My Life on the Moody Ranch Norma Jean Moody Neal, 2003-04 When we are depressed heartbroken confined fearful rejected or facing an illness we often ask ourselves Why me Loving is Becoming is an attempt to answer that question This book discloses a secret self within each of us so well hidden that even we are often unaware of it Understanding why we are the way we are and why we do the things we do gives us the power to change without putting ourselves in the hands of others Knowing yourself is not a simple task It can be frightening and is probably therefore not high on your list of priorities It is essential nonetheless if you are ever to find true love You may have noticed that people who love themselves find it easy to love others and to accept love from others Those of us who say we can't find someone to love generally don't feel we are worth loving and being loved We can change that Reading this book will challenge your mind heart and soul Your intellect emotions and imagination are all called for because none of them alone can discover self If you rely upon the scientific method and doubt the reality of self love and God you are in for a pleasant surprise Male and female intimacy and bonding is available to us all No more walls doubts or fear to separate us from becoming whole loved and loving individuals It's all here for you without any gimmicks or tricks Why Me you may ask and the answer to that question is very simply Why not you This is serious writing for serious readers I hope you enjoy my book Dolan Andrews **Life Stories** Maureen
