

MY KINGDOM FOR A HORSE

The background of the entire image is a dramatic sunset or sunrise scene. The sky is a mix of orange, yellow, and red. In the middle ground, there is a large, dark stone tower or castle structure. In the foreground, three knights on horseback are silhouetted against the bright light of the sun. They are holding long spears, and their horses are in motion, galloping towards the right.

My Kingdom For A Horse:

My Kingdom for a Horse Ed West, 2018-05-01 From William Shakespeare's series of history dramas to Sir Walter Scott and George R R Martin's *A Song of Ice and Fire* not to mention the smash hit TV show *Game of Thrones* the British civil war of 1455 to 1485 has inspired writers more than any other Ed West's *My Kingdom for a Horse* illuminates the bloody war fought for thirty long years between the descendants of King Edward III in a battle for the throne Named after the emblems used by the two leading families the Houses of York and Lancaster the title of the conflict gives it a romantic feel that probably wasn't as apparent to those on the battlefield having swords shoved into their eyes And for all the lovely heraldry and glamorous costumes of the era the war saw the complete breakdown of the medieval code of chivalry in which prisoners were spared which makes it even better drama In 1460-61 alone twelve noblemen were killed in the field and six were beheaded off it removing a third of the English peerage Written in the spirit of a black comedy *My Kingdom for a Horse* is an ideal introduction for anyone interested in one of history's most insane wars Featuring some of history's most infamous figures including the insane King Henry VI whose madness triggered the breakdown and the wicked Richard III who murdered his young nephews to take the throne this fifth entry in West's *A Very Very Short History of England* series is a must for fans of British history "My Kingdom for a Horse!"
