Everyone must deliver a speech or story pertaining to what their lives were like. Drama thriller love hate and sorrow are just a few of the trays that each person's story contains. Regardless of how malicious or righteous their lives were at the end each person may get a second chance. But it'd be up to The Hearing Court to decide which person would have such a chance. This time there was no need for a lawyer or a reading of their inalienable rights. This time they had no rights only a courtroom filled with anxious and unbiased listeners who would have no sympathy for one's tears begging or melancholy case. In a court where time doesn't matter and love and hope dance together speakers try their best to recount what could be their last story. **MotorBoating**, 1953-12
