## **My Little About The Miracles Of Jesus:**

**The Missiological Motifs of the Miracles of Jesus Christ** Bandari Prabhakar Rao,2010      *The Miracles of Jesus and Their Flip Side* Jerry L. Schmalenberger,2000 The miracles of Jesus are some of the most striking passages in the New Testament they bring the power of God up close and personal by dramatically rearranging human situations and teaching us great spiritual truths But how can we translate the sometimes arcane historical content of the miracle stories in a way that will be meaningful to contemporary sensibilities Jerry Schmalenberger has come up with an original solution in these thirteen well crafted sermons on miracle stories contained in the Revised Common Lectionary Using the analogy of old 45 rpm records which were usually released with a hit side and a flip side Schmalenberger shares a structure for presenting the miracles in narrative form He initially focuses on the traditional approach to each miracle the A or hit side and then offers a fresh look at the other side of the story the B or flip side Schmalenberger s punch contemporary language and narrative style produce hard hitting and inspirational messages that offer a unique twist in the interpretation of these fascinating stories Jerry L Schmalenberger has taught speech and communication at Wittenberg University and Urbana College and was a parish pastor for 29 years serving some of the nation s largest Lutheran congregations Recently retired as professor of parish ministry and president of Pacific Lutheran Theological Seminary in Berkeley California he now serves as a Global Mission Volunteer for the Evangelical Lutheran Church in America Schmalenberger has preached and taught throughout the world most recently teaching with the faculty of the Lutheran Seminary in Hong Kong Schmalenberger has also taught at seminaries in Germany Jamaica Argentina Surinam Indonesia and Liberia A graduate of Wittenberg University and Hamma School of Theology in Springfield Ohio where he received his D Min degree Schmalenberger was honored by Wittenberg with a D Div degree      *My little miracles or My little divine Graces* Armand ETOUNDI,2025-07-21 Author Armand ETOUNDI Language English Format Spiritual Memoir Faith Testimony Length Approx 70 pages Theme Divine intervention faith gratitude and personal transformation Overview My Little Miracles or My Little Divine Graces is a deeply personal and spiritual testimony of my life so far shaped by moments of divine intervention faith driven perseverance and quiet grace It is not simply a collection of life episodes it is a contemplative and humble invitation to recognize God s loving presence in the fabric of everyday life especially in moments of trial transition and personal growth I weave my experiences with sacred scripture reflections on human fragility and calls to spiritual awareness producing a powerful narrative of how GOD Our Father walks with us sometimes silently through our greatest challenges What is the Core Message At its heart the book is about faith in action It calls readers to pause and realize that their lives no matter how ordinary they may seem are punctuated by miracles both big and small which often go unnoticed unless one looks through the lens of gratitude and trust in GOD s providence I am encouraging readers to 1 Embrace divine grace in their lives 2 Recognize the sacredness of everyday experiences 3 Acknowledge their mission on Earth 4 Replace complaint with gratitude Let faith precede reason not

the other way around Structure many are quiet signs of God's love Faith often manifests through people friends family even strangers We all have a mission and responsibility on Earth True spiritual awakening comes from gratitude humility and obedience to the call of GOD Our Father Life is not random it is orchestrated by divine will even in suffering Conclusion My Little Miracles or My Little Divine Graces is more than a memoir it is a spiritual companion reminding us that each breath each challenge and each victory is a gift With poetic reverence I am offering my modest and simple life story as a humble testimony to the Glory of GOD Our Father urging readers to recognize their own miracles rekindle their faith and live with purpose humility and love

**The Awe of The Two Natures and Miracles of Christ Jesus** Dr Ibim Alfred, 2023-01-26 The miracles of Christ Jesus are recorded by all the Four Gospel writers which are treated in accordance with arrangement of each writer in their respective books A careful reading and scrupulous examination in Matthew Mark Luke and John shows that the three categories of the miracles mentioned above are mixed up or rather placed or scattered haphazardly Please note this does not in any way constitute to contextual criticism The main task of this book is to re cast or re set these three types of miracles which are unsystematically or indiscriminately placed in the Four Gospels and to meticulously put them in an organised or methodically order or format Under the guidance of the Holy Spirit this had been achieved in this book and this is one of the strongest and positive advantages and strength which makes this book unique and special This makes it possible to read these amazing wonders with ease and without tears
