Vadney, 2021-12-14 In the first political biography of Donald Richberg Thomas E Vadney traces the continuities and discontinuities in the American reform tradition from the days of the Progressives to the years after the New Deal Richberg's strong advocacy of the earlier liberalism contrasted with his equally strong rejection of post New Deal liberalism At the beginning of the New Deal Richberg supported Roosevelt's National Recovery Administration program but as time went on he was unable to accept the growth of big government and the welfare state that later evolved from it Many of the old liberals firmly believed in the viability of competition opportunity and individualism and abhorred the later efforts of younger liberals to expand the functions of government Donald Richberg's story is one of a persistent faithfulness to the older concept of liberalism The Flash (1987-) #214 Geoff Johns, The Flash has a personal crisis when he discovers that not everything he believed about the legacy of Barry Allen is true Gale Storm David C. Chris. Ihebereme, 2022-07-09 Blood dripped from his ears mouth nose and the bullet hole on his shoulder as he kept crying in pain please don't let me die he pleaded I didn't do anything to Whitney I love her I'm totally innocent Udo implored as he led on the floor face down His legs

were chained together his hands cuffed to his back while officer Jason's right knee remained pegged on his neck crunching and pressing life out of him From Whitney Udo I woke up that morning cramping heavily in my lower stomach Whitney complained to Joan My eyes were blurry my head aching like it was gonna burst wide open I lost knowledge of everything On my bed were thick black lumps of what my mother later told me was blood my pant still tight around my waist was very wet and stinking I was hypertrophic as I called my mother but the more I yelled the less I heard myself My voice went faint very faint until I couldn't open my mouth again I fell down and passed out Later that evening I woke up in the family doctor's clinic surprised at how I got there I didn't suspect anything until a year later when I lost my period for more than three months and went to the family doctor's office to ascertain I wasn't pregnant The nurse attendant who pulled my iCloud electronic patient record data forgot to log out prior to going into the doctor's office to respond to his call I strolled through my page and was shocked at what was on my record Instantly my mind ran back to the mystery behind what happened on the eve of that evening that I passed out with lumps of blood on my bed and a stinky underwear I remembered clearly how my father told me to go into the kitchen during that Friday dinner to grab his celery box He used to sprinkle dried celery on his meals always I went to the kitchen cabinet where it should be and it was not there A few seconds later my mother was obliged to join in the search for the celery box but still it was nowhere to be found We had no rats or cats in the house so it was surprising it was missing After about five minutes my father a Senator from the great State of Ohio joined the search and went straight under the freezer to pick it up like he kept it there Mummy smiled it off but for me it was never funny I had always suspected my father in everything he does since he tried to force my boyfriend Udo to dump me and even promised to pay him over 500 000 00 if he agrees to walk away from me All the same that same evening we went back to the dining table to continue our dinner and that was all both my mother and I knew till late the following day From what I saw in the patient electronic health record I was apparently carried to or walked into my room that evening and a procedure performed on me while I was passed out by this evil doctor in collaboration with my evil father without my consent I could not believe my father who everyone calls the defender of the unborn the strongest opponent of abortion rights a strong conservative who fights every second to overturn Roe vs Wade and criminalize abortion at all stages could drug me and my mother to hack or rip out the child in my womb just because the father of the baby is black and he didn't like that He might be fighting to stop or blunt his disillusioned the replacement theory whatever that might be but I'm never gonna stop until I pee on his grave and that of the evil doctor Both of them are dead as far as I know and that's why I told you earlier Joan that I hate my father and I do really hate him and want him dead for drugging me and killing my unborn baby and that's what he and the evil doctor gets for their evil actions He's so hypocritical that he drinks the devil's pee and spews out hate misogyny dishonesty impropriety and deserves anything that I do to eliminate him How am I supposed to be the carrier of his fascist narcissist legacy He must die Whitney declared and kept driving Whiney Udo The Book of Heroes George Charles Roche,Lissa

Year Book Chicago Principals Club, 1927 **River of the Gods** Candice Millard, 2023-05-23 NEW YORK TIMES BESTSELLER The harrowing story of one of the great feats of exploration of all time and its complicated legacy from the New York Times bestselling author of The River of Doubt and Destiny of the Republic A BEST BOOK OF THE YEAR THE WASHINGTON POST GOODREADS A lean fast paced account of the almost absurdly dangerous quest by Richard Burton and John Speke to solve the geographic riddle of their era The New York Times Book Review For millennia the location of the Nile River's headwaters was shrouded in mystery In the 19th century there was a frenzy of interest in ancient Egypt At the same time European powers sent off waves of explorations intended to map the unknown corners of the globe and extend their colonial empires Richard Burton and John Hanning Speke were sent by the Royal Geographical Society to claim the prize for England Burton spoke twenty nine languages and was a decorated soldier He was also mercurial subtle and an iconoclastic atheist Speke was a young aristocrat and Army officer determined to make his mark passionate about hunting Burton's opposite in temperament and beliefs From the start the two men clashed They would endure tremendous hardships illness and constant setbacks Two years in deep in the African interior Burton became too sick to press on but Speke did and claimed he found the source in a great lake that he christened Lake Victoria When they returned to England Speke rushed to take credit disparaging Burton Burton disputed his

claim and Speke launched another expedition to Africa to prove it. The two became venomous enemies with the public siding with the more charismatic Burton to Speke's great envy. The day before they were to publicly debate, Speke shot himself. Yet there was a third man on both expeditions whose name is obscured by imperial annals whose exploits were even more extraordinary. This was Sidi Mubarak Bombay who was enslaved and shipped from his home village in East Africa to India. When the man who purchased him died, he made his way into the local Sultan's army and eventually traveled back to Africa where he used his resourcefulness, linguistic prowess and raw courage to forge a living as a guide. Without Bombay and men like him who led, carried and protected the expedition, neither Englishman would have come close to the headwaters of the Nile or perhaps even survived. In *River of the Gods*, Candice Millard has written another peerless story of courage and adventure set against the backdrop of the race to exploit Africa by the colonial powers.
