

# My Life and My Death

A FIRST-HAND ACCOUNT  
OF HIS CANCER

Jeffrey T. Simmons

# My Life And My Death A Priest Confronts His Cancer

**Michael Jackson**

## **My Life And My Death A Priest Confronts His Cancer:**

**My Life and My Death** Jeffrey T. Simmons, 2004-09 My greatest teacher has been my cancer says Jeffrey T Simmons in *My Life and My Death* In walking readers step by step through his story of faith as he faces death Simmons conveys a thoughtful treatment of living with a terminal illness *The Living Church*, 1995 **The Publishers Weekly**, 2006

**Anglican and Episcopal History**, 2005 Includes section Book reviews *Unbecoming a Priest* Anthony Bartlett, 2023-06-02 Tony Bartlett's story is thrillingly upside down Rather than the classic conversion narrative of escaping the world to dedicate your life to God it is about escaping a collapsing institutional order to discover a different self and learning to be in the world An extraordinary account with pivotal themes of sexuality trauma revolution and relationship *Unbecoming a Priest* spans eras classes continents cities wars iconic figures spiritualities and above all divergent modes of Christian being in the world From London to Rome from Europe to Latin America journeying with exceptional fellow pilgrims like Mother Teresa Pedro Casaldaliga Carlo Carretto it is a story of pain and messiness becoming ultimately one of joy life and meaning Subtly but surely the journey is also gospel inspired where the figure of Jesus takes on a provocative anarchic role helping in the overturning of sacrificial clichés and systems Inevitably at stake is the meaning of priesthood itself either propping up an eternal order amidst history's escalating crisis or seeking with others the germ of authentic new human becoming and hope Here is the inescapable drama and contemporary truth of unbecoming a priest *Exploring End of Life Experience* Helen Besemer, 2023-10-21 The groundbreaking contribution made by this unique book draws on the experiences recorded by five people who are facing death Jenny Diski Philip Gould Christopher Hitchens Michael Mayne and Cory Taylor Analysing the key themes that emerge from a psychodynamic perspective the book describes how the memoirists respond to the first shock of receiving a terminal diagnosis how they meet the challenge of continuing an active life when the illusion of an open ended future has gone and finally how they struggle with accepting death as it overtakes them The author argues that the ability to accept personal death is the key to resolving the paradox of our need to survive at all costs while at the same time however much we might deny it we know that we must die In a society where death and dying occur largely out of sight this book provides information about what it is like to die physically psychologically and emotionally and invites us to think about coming to terms with death *Exploring End of Life Experience* is an important contribution to the interdisciplinary literature on death and dying relevant to scholars and practitioners in medicine nursing psychology and the wider medical humanities **Treasure in Earthen Vessels** Ambrose Mong, 2025-01-28 Throughout history and literature priests have been depicted as heroic figures battling evil and confronting moral dilemmas These portrayals highlight their unwavering faith and commitment even in the midst of personal sacrifices In movies and novels priests are often portrayed as flawed characters struggling to fulfill their religious duties These depictions aim to showcase priests as human beings with imperfections navigating their own challenges while remaining faithful to their calling The media has recently highlighted

scandals involving Catholic priests including cases of sexual and financial misconduct These stories reveal the dark side of the institution with attempts to cover up wrongdoing to protect the Church's reputation The danger is that misleading negative stereotypes of priests can come to dominate public consciousness We need to find ways to acknowledge the dreadful seriousness of these acts while also recognizing the many priests who genuinely strive to fulfill their vocation and serve the people of God This volume attempts to depict priests in both factual and fictional scenarios to convey the complexity of their roles as shepherds of the flock

Wittgensteinian Values Emyr Vaughan Thomas, 2018-01-12 This title was first published in 2001 This work examines the self-renouncing dimension which Wittgensteinian philosophy subscribes to ethico-religious ideals Wittgensteinian values are explored through a range of literary and cultural illustrations from Wittgenstein's own European milieu The book also highlights an alternative model of self-renouncing faith which has methodological implications for how a Wittgensteinian descriptivist approach should be carried out Wittgensteinian assumptions about the nature of self-renunciation the religious believer's orientation to the world and the place of the metaphysical in religion are among some of the elements that need to be reappraised

