My Little About Jesus And The Children:

The Ladies' Repository, 1862 The idea of this women's magazine originated with Samuel Williams a Cincinnati Methodist who thought that Christian women needed a magazine less worldly than Godey's Lady's Book and Snowden's Lady's Companion Written largely by ministers this exceptionally well printed little magazine contained well written essays of a moral character plenty of poetry articles on historical and scientific matters and book reviews Among western writers were Alice Cary who contributed over a hundred sketches and poems her sister Phoebe Cary Otway Curry Moncure D Conway and Joshua R Giddings and New England contributors included Mrs Lydia Sigourney Hannah F Gould and Julia C R Dorr By 1851 each issue published a peice of music and two steel plates usually landscapes or portraits When Davis E Clark took over the editorship in 1853 the magazine became brighter and attained a circulation of 40 000 Unlike his predecessors Clark included fictional pieces and made the Repository a magazine for the whole family After the war it began to decline and in 1876 was replaced by the National Repository The Ladies Repository was an excellent representative of the Methodist mind and heart Its essays sketches and poems its good steel engravings and its moral tone gave it a charm all its own Cf American periodicals 1741 1900

Letters of St. Therese of Lisieux, Volume I St. Therese of Lisieux, 2014-07-07 Letter writing at the end of the nineteenth century was an important activity for the people of France Those who received letters from family and friends alike usually kept the hand written texts sent to them as precious gifts That is why this collection of letters by and to one of the greatest saints of modern times is so interesting to us today No mere notes slapped together in distracted haste the missives found in this volume reveal communications of warm personal sentiment along with expressions of lively spiritual development Th r se s efforts as a fifteen year old to enter Carmel before reaching the required age appear in revealing detail This tortuous course of a very subtle diplomacy is set out not only by the letters of Th r se herself but also by those of so many others who shared her hopes and eventual victory The translator editor gives us 75 pages of introductory remarks to Th r se s letters This volume also includes 4 pages of facsimiles of Th r se s letters Autobiography Marcel Van, 2006 The story of Servant of God Brother Marcel Van a Vietnamese Redemptorist brother who was profoundly influenced by St Therese of Lisieux and who during the the division of Vietnam chose to remain in the monastery at Hanoi where he was later arrested and sent to a North Vietnamese prison camp Back cover *Zion's Watch Tower and Herald of Christ's Presence*, 1921

St. Thérèse of Lisieux Her Last Conversations Revised Edition St. Thérèse of Lisieux, 2024-03-05 St Th r se of Lisieux 1873 1897 spent the final months of her short life in the infirmary of the Carmel of Lisieux France Those who attended her including three of her older sisters by birth were living in the company of one of God's saints one prepared for our times This volume St Th r se of Lisieux Her Last Conversations serves as a sequel to St Th r se s autobiography Story of a Soul It contains the intimate words of her final conversations with her three sisters during the last months of her life especially those three critical months in the Carmel infirmary from July to September 1897 Fortunately for

us her words were written down without the awareness that eventually a great multitude of friends of St Th r se would hunger for her spiritual teaching 150 years after this great saint and Doctor of the Church was born into the world the publication of this revised edition enables us to live in her company and enjoy her holy conversations and counsels When we read her words with faith her presence is at our side She speaks to us directly sharing her human experience her joys her sufferings her love for God and especially her trust in him amid her painful ordeal This revised edition of St Th r se of Lisieux Her Last Conversations reflects the extensive 1992 French critical edition of Derniers Entretiens in two volumes That very complete and scholarly production has been edited here into its essential elements The entire text of St Th r se s words collected by the three main witnesses Mother Agnes Pauline Sister Genevi ve C line and Sister Marie of the Sacred Heart Marie The testimony of other witnesses when this does not repeat that of the three main witnesses Additional words of St Th r se as quoted in letters written during her last three months Fully linked comprehensive indexes of key names topics and biblical references

Letters of St. Therese of Lisieux, Volume II St. Therese of Lisieux, 2014-09-29 This sequel to volume 1 contains all of Th r se s letters from the end of September 1890 during her novitiate until her death in 1897 as well as many letters written to or about her Here the mature Saint Th r se shows the path of her growth as a religious and as a deep spiritual writer The reader learns much about all of her correspondents including her two missionary brothers and gains familiarity with the development of her thought and message Fifty pages of complementary documents give us useful tools for studying the texts This work has been translated from the critical edition by John Clarke OCD The ebook includes 4 pages of facsimiles of Th r se s letters plus a fully linked general and biblical index
