My Mothers Pearls:

My Mother's Pearls Catherine Myler Fruisen, 2005 A beautiful pearl necklace has passed from mother to daughter for seven generations on each daughter's wedding day **Pearls for My Birthday** Judith Harris, 1999-12 The strand of pearls Janie's mother gave her for her birthday represents the story recounted in *Pearls For My Birthday* The thread running through the pearls symbolizes the life journey she took while she cared for her mother who had lung cancer The pearls are symbolic of the episodes in a daughter's struggle to keep her mom alive against medical odds Anecdotes related by Janie's mother's friends punctuate the book Their wise tales put a knot of hope between each iridescent pearl Janie clung to as she was pulled to a new understanding *Pearls For My Birthday* is about love compassion and forgiveness between a mother and a daughter whose roles are often reversed during that four months Janie's mother revisited her life story filled with passion her fears and the aspirations of her youth She revealed her best times and her worst times her weaknesses and her strengths Eventually with her mother's guidance Janie accepted her mom was dying Not morbid or maudline this is a celebration of life

Erotic Testimonies Julia S. Jordan-Zachery, 2022-12-01 *Erotic Testimonies* draws inspiration from Audre Lorde's *Uses of the Erotic* to explore how Black women access their interiority and use their feelings to engage in processes of self-actualization and make themselves free Blending genres and resisting the confines of conventional scholarly analysis Julia S. Jordan-Zachery undertakes what she characterizes as a performative embodied reading of testimonies by four wild women from her own life Jordan-Zachery takes care not to define what constitutes a wild woman that's been done enough to oppressive ends but rather tends to these women's forms and means of self-articulation Complex accounts of wildness freedom femininity the erotic and the divine emerge from her field notes *Erotic Testimonies* attests to the experience of the individual as well as and even more importantly how the individual speaks to a broader collective that here includes Lorde bell hooks Toni Morrison Janet Jackson the author her grandmother and many more [The Sociology of Cardi B](#) Aaryn L. Green, Maretta Darnell McDonald, Veronica A. Newton, Candice C. Robinson, Shantee Rosado, 2024-08-08 This powerfully written and co-authored book creatively engages with the topics of Black and Latinx femininity motherhood sexuality racial and ethnic identity and political engagement through the life and artistic work of Hip Hop artist Cardi B The authors highlight examples from Cardi's lived experiences and artistry using a trap feminist framework as a starting point for sociological conversations about Black women and the trap The authors weave foundational histories of Black sociology Black feminism and institutional inequalities along the lines of race class and gender Drawing from moments in Cardi B's public life her rap lyrics her behavior at New York Fashion Week questions about her racial and ethnic identity the unveiling of her pregnancy her engagement with politicians and her responses to social media comments and critics this book argues for the merits of addressing Black feminist theory from the bottom up that is to take seriously the knowledge production of Black women by attending to and creating space for hood chicks ghetto girls and ratchet women By centering the lived experiences

