My Little Police Car Doris Tomaselli, Cathy Beylon, 1997-01-01 *I Can Drive My Little Police Car* Doris Tomaselli, 1997 **Electric Railway Service**, 1915 The Moving Picture World, 1916 Electrical Experimenter, 1920 Playing Along Kiri Miller, 2012-02-09 Playing Along shows how video games and social media are bridging virtual and visceral experience transforming our understanding of musicality creativity play and participation *The Publishers Weekly*, 1999 **Superman Canyon Road** Stuart Leslie Munro, 2001-02 Superman Canyon Road is both travelogue and personal journal There are chapters on Sweden Afghanistan India Alaska and the Yukon and the 4 corners of the US Utah Colorado Arizona and New Mexico I've included some recent travelogue that was written en route and e mailed from America s Southwest Scotland and lastly from Spain Stylistically the recent material differs radically from the rest My pace accelerates in reluctant homage to the inherent immediacy of electronic media These stories describe dozens of random dramatic encounters on the journeys I made between 89 and 2000 Most of the essays are intended as geopolitical snap shots to be read and considered within the historical context of the 90s There are two exceptions The stories about India and Afghanistan refer to my wanderings throughout 1974 There's occasional wit modesty demands understatement in that regard too much honesty plenty of honest irony world commentary and serious social statement about these times I've noticed that people around my age empathize most easily with the tone of the narrative In Superman Canyon Road my aim is to entertain and to inform I'm speaking only for myself as a middle class Scotsman one who became so delightfully lost in the primordial desert zone of western America that I've willingly forfeited any desire to ever be anything anyone or anywhere else And of course the names of all incidental characters have been changed in order to cause the genuinely guilty ones zero embarrassment Writing this book saved me from dealing directly with most of what went on during the 90s Now I'm 48 I still don't own a kilt And honestly I'm browsing as fast as I can As we now know the nineties ended up looking like happy hour at a computer geek pre-apocalypse rehearsal We are living in an era of sociological anomalies We have sensitive new age soldiers and a generation of youth whose attention span sometimes stretches to 1/16 of a second I simply took the nineties off I traveled wrote played music and became adept at having fun Almost everything I found out went straight into this book Because this book covers ten years the entries do not appear in chronological order The first half of Superman Canyon Road was completed during the early 90s Those were serious times Somewhere in the middle of the 90s I lightened up to an alarming degree After a five year break from writing I produced the last half while in a state of near hysteria *Fiction* Laurie G. Kirsznar, 1993-09-23 Includes the fiction section from Literature Reading Reacting Writing 2 e with three student papers and works by women minority non-Western and contemporary authors **The Electrical Experimenter**, 1919 **Voices from the 'Jungle'** Calais Writers, 2017-04-20 Often called the Jungle the refugee camp near Calais in Northern France epitomises for many the suffering uncertainty and violence which characterises the situation of refugees in Europe

today But the media soundbites we hear ignore the voices of the people who lived there people who have travelled to Europe from conflict torn countries such as Syria Sudan Afghanistan and Eritrea people with astounding stories who are looking for peace and a better future Voices from the Jungle is a collection of these stories Through its pages the refugees speak to us in powerful vivid language They reveal their childhood dreams and struggles for education the wars and persecution that drove them from their homes their terror and strength during their extraordinary journeys They expose the reality of living in the camp tell of their lives after the Jungle and their hopes for the future Through their stories the refugees paint a picture of a different kind of Jungle one with a powerful sense of community despite evictions and attacks and of a solidarity which crosses national and religious boundaries Illustrated with photographs and drawings by the writers and interspersed with poems this book must be read by everyone seeking to understand the human consequences of this world crisis AERA.
