My Hairiest Adventure:

My Hairiest Adventure (Goosebumps #26) R. L. Stine, 2018-09-25 Larry Boyd just found the coolest thing in the trash. It's an old bottle of INSTA TAN Rub on a dark suntan in minute that's what the label says. So Larry and his friends do. But nothing much happens. Until Larry notices the hair. Dark spiky hair growing on his hands and face. Really gross shiny hair. Hair that keeps growing back even after he shaves it off.

My Hairiest Adventure R. L. Stine, 2006-10-01 Finding a discarded bottle of tanning lotion that claims to give its users an instant tan. Larry applies the product and is amazed when he sprouts dark spikey hair on his hands and face that keeps growing back despite all his efforts.

My Hairiest Adventure R.L. Stine, 1994-01-01 When Larry and his friends find an old bottle of Insta Tan they decide to use it. Instead of getting a tan, Larry starts growing hair all over his body.

My Hairiest Adventure R. L. Stine, 2006 When Larry uses an old bottle of Insta tan that he found in the trash, some very unusual and scary things begin to happen.

The Art of Goosebumps Sarah Rodriguez, 2021-11-17 Featuring tons of fun facts about the series alongside a walkthrough of all books and covers in the Goosebumps collections, this art book is a must have for old and new fans alike. In the summer of 1992, Scholastic tasked two terrifyingly talented artists with creating the cover paintings for the books that would premiere the Goosebumps series. At that time, four books in the line were being market tested by the publisher to see how young readers would react to R. L. Stine's particular brand of humor-tinged horror. One element that was sure to catch the attention of little eyes everywhere was striking cover art, and boy did they find it. The imagery provided by the covers of the Goosebumps series is part and parcel to the 90s Kid zeitgeist, helping to create a visual brand for R. L. Stine's smash hit horror series. The covers helped set the tone for the numerous adaptations of the series, including a television series, a theatre experience, and more recently, blockbuster films.

The 100 Most Popular Young Adult Authors Bernard A. Drew, 1997-10-15 The book focuses on individuals writing in the 90s but also includes 12 classic authors, e.g. Mark Twain, Louisa May Alcott, J. R. R. Tolkien, who are still widely read by teens. It also covers some authors known primarily for adult literature, e.g. Stephen King, and some who write mainly for middle readers but are also popular among young adults, e.g. Betsy Byars. An affordable alternative to multivolume publications, this book makes a great collection development tool and resource for author studies. It will also help readers find other books by and about their favorite writers.

Children's Literature Hannah Nuba, Michael Searson, Deborah Lovitky Sheiman, 2013-09-13 This chronological guide to the developmental stages and corresponding literary needs and preferences of early childhood is the unique result of combining the expertise of educational professionals with that of a children's librarian. Each chapter describes a developmental stage of childhood and presents appropriate books for that reading level, providing expert guidance in today's crowded children's book market.
