Smith,2013-04 I was lying on the floor in my closet in the dark afraid to go to sleep afraid the nightmare would return I had been to a psychiatrist I told him about sleeping in the closet and he told me that was normal He said Everyone feels a need to sleep in the closet at times This was in 1983 and at one hundred dollars an hour I discontinued the visits I did not tell him about the nightmare It was always the same nightmare When the marriage was at its worst the nightmare occurred more often When the job was at its worst the nightmare occurred more often When both the job and the marriage were at their worst the nightmare became more real and it was then that I was afraid to come out of the closet It was then that I was afraid to go to sleep     *Blood in Water 8 Short Stories* Madeleine Watson,2020-06-20 Between 2011 and 2014 I wrote eight short stories I had been writing stories since I was about six Weird scenarios would enter my head and I would feel compelled to write about them *Blood in Water* relates on Abby who makes an awful discovery about her family *Dead Letter Room* samples the life of lonely Finch at his workplace *Outside* enters the disturbed mind of an ex convict and *What Goes Around* considers the makings of a bully On the surface all appear to delve into diverse worlds and minds But this isn't quite so They are all about alienation My other stories are the same alienation It goes right back to my early children's mysteries of the Seventies How strange I hadn't noticed The reason is that I would make my own personal discovery in 2016 I was fifty one years old and living with my partner and two children Until then I was completely unaware of a vital truth about myself This truth has leaked into my stories and creations without my realisation This account is true Relevant diary entries have been included as well as illustrations Analyses and further dissections provides an insight into the force behind these stories and ventures into the strange phenomena I have discovered It's like a ghost language     *The Adventures of Rose Flocken* Sylvia Snyder,2002-04 In this fast paced outrageous comedy *THE ADVENTURES OF ROSE FLOCKEN* tells the story of an imaginative gutsy lady who finds herself and her friends in situations so funny as to make you double over with laughter This housewife takes advantage of opportunities put before her and manages to parlay her good luck in supposedly unfeasible directions She outsmarts all who try to outwit her A psychiatrist and the law fall before her nervy behavior Rose triumphs bringing with her friends from different backgrounds and falls just as quickly only to pick herself up and start all over The more you learn about Rose Flocken the more you'll understand that nothing is impossible in this story with enough vitality for three books You'll be swept up into her escapades and laugh all the way through it So as you open *THE ADVENTURES OF ROSE FLOCKEN* to Chapter 1 notice that it begins simply enough with a wife Rose Flocken preparing breakfast for her husband What could possibly go wrong     *POD* Stephen Wallenfels,2011-08-01 *POD* is the story of a global cataclysmic event told from the viewpoints of Megs a twelve year old streetwise girl trapped in a hotel parking garage in Los Angeles and sixteen year old Josh who is stuck in a house in Prosser Washington with his increasingly obsessive compulsive father Food and water and time are running out Will Megs survive long enough to find her mother Will Josh and his father survive each other     *A Choice of Evils* Joe Thompson-Swift,2011-12-19 Jack the thief comes out of retirement seduced by easy money
