these pieces grapple with an expansive range of poetic and cultural concerns and the surprising and necessary knowledge to be found where they cross paths His trademark humor and irony at once approachable thoughtful and sophisticated lead the way toward clear eyed sometimes difficult considerations of contemporary American culture Through his curiosity he elevates the seemingly quotidian into a profound subject worthy of close consideration Hoagland's generosity of spirit imbues his work with empathy for experiences beyond his own and his honesty allows him to turn a critical eye on himself and to acknowledge the limits of his understanding This collection will be rewarding not just for readers of contemporary poetry but for anyone who wants to step back take a look at our American reality and know we'll be okay **Literary World** ,1900
