John the Elder a priestly disciple in Jerusalem and John compiled them into the Book of Revelation Later John wrote his Gospel to show how the visions had been fulfilled The background to the Fourth Gospel is temple tradition John shows how Jesus debates with the Jews centred on the great difference between the world of the second temple and the world of the priest kings of the first temple from which Christianity emerged The Johannine community were the Hebrew disciples of Jesus who saw themselves as the true high priesthood restored Those at Qumran who worshipped as with the angels in heaven cannot have been very different from those who wrote and read John s gospel and the Book of Revelation The latter were the Hebrew Christian community who saw themselves as the heavenly throng Their Lamb on the throne opened a sealed book secret teaching and they were originally people chosen from all the twelve tribes of Israel to receive the Name of the Lord on their foreheads Rev 7 3 4 This vision was set in the early days of the first temple before the kingdom divided and it had become the hope for the future Taken from the Introduction **The Christian Messenger** ,1832 **The Poetical**
