Warlight Michael Ondaatje,2018-05-08 NATIONAL BESTSELLER BOOKER PRIZE FINALIST From the internationally

acclaimed Booker Prize winning author of *The English Patient* an elegiac thriller with the immediate allure of a dark fairy tale. The Washington Post set in the decade after World War II that tells the dramatic story of two teenagers and an eccentric group of characters. In a narrative as beguiling and mysterious as memory itself shadowed and luminous at once we read the story of fourteen year old Nathaniel and his older sister Rachel. In 1945 just after World War II they stay behind in London when their parents move to Singapore leaving them in the care of a mysterious figure named The Moth. They suspect he might be a criminal and they grow both more convinced and less concerned as they come to know his eccentric crew of friends men and women joined by a shared history of unspecified service during the war all of whom seem in some way determined now to protect and educate in rather unusual ways Rachel and Nathaniel. But are they really what and who they claim to be. And what does it mean when the siblings mother returns after months of silence without their father explaining nothing excusing nothing. A dozen years later Nathaniel begins to uncover all that he didn't know and understand in that time and it is this journey through facts recollection and imagination that he narrates in this masterwork from one of the great writers of our time.
