Part I, Born With A Mission** James Allan Matte,2006 He was born with The Caul invulnerable to Danger Destined for Adventure According to legend those born with the Caul a protective membrane covering an infant s body are special beyond measure resistant to physical harm until a fabulous destiny has been fulfilled On a cold March night in 1931 the extraordinary James Markham emerges into the world enveloped by the Caul which stands as a prophecy to the wonders and tribulations he will encounter in his life Born with a Mission is the first installment in the epic trilogy The Caul establishing the early adventures of the young Jim Markham Taught early by his French Canadian Grandmaman in Montreal to face challenges instead of retreating from them Markham learns that he is indeed different and assumes a responsibility of defending the weak and powerless that travels both the years of his life and the lands of this earth This is a story of self sacrifice and justice From taking a beating for a victimized schoolmate in boarding school to defending the honor of a black friend hounded by a racist punk in New York to preventing a mad Frenchman from killing his wife in a bar it s evident that James Markham may very well be a foundation of hope and fortitude for dark dark times ahead Prepare yourself for an expedition across this wondrous and terrible world through the eyes of a courageous young man secured by his faith and powers beyond comprehension trained by the United States Air Force and Office of Special Investigations to confront and obliterate evil **Subject Guide to Children's Books In Print, 1990-1991** R R Bowker Publishing,1990-09 **Books in Print Supplement** ,1982
