When Milena also disappears Chava is stunned. Not having transportation or a tour guide she reluctantly accepts the assistance of a handsome and mysterious man whom she meets by chance. While Alexandru Alex to his friends shows her around he also appears to be her savior when multiple times strangers make attempts on Chava's life. Dead bodies disappearances mystery castles secret chambers compare nothing to Chava's suspicions about Alex who seems to be feared by everyone they encounter. Although she is drawn to him like a magnet Chava has never been more determined in her life than about finding out Alex's past about the man who wears nothing but black the color of hate. **Collier's**, 1923 **What Happens in Vegas Will Not Stay in Vegas** Zsazsa K. Louis, 2016-09-29 Yet I believe that it does not matter where we come from it only matters where we are headed and whether we have a clear eye along the way no matter what adventure or misadventure we face. In the end we will always prevail with love determination and good will to others no matter the odds. To that end I hope that these essays and short stories will not only prove to be a fascinating look behind the curtain but will also share some helpful information about life in Las Vegas or anywhere where humans may be engaged in some folly. *Readers' Guide to Periodical Literature*, 1913
