It Is the Same Light Daljit Singh Jawa, 2014-11-14 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the world's fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankind's religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume five of the *It Is The Same Light* series SGGS pages 801 1000 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurmukhi history or context The following are some of the comments received on the volume 1 pages 1 200 of SGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabads summary message is given there is connection between the shabads to reveal continuity of thought process in Guru Ji's message Thanks to S Daljit Singh Ji for the great work which will benefit future generations understand Guru Ji's message easily Amarjit Singh M D University at Buffalo Buffalo NY A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granths many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general Barry Crawford Ph D Washburn University Topeka Kansas

AN EXPOSITION OF THE PARABLES Benjamin Keach, 2023-12-23 Originally written in 1701

this classic work has seen several reprinted versions in the nineteenth century and beyond In this volume Benjamin Keach introduces each parable as a sermon with lessons that help the reader find application Keach s thorough familiarity with Scripture shines in every page of this study as he compares epistle messages and Old Testament commands with the lessons of each parable providing the reader wide and deep access to scriptural study surrounding the parables Building the Benedict Option Leah Libresco,2018-07-11 Building the Benedict Option is a combination spiritual memoir and practical handbook for Christians who want to build communities of prayer socialization and evangelization in the places where they live and work Beginning when the author was a new convert she desired more communal prayer and fellowship than weekly Mass could provide She surveyed her friends busy young urban professionals like herself and created unique enriching or supportive experiences that matched their desires and schedules The result was a less lonely and more boisterous spiritual and social life No Catholic Martha Stewart Libresco is frank about how she plans events that allow her to feed thirty people on a Friday night without feeling exhausted She is honest about the obstacles to prayer and the challenge to make it inviting and unobtrusive Above all she communicates the joy she has experienced since discovering ways to open her home even when it was only a small studio apartment The reader will close this book with four or five ideas for events to try over the next few weeks along with the tools to make them fruitful From film nights to picnics in the park to resume writing evenings there are plenty of ideas to choose from and loads of encouragement to make more room in one s life for others **An exposition of the Parables** Benjamin Keach,1856 **Authenticated Report of the Discussion which Took Place Between the Rev.
