six week lease on his soul Fist eagerly signs up The anticipated adventures however turn out not to be quite what he had bargained for Pulitzer Prize winner John Hersey's *Too Far to Walk* is a bracing updating of the classic Faust legend a compelling coming of age novel and a masterful work of mid century fiction

**Blues** John Hersey, 2019-06-26 From the revered Pulitzer Prize winning journalist and writer comes his National Bestseller on one of the world's oldest and most popular activities fishing Presented in narrative form as a conversation between a Fisherman and the Stranger Hersey draws upon his own experiences and passion as the fisherman reflects on the age old sport offering his own insights and thoughts From the depths of the ocean to the creatures near the shore Hersey perfectly answers why fishing has been such an integral part of humanity Almost no one has answered why fish better than Mr Hersey what he does best of all is evoke wonder New York Times Book Review *Blues* is of course about much more than the pleasures and techniques of fishing it is as Fisherman tells Stranger about interconnections the ties between mankind and the natural world among others The New Yorker Wonderful He gives us a rich and vivid sense of ocean life The whole thing is as stately as a minuet and as graceful Chicago Sun Times
