## **My Jerusalem:**

My Michael Amos Oz, 2005-11-01 Thoughtful self assured and highly sophisticated full of the most skillful modulations of tone and texture A modern Israeli Madame Bovary The New York Times Book Review Set in 1950s Jerusalem My Michael is the story of a remote and intense woman named Hannah Gonen and her marriage to a decent pragmatic but unremarkable geology professor named Michael Wedded too young emotionally unprepared for motherhood and forced to abandon her university studies Hannah grows bored frustrated and increasingly removed from the banal certainty of her immediate world As years pass and Michael goes off to war Hannah s heady fantasy life encroaches upon reality Hannah grows ever more estranged from her husband as the marriage begins to disintegrate A flickering multi toned Israeli novel which grapples with time s incursions love s deceptions and the diminishment of desire Kirkus Reviews My Michael is at once a haunting love story and a rich reflective portrait of a place and time that takes the reader into the fevered mind of a young woman The Guardian

Journey with God Barbara Kendall PH.D.,2020-06-04 My Inspiring Journey with God is a book of true facts It s about a little girl too young to know who God was yet He had total control of her life and led her on a fascinating journey This Inspiring story will keep you in suspense make you laugh perhaps even cry Then just when you think you ve figured out what s going to happen next the story change One clue I will share with the reader is everyone has their own journey and different seasons in life There is a beginning of our journey no matter who we are At God s appointed time there will be an ending to all of our journeys Your journey will not have the same beginning or ending as the little girl in the story because God has made us different and unique in our own ways God is an inspirational God and will encourage or prompt us to do what may seem to be far fetched At least that s the way it was for the little girl who had an inspiring journey with God Get ready to sit on the edge of your seat as you spiritually travel with me on My Inspiring Journey with God *Incarnality* Roderick Jellema,2010-10-12 Rod Jellema has been writing and publishing poems for over thirty years His work during that time has been described as bursting with raw poetic talent In this beautifully shaped compilation readers will find the best poems from Jellema s four previous collections along with a new grouping of poems appropriately titled Still Though ranging widely in subject these poems are all united by Jellema s point of view and his ability to explore with both pathos and comedy the stabs of joy that leap from deep inside a fallen world of redeemed incarnate things **The British Drama** ,1824 **Songs of the Heart** Florli Zweifel Nemeth,2012-06-28 THIS BOOK is based on the dialogue between the Shulamite Maiden and the Bridegroom in the Song of Solomon and is written as a devotional book with a verse by verse dialogue of the writers conversations with God The author invites you to peer into her intimate dialogues with God and as you do so you may find yourself opening your heart to receive what God is saying to you Then when you turn the Scripture into personal prayer recording in your own journal the secret longings and prayers of your heart as well as the things that God says to you you may find to your amazement that God is crazy in love with you and passionately pursuing you as a lover of God Embracing the love of the Bridegroom for yourself you discover the joy of embarking on your own enjoyable journey to the high places of intimacy with God your love relationship with God ignited into passionate desire for His presence *A Diary of Wildergarden* J. R. Wilder,2009-05 Most of us are not old enough to remember the sinking of the Titanic since most of us were not even born but almost everyone has a vivid mental picture of the last minutes in the life of the huge luxurious liner that was supposed to be unsinkable We can see the great ship ablaze with lights and tilting severely by the bow as the lifeboats were slowly moving away We can only imagine what it must have been like to sit in one of those small boats and look back or stand on the slanting deck when the realization that the unsinkable ship was going down must have struck even the most faithful The women and children mandate though it was not followed to the letter is an integral part of the legend and the cause of more than one childhood nightmare in which husbands and fathers were forever lost beneath the icy black water Since it sank on April 14 1912 the Titanic has been the subject of an endless stress of books pamphlets magazine articles films and even in

the 1930s a country song was written by Roy Acuff What a Shame When That Gre e eat Ship Went Down It has been 90 years since the sinking of the Titanic but the story as told by Anna Thomas is as compelling and popular as any ever written

*Being There, Being Here* Maurice Ebileeni,2022-06-16 Arabic is unconditionally the national language of Palestinians but for many it is no longer their mother tongue More than a century after the early waves of immigration to the Americas and more than seven decades after the Nakba of 48 generations of Palestinians have grown up in a variety of different contexts within Israel Palestine and the world at large This ongoing scattered state has led to the proliferation of Palestinian culture as it is simultaneously growing in multiple directions depending on geographical political and lingual contextualization The Palestinian story no longer exists exclusively in Arabic A new generation of Palestinian and Palestinian descended writers and artists from both Latin and North America Scandinavia and Europe at large as well as Israel Palestine are bringing stories of their heritage and the Palestinian nation into a variety of languages such Spanish Italian English Danish and Hebrew among so many other languages Being There Being Here is the product of an eight year long journey in which Maurice Ebileeni explores how the Palestinian homeland is being imagined in multiple languages from a variety of positions both locally and globally The book poses unsettling questions about this current situation and also looks to the future to speculate about how a Palestinian nation might still house the notion of home for an increasingly diverse Palestinian population

**Of Hope** Herzl R. Spiro MD PhD,2020-07-29 These memoirs tell my story of hope in my early years my father was trying to help the Jews of Europe and worked on the establishment of Israel Later there were wonderful years growing and learning in Vermont I describe my personal experiences in the remarkable human rights movement of Martin Luther King There were years of rising hope for a better community mental health care system as we built programs at Johns Hopkin Rutgers University and the Medical College of Wisconsin The defunding by the Reagan administration and the cruel consequences that occurred are described as I subsequently worked with residents of the inner city of Milwaukee In 1982 I started to work on the absorption of immigrants to Israel and became chair as we tried to avoid the mistakes of the black white relationships in America for the tens of thousands of black immigrants from Ethiopia We worked to help integrate 1 250 000 immigrants who were penniless strangers from communist lands adapting to a new language and culture in Israel The book also describes the hope engendered by my remarriage and my remarkable family The epilogue describes the current reality of the Covid 19 pandemic and the rising awareness of the need to heal the long unfair relationship with black Americans as well as an increasing deprived underclass The book suggests bringing hope to those now deprived using some of the methods of absorption we used in Israel
