My Grandma And I:

My Grandma and Me Mina Javaherbin, 2024-10-15 A celebration of specific manifestations of universal love A deep and beautiful book modeling grandmothers as heroines Kirkus Reviews starred review In this big universe full of many moons I have traveled and seen many wonders but I have never loved anything or anyone the way I love my grandma While Mina is growing up in Iran the center of her world is her grandmother Whether visiting friends next door going to the mosque for midnight prayers during Ramadan or taking an imaginary trip around the planets Mina and her grandma are never far apart At once deeply personal and utterly universal Mina Javaherbin's words make up a love letter of the rarest sort the kind that shares a bit of its warmth with every reader Soft colorful and full of intricate patterns Lindsey Yankey's illustrations feel like a personal invitation into the coziest home filled with familial adoration *Why I Like My Grandma's House* W.R. Langston, 2011-04-14 In the eyes of a child there is no one more special than grandma Why I Like My Grandma's House is designed for parents or grandparents to spend quality time with their child This book helps with learning and understanding a child's likes and dislikes while building a stronger bond between parent and child *My Grandma and I* Zainabu Renner, 1998-03 *Heidi's Trail* Emma Jane Goodman, 2016-07-07 Heidi's Trail is about a little girl who lives in the South and is lucky enough to live next door to her grandparents Her papa is always taking her on wild adventures that he calls life survival lessons Heidi's grandmother calls his lessons a one way ticket to reform school Papa's lessons are all in good fun and Heidi does learn a lot from him She would learn that the most important lesson in life is your family **"Grandma, I Lost the Pass Code to My Brain!"** Lois Dappen Hinkly, 2015-06-29 Grandma I Lost the Pass Code to My Brain and God is not helping me These are the exact words my six year old granddaughter said to me at the end of a really bad day She was feeling disconnected from who she was and what she was capable of achieving at that moment in her life She had lost her sense of ease within herself Fortunately through my experience teaching in public schools for 30 years taking a wide variety of classes and starting a business focusing on fun ways to learn about yourself I knew what to say to her My granddaughter is not alone Many of us can feel lost or overwhelmed by daily events It is time to share what I've learned with other caretakers of today's children parents teachers and leaders In this book the Nine Keys for Better Tomorrows help address issues that keep children and adults from reaching their potential achieving their purpose and finding fulfillment in life You will learn how to Raise your listening thought emotion and energy INTELLIGENCES Build self esteem stop invalidation and know you matter Uncover your and your children's self preferences through the science of numbers using birth dates and given names at birth Find out about the seasons of life through the Nine Year Cycle theory Learn from natural teachers animals fairy tales cultural characters color and planets so you too can build better tomorrows **Shhh, Grown Folks Is Talking** Jacquinita A. Rose, 2012-05-08 I am Mom because of my nurturing parents My Grandparents Leroy and Roberta I wanted my children to realize that I didn't start life at 40 The knowledge of how to fairly delegate chores and to regulate video game usage did not

happen by osmosis For my sake and theirs my children needed to know their family history So why not begin with me As a kid and a teenager I marveled at how Grandma and Grandpa although not proper English speakers had a way of explaining things So any words from their lips were right and true Nestled comfortably beneath the sofa I relished every word From my world view as a child there existed two categories Grandma and Grandpa and then everybody else Learn how I fought my way through adolescence the pains of fitting in and cynicism with the help and love of my grandparents and some well organized mischief
