Meadow Fields spent her childhood with despicable men As a girl she felt lost used and dirty and she wrote this book to help others who have felt the same way Growing up she was told she did not matter and when she reported sexual abuse she was called a liar As a result she s struggled to trust anyone While she s made lots of headway flashbacks have been with her all her life and the only way she s been able to continue is with the help of Jesus Christ In this book she strives to provide hope and encourage others by drawing on lessons from Scripture to inspire victims She emphasizes that every day you wake up is a day of purpose and that your life has value While we may not always understand why we re facing certain struggles or how things will work out God will always make a way Join the author as she shares how her faith and courage allowed her to overcome trauma

Winds of Change J. Pelletier, 2010-08-31 I could blame all this on my grandmother She's the one who sent me to this place without even a word to warn that I would wake up in the middle of an arid plain with the sun literally cooking every inch of exposed skin Because of her I was chosen to succeed the current chieftain of one of the four ruling Cities of the plainspeople who inhabit this parched world A decision that has resulted in a war I have no hope of surviving I might be able to negotiate a surrender before the allied territories raze my City to the ground But what kind of choice is that A surrender would mean my execution and I am definitely not ready to die

No Son of Mine Jonathan Corcoran, 2024-04 Born and raised in rural West Virginia Jonathan Corcoran was the youngest and only son of three siblings in a family balanced on the precipice of poverty His mother a traditional evangelical and insular woman who had survived abuse and abandonment was often his only ally Together they navigated a strained homelife dominated by his distant gambling addicted father and shared a seemingly unbreakable bond When Corcoran left home to attend Brown University a chasm between his upbringing and his reality began to open As his horizons and experiences expanded he formed new bonds beyond bloodlines and met the upper middle class Jewish man who would become his husband But this authentic life would not be easy and Corcoran was forever changed when his mother disowned him after discovering his truth In the ensuing fifteen years the two would come together only to violently spring apart As the COVID 19 pandemic raged in 2020 the cycle

finally ended when he received the news that his mother had died In No Son of Mine Corcoran traces his messy estrangement from his mother through lost geographies the trees mountains and streams that were once his birthright as well as the lost relationships with friends and family and the sense of home that were stripped away when she said he was no longer her son A biography nestled inside a memoir No Son of Mine is Corcoran s story of alienation and his attempts to understand his mother s choice to cut him out of her life Through grief anger questioning and growth Corcoran explores the entwined yet separate histories and identities of his mother and himself
