Fighting for Napoleon's Army in Russia C.J. Wagevier, 2023-08-30 In 1812 the French emperor Napoleon decided to invade Russia For this purpose he gathered an army of half a million men and women consisting of soldiers from all nationalities including French German and Italian Serving in this army was Carel Johannes Wagevier an officer in the 125th Regiment of the Line which was staffed by mostly Dutch soldiers Full of confidence they went to war and began the long journey to the East What followed was a horrific expedition deep into the Russian interior a chaotic retreat and captivity Just like his fellow soldiers Wagevier endured the cold the stresses of combat and the hunger that besieged the army After fighting at the battle of Berezina in November 1812 he was taken prisoner and transported all the way to the Russian interior In 1814 he and his remaining fellow officers were released and together they started the journey back home During his travels across Russia he made notes of events that occurred or meetings that seemed memorable including ones of unexpected generosity as well as sudden cruelty These notes were later expanded into his memoir and published in 1820 Now for the first time ever they have been translated into English providing a unique and fascinating insight into the life of a Napoleon's Italy Desmond Gregory, 2001 Third what was the impact on Italy of fifteen years of solider in Napoleon s army Napoleonic rule Fighting with Napoleon's Light Infantry Neil Sanghvi, 2024-12-19 Captain Vincent Bertrand was a French light infantry soldier who survived the key campaigns of Napoleon Called to arms through conscription he was directed from his hometown of N mes to the depot of the 7 me R giment L ger 7th Light Infantry Regiment in Huningue where he arrived on 16th November 1805 He did not leave this regiment composed almost exclusively of sons of the department of Gard until 1815 His recollections focus on his loves adventures and mishaps as well as the pride of being part of an elite unit It was this pride that kept him with his regiment and his musket operational during the retreat from Moscow in 1812 unlike his fellow soldiers He tells of the discipline and organization of the few soldiers still able to pull their triggers and thrust their bayonets

amidst the frostbite and chaos of those who had become stragglers or marauders Bertrand's unfailing bravery and composure are evident throughout his memoirs demonstrating character discipline and patience as well as dedication to his regiment and its values and standards The non combatants he saved the esteem he earned from his comrades in battle and the comfort he gave to a fellow convalescent on the brink of death would all indicate he was a hero to some and an admirable soldier to all Bertrand gives sincere accounts of his time on the battlefields in the cantonments in Austria in Germany in Poland and finally of the painful stages of his captivity as an Austrian prisoner of war His writing is entertaining and fast paced but with plenty of unique detail First published in 1909 by Bertrand's grandson this is the first translation from French Napoleon's Bequest to Cantillon. A fragment of International History Sir afterwards STIRLING MAXWELL STIRLING (William), 1858 Napoleon's Cavalry: A Key Element to Decisive Victory Major Thomas A. Shoffner, 2015-11-06 Napoleon's rise to power in the late eighteenth century occurred at a time when the structure of most European armies was based on the paradigm army of Frederick the Great Napoleon however changed all of this and in a few short years transformed the French army into the most powerful force on the continent of Europe During the period of 1805 to 1813 Napoleon's army had no equal with regard to operational effectiveness Speed and positioning of forces were the two main characteristics that made the French army so successful These same two characteristics were also inherent to French cavalry units Thus the central research question is What influence did cavalry have upon Napoleon s operations To facilitate this study two campaigns were examined that illustrate cavalry s impact on Napoleon s operations The first campaign was the Jena Campaign of 1806 the second was the Saxony Campaign of 1813 The Jena Campaign demonstrated that with the employment of sufficient and well trained cavalry Napoleon could render his victories decisive through the complete destruction of the enemy army Conversely the Saxony Campaign demonstrated that without the effective employment of sufficient and well trained cavalry Napoleon could not obtain the complete destruction of the enemy army and thus his victories were hollow or at best Pyrrhic Therefore based on the analysis of these two campaigns this study has concluded that Napoleon's cavalry was a key element for Napoleon achieving complete destruction of the enemy army thus rendering his victories decisive Napoleon's Book of Fate and Oraculum Health Research, 1998 Napoleon's Women Christopher Hibbert, 2004 As a soldier and an emperor Napoleon was ruthless and determined as a lover he showed the same single minded ferocity Memoirs of the Emperor Napoleon, from Ajaccio to Waterloo Laure Junot Abrantès (duchesse d'),1901 **Napoleon's Library** Louis N Sarkozy, 2024-07-30 This book will surprise readers with the literary depths of Napoleon Bonaparte exploring the enigmatic emperor s intimate relationship with books and history going far beyond his more militaristic and imperial fame Napoleon Bonaparte held absolute political power in France and his influence stretched across Europe and beyond Yet he remained between leading his armies and ruling over a vast empire an indefatigable reader who even carried libraries into battle Bonaparte s love of the written word birthed in childhood and nurtured as an

adolescent and young adult never left him He was a lover of literature for its own sake often swooning over melodramatic love stories but he also understood the value of books as instruments of power Before his campaigns he poured over dozens of texts relating to the relevant theaters geography population trade and history When contemplating grave decisions such as his divorce to Empress Josephine he consulted the historical record for useful precedents to justify and inform his actions To bolster his troop's morale during challenging times he constantly referenced history in his proclamations making his contemporaries feel as if they were actively shaping history They were The library of an individual is the key to his mind Behind the grandiose paintings of the victorious conqueror and the constructions of the propagandist stands the reader This book is an attempt to glimpse Napoleon's character without the veneer of imperial glory. What was he like alone at night by his fireplace What thoughts percolated in the mind of the ambitious 20 year old isolated in a little room while theorizing about man's happiness.