**Reboot!** Phil Burgess, 2011-08 About Reboot Reboot to work retirement is a disease It's better to wear out than rust out That is the message of Reboot While American culture glamorizes the Golden Years of endless leisure and amusement Phil Burgess rejects retirement as he makes the case for returning to work in the post-career years a time he calls later life Based on solid research from the social and medical sciences the author says It is better to die with your boots on fully engaged in helping others and repairing the world Reboot is partly autobiographical Indeed the author is working well into his own post-career years following two failed retirements He is also convincing in his eye-opening historically rooted and hope-filled arguments for engaging in life-long work that is productive and satisfying Reboot identifies five different types of work in-kind volunteer Samaritan enrichment and paid work Booters who incorporate one or more of these types of work into their post-career lifestyle will according to Burgess live longer live better and die faster avoiding boredom aimless busy-ness diminished self-worth and the anguish and cost of lingering death With America's 78 million boomers turning 65 at the rate of 10 000 a day for the next 18 years Reboot provides a timely and provocative alternative to the conventional idea of retirement With the promises of Social Security and Medicare about to be broken Reboot provides an upbeat and constructive way to deal with new financial realities For men and women navigating life's transitions striving to finish well Reboot provides a roadmap for living a life of meaning challenging the reader to be a booter not a retiree Burgess boldly asserts that retirement is a deadly disease and that work after a life of work is the best option for post-career years that are meaningful productive healthy and satisfying See [www.BooterNation.com](http://www.BooterNation.com) Excerpts On retirement Not all ideas are good ideas Some are bad ideas Retirement is one of those bad ideas it makes no sense Retirement is not natural It is not historic It is not healthy It is not for most people fulfilling For many retirement is a widow-maker On the value of work The social engagement and satisfaction that come from working in later life are keys to successful aging There

is much work to do in this world where we are but temporary inhabitants We should find it and do it at least for as long as we are able In many ways our life depends on it On work and money Work is not only about money Even if you don't need the money and your financial situation is stable and comfortable returning to work in your post career life is the smart thing to do at least until sidelined by frailty or disability It's smart because good health and satisfaction in later life are most likely to come from working On different types of work For most of us post career work will be tailored work work customized to reflect our needs our deepest desires and the highest and best use of our gifts especially time talent and treasure Work tailored to our gifts will be productive and satisfying

**Cumulated Index Medicus**, 1977 *Coincidences* Michael Jackson, 2021-04-27 Most people have a story to tell about a remarkable coincidence that in some instances changed the course of their lives These uncanny occurrences have been variously interpreted as evidence of divine influence fate or the collective unconscious Less common are explanations that explore the social situations and personal preoccupations of the individuals who place the most weight on coincidences Drawing on a variety of coincidence stories renowned anthropologist Michael Jackson builds a case for seeing them as allegories of separation and loss revealing the hope of repairing sundered lives reconnecting estranged friends reuniting distant kin closing the gap between people and their gods and achieving a sense of emotional and social connectedness with others in a fragmented world

*Double-Voicing the Canadian Short Story* Laurie Kruk, 2016-05-27 *Double Voicing the Canadian Short Story* is the first comparative study of eight internationally and nationally acclaimed writers of short fiction Sandra Birdsell Timothy Findley Jack Hodgins Thomas King Alistair MacLeod Olive Senior Carol Shields and Guy Vanderhaeghe With the 2013 Nobel Prize for Literature going to Alice Munro the master of the contemporary short story this art form is receiving the recognition that has been its due and as this book demonstrates Canadian writers have long excelled in it From theme to choice of narrative perspective from emphasis on irony satire and parody to uncovering the multiple layers that make up contemporary Canadian English the short story provides a powerful vehicle for a distinctively Canadian double voicing The stories discussed here are compelling reflections on our most intimate roles and relationships and Kruk offers a thoughtful juxtaposition of themes of gender mothers and sons family storytelling otherness in Canada and the politics of identity to name but a few As a multi author study *Double Voicing the Canadian Short Story* is broad in scope and its readings are valuable to Canadian literature as a whole making the book of interest to students of Canadian literature or the short story and to readers of both

**Teaching Comics Through Multiple Lenses** Crag Hill, 2016-08-05 Building off the argument that comics succeed as literature rich complex narratives filled with compelling characters interrogating the thought provoking issues of our time this book argues that comics are an expressive medium whose moves structural and aesthetic may be shared by literature the visual arts and film but beyond this are a unique art form possessing qualities these other mediums do not Drawing from a range of current comics scholarship demonstrating this point this book explores the unique intelligence of comics and how they expand the ways readers

engage with the world in ways different than prose or film or other visual arts Written by teachers and scholars of comics for instructors this book bridges research and pedagogy providing instructors with models of critical readings around a variety of comics

*Death and Dying, Life and Living* Charles A. Corr, Clyde Nabe, Donna M. Corr, 1994 This unique book discusses the challenging issues in life death and dying as it applies to everyone people who are facing death those who are coping with dying or with bereavement those struggling with decisions about euthanasia or who are contemplating suicide and those who wish to teach children about the place of death in life The book provides a solid foundation readers can use as they pursue their own insights emphases and special interests in this field The authors illustrate that while we cannot make death disappear from our lives we can learn from each other talk about death together and determine how to live more productive lives in the face of death

