**Beginnings** Debbie Ziemann, 2006-12 The year following my diagnosis of breast cancer, having a total mastectomy, and chemotherapy, I felt as if I was out at sea in the midst of a storm. The faster I ran from the darkness and turmoil, the closer it came. I was frightened, but I learned to depend on the energy of the Universe. I realized that the quickest way to the light was to go directly into the darkness and face my fears. Accepting my new body image was very difficult, along with not being able to respond to my husband's touch. Due to my insecurities, low self-esteem, and self-confidence, I placed my marriage in jeopardy. Learning to rediscover myself was difficult. I learned to trust in the positive energy of the Universe to help me heal. Depending on myself only led me further away from where I wanted to go. I needed to allow God and His angels to take me in their hands and carry me. Depending on the power of the Universe, I established inner strength and courage to be a survivor. We have a choice in how we react and respond to situations, lessons that life presents to us. Learning to let go of certain feelings and

situations is difficult but it makes each day more peaceful and comfortable Learning there is life after breast cancer is a difficult journey Everything happens for a reason and it is up to us to learn from the lessons which are presented to us You can be a survivor when you accept that being a survivor is a state of mind which is dictated by you and not others Realizing that guilt and shame is wasted energy and that you are still loved and can love others Everyone's path in recover and rediscovery will be different and the rate in which we achieve it will be different What worked for me may not work for you We cannot compare ourselves to others We are individuals with different childhood experiences different backgrounds personalities and with different support systems I hope that Journey to New Beginnings gives you a sense of comfort and hope Sharing my journey has helped me heal Each year will be another path of learning experiencing the joys of living and life enjoying the extraordinary in the ordinary

**In the Arms of My Beloved** Sandra Crawford,2012-09 Hope Courage and Strength We often see these three words associated with the journey of someone who survives cancer But where do we find strength when we have never felt so weak Where do we find courage to face a challenge of this magnitude Where does hope spring from and how do we possess it Turning to the God she loves Sandra found these answers in Him This story recounts the cries of a desperate daughter seeking to find comfort healing and truth from her heavenly Father Follow her journey as she learns to trust and lean on God as she walks the road to victory There is no voice so compelling as the voice of experience In the Arms of My Beloved is a book I highly recommend not only for the cancer patient herself but also for all those who love her Stacey Campbell Revival Now Ministries Sandra s inspiring story offers hope and practical wisdom to those who are walking through difficult times especially when faced with serious or life threatening illnesses Dr Ruth Demian MD

**In His Grip ... a Walk Through Breast Cancer** Amy K. Hauser,2012-09 Amy s story is a most inspiring one to read for anyone going through life s struggles one that will give encouragement whatever one may be dealing with First and foremost this is an account of a cancer journey a journal revealing an absolute faith that God is willing to walk the journey alongside of you all the way If you are reading this and you are someone setting out on or already in the middle of a similar journey this is an important read for you Amy s story will certainly not hide any of the rough but it will tell you about many positive aspects as well and how faith is the only way to make the trip This book is not just for cancer sufferers but also for anyone experiencing life s many trials whatever they may be Amy s raw and emotive style tells it just like it is You will feel the emotion shed some tears and certainly draw many smiles There is little more powerful than hearing this story told literally while experiencing each and every aspect of the journey along with her The power is in hearing God s story as told through Amy and that s just what this is You will be encouraged that it s okay to have roller coaster emotions to feel anger to experience joy to feel spiritually low and equally high that it s okay to ask why me Amy is one amazing lady who turned what could have been a very negative experience focusing on feeling sorry for herself to one that focuses on making an impact on others For example Amy refused to wear a wig once she lost her hair so she would not miss opportunities to testify to others who would otherwise not have approached her Perhaps most compelling is how many people have told Amy that while they should have been supporting her

in keeping a positive attitude she was in fact being the inspiration for them I know I was one of those people I pray for them every day and I know that they do the same for me It is this together with God that will keep us all positive and moving forward whatever the challenges of life that are thrown our way