and social positions of the Black women Cardi represents the authors expand Black feminist discourse and entrust Black women to define themselves for themselves This book is an important contribution to scholarship for students scholars and readers interested in sociology Hip Hop pop culture and women s studies *The Black Girlhood Studies Collection* Aria S. Halliday,2019-12-17 One of the first volumes dedicated to exploring and developing theories of Black girls and girlhoods The Black Girlhood Studies Collection foregrounds the experiences of Black girls in Canada the US the Caribbean and the African continent This timely contributed volume brings together emerging and established scholars to discuss what Black girlhood means historically and in the 21st century and how concepts of race gender sexuality class and nationality inform or affect identities of Black girls From self care and fan activism to political role models and new media this interdisciplinary collection engages with Black feminist and womanist theory hip hop pedagogy resistance theory and ethnography Featuring chapter overviews glossaries and discussion questions this vital resource will evoke meaningful conversation and provide the theoretical practical and pedagogical tools necessary for the advancement of the field and the imagining of new worlds for Black girls *The Race Whisperer* Melanye T. Price,2016-07-26 Analyzes the manner in which Barack Obama uses race strategically to engage with and win the loyalty of potential supporters Price uses examples from Obama s campaigns and presidency to demonstrate his ability to authentically tap into notions of blackness and whiteness to appeal to particular constituencies By tailoring his unorthodox personal narrative to emphasize those parts of it that most resonate with a specific racial group Obama targets his message effectively to that audience shoring up electoral and governing support The author also considers the impact of Obama s use of race on the ongoing quest for black political empowerment Unfortunately racial advocacy for African Americans has been made more difficult because of the intense scrutiny of Obama s relationship with the black community Obama s unwillingness to be more publicly vocal in light of that scrutiny and the black community s reluctance to use traditional protest and advocacy methods on a black president From publisher description **Chicken Soup for the Soul: Devotional Stories for Mothers** Susan M. Heim,Karen C. Talcott,2010-12-21 Chicken Soup for the Soul Devotional Stories for Mothers will uplift counsel and reassure any woman of faith who needs a boost or reminder of God s ever present love as she goes through the ups and downs of daily life and motherhood Throughout time women have shared their joys and sorrows thoughts and feelings experiences and life lessons with one another The tradition continues in this book with 101 stories of friendship faith and comfort that affirm God s unconditional love and His wisdom Women will find encouragement solace and strength in these personal stories and prayers that cover motherhood from its joys and everyday trials to tests of faith *Badass Feminist Politics* Sarah Jane Blithe,Janell C. Bauer,2022-02-11 *Badass Feminist Politics* explores gender difference feminist methods stigma social movements mediated communication intersectional feminist theory and pedagogy It is a testament to resilience resistance and forward thinking about what these themes mean for new feminist agendas *Lake of the Cedars* Patricia Spencer,2021-04-15 Rebecca Smally knows that she has a complex

family history In some ways it s typical of the American melting pot with ancestors who came from England and Germany at the turn of the century looking for new opportunities and a different life But in other ways they are anything but typical a close knit clan shielding explosive family secrets from generation to generation Rebecca is determined to not only embrace her family s proud heritage but also learn what really happened From the awestruck hope of Ellis Island to the pride of becoming US citizens from the lonely courage of establishing homesteads in the Midwest to embracing the community and caring of the church from bonds of love to the burdens of shared secrets Lake of the Cedars is a multi generational American family saga that will keep you enthralled

Womanism Rising Layli Maparyan,2025-01-07 Womanism Rising concludes Layli Maparyan s three book exploration of womanist studies The collection showcases new work by emerging womanist authors who expand the womanist idea while extending womanism to new sites new problems and new audiences Maparyan organizes the contributions around five key ideas The first section looks at womanist self care as a life saving strategy The second examines healing the Earth as a prerequisite to healing ourselves In Part Three the essays illuminate how womanism s politics of invitation provides a strategy for enlarging humanity s circle of inclusion while Part Four considers womanism as both a challenge and antidote to dehumanization The final section delves into womanism s potential for constructing worlds and futures In addition Maparyan includes a section of works by womanist visual artists Defiant and far sighted Womanism Rising takes readers on a journey into a new generation of concepts ideas and strategies for womanist studies

The Answer Linda Brakefield,2013-09-17 My first attempt at writing began about 30 years ago with some of the characters in this story Finally I took it out of the closet and turned it into the story I had always envisioned I sincerely hope you enjoy it and find some blessing in its content

Jezebel Unhinged Tamura Lomax,2018-09-13 In Jezebel Unhinged Tamura Lomax traces the use of the jezebel trope in the black church and in black popular culture showing how it is pivotal to reinforcing men s cultural and institutional power to discipline and define black girlhood and womanhood Drawing on writing by medieval thinkers and travelers Enlightenment theories of race the commodification of women s bodies under slavery and the work of Tyler Perry and Bishop T D Jakes Lomax shows how black women are written into religious and cultural history as sites of sexual deviation She identifies a contemporary black church culture where figures such as Jakes use the jezebel stereotype to suggest a divine approval of the lady while condemning girls and women seen as hos The stereotype preserves gender hierarchy black patriarchy and heteronormativity in black communities cultures and institutions In response black women and girls resist appropriate and play with the stereotype s meanings Healing the black church Lomax contends will require ceaseless refusal of the idea that sin resides in black women s bodies thus disentangling black women and girls from the jezebel narrative s oppressive yoke
