Flett, 2024-11-01 Setting the Captives Free After suffering with suicidal thoughts and addictions for many years Alfred Flett found himself back in the very church he'd attended as a child Christianity wasn't practised in his home but he was made to attend Sunday school where he heard the life changing words of John 3:16 But he eventually dropped out of Sunday school and never returned to church until he was an adult The path he chose left him a broken young man and life seemed hopeless He tried self-help techniques like psychology and counselling but nothing seemed to help His need went beyond the physical and emotional He was running away from his Creator who had made him for a purpose Have you ever asked yourself Why am I here Who created me What's my purpose Alfred found the answer in the person of Jesus Christ He filled the spiritual vacuum in his life and He can do the same for you

The Baboon's Left Testicle (Part One of Two) Andrew Baker, Gary McArthur, 2008-12-31 What is there against a Baboon's Left Testicle And before you all scream The right one of course I feel duty bound to inform you that in this case you would be mistaken for our baboon has suffered a most intimate and injurious injustice his right testicle has been wrenched from its furry pouch by a person or persons unknown in order to fulfil a long held prophesy and set afoot plans for world domination And herein lies the confusion in our tale does the offending scrotal raider have the right one for the job or is it the wrong one being the right one Set alongside this an unlikely group of misfits including some completely oblivious newly weds a 200 year old dead gay unidextrous pie maker and his curious short-arsed lover by the name of Gerard O had a murderous army of Welsh zombies and an all stitching all dancing counter army of equally murderous Pearly Kings and Queens and you have an almighty pile of baboon excrement but an equally almighty bloody good read *Shakespeare's Dramatic Works*

The Disenchanted Self H. Marshall Leicester Jr., 2023-04-28 The question of the dramatic principle in the Canterbury Tales of whether and how the individual tales relate to the pilgrims who are supposed to tell them has long been a central issue in the interpretation of Chaucer's work Drawing on ideas from deconstruction psychoanalysis and social theory Leicester proposes that Chaucer can lead us beyond the impasses of contemporary literary theory and suggests new approaches to questions of agency representation and the gendered imagination Leicester reads the Canterbury Tales as radically voiced and redefines concepts like self and character in the light of current discussions of language and subjectivity He argues for Chaucer's disenchanted practical understanding of the constructed character of the self gender and society building his case through close readings of the Pardoner's Wife of Bath's and Knight's tales His study is among the first major treatments of Chaucer's poetry utilizing the techniques of contemporary literary theory and provides new models for