*In Mysterious Ways* Paul Wilkes, 2001 Originally published to extraordinary acclaim selected by the Book of the Month Club and the winner of the Christopher Medal *In Mysterious Ways* is widely recognized as one of the best books about Catholicism today a modern day Diary of a Country Priest Paul Wilkes paints an intimate and affecting portrait of Father Joseph Greer the pastor of St Patrick s Church in Natick Massachusetts as he struggles with a terminal case of bone marrow cancer Even as it depicts the pastor s harrowing fight to live *In Mysterious Ways* is ultimately an uplifting story of transcendence As we watch him overcome his own pain it is impossible not to admire and learn from Father Greer who is certainly no saint but rather as Wilkes makes clear an ordinary person like anyone else *In Mysterious Ways* offers a powerful vision of fortitude leadership and the limitless capabilities of a strong human spirit

**The Philosophy of Clint Eastwood** Richard T. McClelland, Brian B. Clayton, 2014-01-21 Famous for his masculine swagger and gritty roles American cultural icon Clint Eastwood has virtually defined the archetype of the tough lawman Beginning with his first on screen appearance in the television series *Rawhide* 1959 1965 and solidified by his portrayal of the Man with No Name in Sergio Leone s Dollars trilogy 1964 1966 he rocketed to stardom and soon became one of the most recognizable actors in Hollywood *The Philosophy of Clint Eastwood* examines the philosophy and psychology behind this versatile and controversial figure exploring his roles as actor musician and director Led by editors Richard T McClelland and Brian B Clayton the contributors to this timely volume discuss a variety of topics They explore Eastwood s arresting critique and revision of the traditional western in films such as *Unforgiven* 1992 as well as his attitudes toward violence and the associated concept of masculinity from the Dirty Harry movies starting in 1971 to *Gran Torino* 2008 The essays also chart a shift in Eastwood s thinking about the value of so called rugged individualism an element of many of his early films already questioned in *Play Misty for Me* 1971 and decisively rejected in *Million Dollar Baby* 2004 Clint Eastwood has proven to be a dynamic actor a perceptive and daring director as well as an intriguing public figure Examining subjects such as the role of civil morality and community in his work his use of themes of self reliance and religious awareness and his cinematic sensibility *The Philosophy of Clint Eastwood* will provide readers with a deeper sense of Eastwood as an artist and illuminate the philosophical conflicts

and resolutions that drive his films     The British Journal of Nursing with which is Incorporated the Nursing Record ... ,1919

A Modern Priest Looks at His Outdated Church James J. Kavanaugh,1992 Now with a new introduction and conclusion by Kavanaugh here is the passionate book that caused great controversy in the 1970s Kavanaugh eloquently appeals for the Church to surrender its antiquated abusive position to become a community of compassion and love One of the most moving human documents I have ever read Dr Carl Rogers     **Imagining a Way** Clive Pearson,2017-10-04 From the inception of the Reformed tradition Reformed Christians have followed God's call to engage and change the world Yet little work has been done to bring the tools of practical theology and ethics to bear on the task of understanding the Reformed tradition This comprehensive volume addresses that problem It gathers some of the most respected voices from within the study of Christian ethics and practical theology to ask how the Reformed tradition understands its calling into the world What does being Reformed mean for how one engages the ills of racism white supremacy and homophobia What does it mean for an environmental ethic How does Reformed preaching and liturgy respond to sexual violence These are among the many important issues this book seeks to address Readers will come away with a firmer grasp of how the Reformed tradition informs and animates Christian engagement with the world Contributors include Denise Ackermann Jana Childers Susan Davies Etienne de Villiers Cynthia Jarvis Jong Hyuk Kim Ralph Kunz Cam Murchison Piet Naud Cornelius Plantinga Nancy Ramsay Kang Phee Ramsay Dirk Seng Max Smit Stackhouse William Storrar Geoff Thompson and Hmar Vanlalauva

**Herbert Woodward Martin and the African American Tradition in Poetry** Ronald Primeau,2004 Herbert Woodward Martin is a prize winning poet and performer an actor and playwright a singer and opera librettist a professor and a scholar Born in Alabama in 1933 and educated in Toledo and New York Martin has lived and worked most of his life in Ohio His parents appreciated literature and music and saw to it that their young son was immersed in the arts The family moved to Toledo Ohio when Herbert was twelve years old He began to write poetry during his undergraduate years at the University of Toledo from which he graduated in 1964 Herbert Woodward Martin and the African American Tradition in Poetry chronicles the writing and performing career of Herbert W Martin focusing on the way his life has informed his art and situating his creative work within the context of the African American tradition in poetry Author Ronald Primeau examines Martin's place in American literature with particular emphasis on his multidisciplinary talents and his contributions to the arts through his highly regarded performances of poetry especially that of Paul Laurence Dunbar and his acting playwrighting and composing Even though Martin's work is highly regarded has been anthologiz
